Collected Fiction Irwin Shaw 2017-10-03 Three acclaimed novels plus collected short fiction by the New York Times–bestselling author of Rich Man, Poor Man. The Young Lions: Irwin Shaw’s New York Times–bestselling debut is widely considered one of the four great World War II novels, along with From Here to Eternity, The Naked and the Dead, and The Caine Mutiny. Ambitious in its scope and robust in its prose, this “masterpiece” is also deeply humanistic, presenting the reality of war as seen through the eyes of three ordinary soldiers: a Nazi sergeant, a Jewish American infantryman, and an idealistic urbanite from New York City (TheBoston Globe). Bread Upon the Waters: No good deed goes unpunished? The Strands are a happy family, though not without their financial struggles. When their daughter helps a mugging victim by bringing him home, he turns out to be a Wall Street lawyer whose gratitude is as boundless as his bank account. But with each successive “reward,” the Strand family moves farther away from the wealth of happiness they already possessed. Short Stories: Five Decades: Shaw’s prolific output of short stories appeared regularly in the pages of the New Yorker and Esquire for over half a century. These sixty-three stories include such iconic works as “The Eighty-Yard Run” and “The Girls in Their Summer Dresses.” The Troubled Air: Five employees of Clement Archer’s popular radio show are accused Communists. He will have to fire them to keep his show on the air. But it’s not a simple choice—whatever Archer decides, he won’t be able to keep his hands clean, in Shaw’s provocative classic about courage and morality at the height of McCarthyism.

My Story Betty Myers 2008-12 Once upon a time there was a little boy. He was sitting on his mother's lap, and over and over he said, "I hate you, I hate you, I hate you." I don't know why he said that. He was mad about something, I suppose. You know how little boys can be. I think he even hit his mother on the arm with his little fist. She felt sad, but she loved him, and she held him in her arms. Later, when it was bedtime, the boy's mother was tucking him into bed. With sleepy eyes he looked up at her, and this time he said, "I love you." She touched him on the forehead and said, "I know you do, honey. I love you too." My mother is like the mother in the story. She loves people no matter what they say, and no matter what they do. Even if they're grown ups. That's the way she is. - Written by Christopher Myers for his mother's 75th birthday.

The Last Lecture Randy Pausch 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. "We cannot change the cards we are dealt, just how we play the hand." —Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them.

And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—"Really Achieving Your Childhood Dreams"—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have . . . and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

I Love Jesus, But I Want to Die Sarah J. Robinson 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In I Love Jesus, But I Want to Die, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the

church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Pierce 2014-11-14 Revised & updated version of The Omni-Directional Three-Dimensional Vectoring Paper Printed Omnibus for Bewitched Analysis a.k.a. The Bewitched History Book. For fifty years the beloved 1960s sitcom Bewitched has been enchanting television audiences. Created at a turbulent time in American history, Bewitched offered a brief respite from the worries of the day. Before now, there has never been a book written that ties in the events of the times with each episode. But more important, there has never been a book about the show which breaks down each episode in depth. There is now. Within these pages you will learn everything about America's favorite witch, Samantha Stephens, her dreary mortal husband, Durwood, er, Darrin, and the grand host of witches, warlocks, and marvelous mortals who accompanied them on their journey from newlyweds to the parents of a little witch and warlock of their own. Each of the 254 episodes are described in humorous detail and reviewed by one of the biggest fans of the show, David Pierce (otherwise known as Dr. Bombay), from the premiere Bewitched website www.harpiesbizarre.com, based on his popular "40 Years Ago..." weekly posts. Rare trivia and photos accompany the episodes as you learn which witch went which way along with what mortal madness materialized in the swinging 60s of suburbia! About the Author David Pierce should have gotten a Master's Degree in Bewitched, but, instead, got an Associates in Science, majoring in Commercial Art. He currently works as a customer service operations agent in the health care profession and lives in Holladay, Utah.

Finding My Voice Valerie Jarrett 2019 A NEW YORK TIMES BESTSELLER Finalist for the NAACP Image Award for Outstanding Literary Work Valerie has been one of Barack and my closest confidantes for decades... the world would feel a lot better if there were more people like Valerie blazing the trail for the rest of us.--Michelle Obama The ultimate Obama insider (The New York Times) and longest-serving senior advisor in the Obama White House shares her journey as a daughter, mother, lawyer, business leader, public servant, and leader in government at a historic moment in American history. When Valerie Jarrett interviewed a promising young lawyer named Michelle Robinson in July 1991 for a job in Chicago city government, neither knew that it was the first step on a path that would end in the White House. Jarrett soon became Michelle and Barack Obama's trusted personal adviser and family confidante; in the White House, she was known as the one who got him and helped him engage his public life. Jarrett joined the White House team on January 20, 2009 and departed with the First Family on January 20, 2017, and she was in the room--in the Oval Office, on Air Force One, and everywhere else--when it all happened. No one has as intimate a view of the Obama Years, nor one that reaches back as many decades, as Jarrett shares in *Finding My Voice*. Born in Iran (where her father, a doctor, sought a better job than he could find in segregated America), Jarrett grew up in Chicago in the 60s as racial and gender barriers were being challenged. A single mother stagnating in corporate law, she found her voice in Harold Washington's historic administration, where she began a remarkable journey, ultimately becoming one of the most visible and influential African-American women of the twenty-first century. From her work ensuring equality for women and girls, advancing civil rights, reforming our criminal justice system, and improving the lives of working families, to the real stories behind some of the most stirring moments of the Obama presidency, Jarrett shares her forthright, optimistic perspective on the importance of leadership and the responsibilities of citizenship in the twenty-first century, inspiring readers to lift their own voices.

Lady Long Rider Bernice Ende 2018-06-27 Riding 2,000 miles on horseback from Montana to New Mexico sounds like a crazy but thrilling dream or pure hardship and exhaustion. According to Bernice Ende, the trip was all that and more. Since swinging her leg over the saddle for that first long ride in 2005 (at the age of 50), Ende has logged more than 29,000 miles in the saddle, crisscrossing North America on horseback - alone. More than once she has traversed the Great Plains, the Southwest deserts, the Cascade Range, and the Rocky Mountains. Along the way, she discovered a sense of community and love of place that unites people wherever they live. From 2014-2016, she was the first person to ride coast to coast and back again in one trek, winning acclaim from the international Long Riders' Guild and awe from the people she met along the way. Bernice Ende's memoirs are illuminated by accompanying maps of her routes and photos from her journeys, capturing the instant friends she meets along the way, and her ongoing encounters with harsh weather, wildlife, hard work, mosquitoes, tricky route-finding, and the occasional worn out horseshoe. Ende reveals her inner struggles and triumphs - testing the limits of physical and mental stamina, coping with inescapable solitude, and the rewards of living life her own way, as she says, "in her own skin." Saddle up and come along for the journey of a lifetime.
