**Reckoning of Fallen Gods** R. A. Salvatore  
2019-01-29 The New York Times-bestselling author's medieval fantasy adventure continues with this "swift-moving tale of sword and sorcery" (Publishers Weekly). The winds of change are blowing upon Fireach Speur. When the orphaned witch Aoelyn risked her life to save the trader Talmadge, it cost her everything that is dear to her. But Talmadge survived and can't forget the amazing woman that killed a god. Little do they realize, war is coming to the mountain. Far to the west, a fallen empire stirs. One that sees a solar eclipse as a call to war. Their empire once dominated the known world . . . and now they want to reclaim it.

**Inferno** Bianca D'Arc 2009-06-30 Spying on a

vampire easy enough, but Megan doesn't count on just how sexy—and powerful—he is. When Dante first sees the sexy werewolf checking him out, he's intrigued. Werecreatures usually give him and his buddy Duncan, the fey knight, a wide berth, but this woman is different. Very different. They must overcome plots and poison to find their destiny, but will they be able to find a forever love? A forbidden union forged in love—and tempered in hellfire. One last task and Megan will be free of the debt of honor owed by her family. Spying on Dante, a powerful vampire with questionable friends, sounds simple enough. But her mission is complicated by the fact she's got something every vampire wants—tangy, powerful, werewolf blood. It's easy to capture his attention. The hard part will be getting out with her heart—and soul—intact. Not to mention her life, thanks to a crazed bomber. Dante isn't the kind to forgive or forget easily, especially the grudge he holds against werewolves. Still, he is instantly drawn to the

injured lone wolf in his care. When he and his friend Duncan treat her wounds, they discover something that marks her as much more than she seems. That mark is a neon sign warning to be careful, but Dante can't help himself. He wants her and nothing will stand in his way. Not her species. Not his. Not the strange woman who keeps trying to kill him. Not even the magical poison in Megan's blood... Warning: This book contains sexual healing, ménage à trois and quatre, hot sexy vampires, an irresistible fey warrior and a lone wolf bitch on the prowl.

**The Woods Out Back** R. A. Salvatore

2023-02-28 A factory worker is kidnapped to help an elf reforge a broken spear, in this trilogy opener by the bestselling author of the Legend of Drizzt series. Gary Leger is desperate for adventure. Daydreaming is all that keeps him from going nuts while working a dead-end job in a plastics factory. The next best thing is burying himself in a good fantasy novel, and he spends much of his free time reading in the woods behind his house. That's when adventure finds him. Or rather, that's when he's hit with a tranquilizer arrow . . . When Gary comes to, he's still in the woods—but in a world inhabited by creatures from his favorite novels, like a pixie and a leprechaun. There's also an elf on a dangerous life-quest who requires Gary's assistance. As soon as Gary finishes helping him, he can go home. He simply needs to complete

the task . . . while surviving encounters with trolls, an ice-hag, a dragon, and a sorceress bent on stopping them at all costs. This first novel in the Spearwielder's Tale trilogy is a great choice for fans of Alan Dean Foster's Spellsinger books and Terry Brooks's Shannara series. Praise for The Woods Out Back "Written as a light-hearted adventure, the book works because the reader sees the world of Faerie through Gary's eyes and Faerie is just as new to him as it is to the reader. . . . The book's fast-paced, good-humored nature draws the reader in and makes the world of Faerie a fine place to visit—good thing there are two more installments!" —SF Site

Strong Female Protagonist Book Two Brennan Lee Mulligan 2018-06-26 Superheroes meet social justice as the wildly popular webcomic comes to print, blending action with relatable young-adult drama and remarkably thoughtful philosophy. This full-color collection features over 300 pages of the ongoing series plus a brand-new short story. Alison Green used to be a superhero. With unlimited strength and invulnerability, she fought crime with a group of other teens under the alter ego Mega Girl. All that changed after an encounter with Menace, her mind-reading arch-enemy, who showed her evidence of a sinister conspiracy that made battling giant robots seem suddenly unimportant. Now Alison is going to college in New York City, trying to find ways to actually help the world while making friends and getting

to class on time. It's impossible to escape the past, however, and trouble comes in the form of mysterious murders, ex-teammates with a grudge, robots with a strange sense of humor, an inconvenient crush, a cantankerous professor, and many different kinds of people who think they know the best way to be a hero. *War Without End* Laurie Goulding 2016-08-02 A massive collection of stories by some of Black Library's most popular authors. The Emperor's vision of mankind ascendant lies in tatters. But with Horus's rebellion spreading to every corner of the Imperium and war engulfing new worlds and systems almost daily, there are some who now ask: were the signs there to be seen all along? In these dark times, only one thing is certain - the galaxy will never know peace again, not in this lifetime or a thousand others... This Horus Heresy anthology contains twenty-one short stories by the cream of Black Library's authors, including David Annandale, Aaron Dembski-Bowden, John French, Guy Haley, Nick

Kyme, Graham McNeill, Rob Sanders, Andy Smillie, James Swallow, Gav Thorpe and Chris Wraight.

**Narendra Modi** Andy Marino 2014-04-06 Narendra Modi, the BJP's prime ministerial candidate, is powerful, popular and controversial. With the general elections due to conclude in May 2014, Modi's campaign rallies have drawn unprecedented crowds. Yet, the man remains an enigma. His supporters regard him as the visionary, decisive leader India needs today. His detractors see him as a polarizing figure. Is Modi authoritative or authoritarian? Decisive or divisive? A team player or a loner? Andy Marino recorded interviews with Narendra Modi during more than half-a-dozen exclusive meetings - unprecedented access to a very private man. What emerged is this riveting, objective biography of a man who could be India's prime minister. Not shying away from the controversies that have dogged Narendra Modi, including the Gujarat riots and questions about

the Gujarat model of governance and development, this political biography provides an unbiased account of possibly the most important figure in Indian politics today. Marino records hour-by-hour details of the 2002 Gujarat riots, presenting a balanced analysis of that raw wound on India's polity. It also reveals hitherto unpublished, authenticated documents, which makes this one of the most important books of 2014. The author analyses Narendra Modi's values, the people who shaped his thinking and the sort of national leader he will make. Personal details of Modi's early life, his wanderings in the Himalayas between the ages of seventeen and nineteen, his rise through the political ranks, his vision for India and his personal philosophy on religion and politics are revealed in a book that is lucid, fast-paced and readable. Narendra Modi: A Political Biography is an insightful, exhaustive and impeccably researched account of the ascent of a political leader.
