When Washington Crossed the Delaware Lynne Cheney 2012-01-03 "This is the story that I tell my grandchildren at Christmas. I hope that this book will bring the tradition of sharing history to families all across America." -- Lynne Cheney Christmas night, 1776, was a troubled time for our young country. In the six months since the Declaration of

Independence had been signed, General George Washington and his troops had suffered defeat after defeat at the hands of the British. It looked as though our struggle for independence might be doomed, when Washington made a bold decision. He would lead the main body of his army across the Delaware River and launch a surprise attack on enemy forces. Washington and his men were going against the odds. It seemed impossible that the ragtag Americans could succeed against the mightiest power in the world. But the men who started across the icy Delaware loved their country and their leader. Under his command they would turn the tide of battle and change the course of history. Best-selling author Lynne Cheney tells the dramatic story of the military campaign that began on Christmas night in 1776. When Washington Crossed the Delaware will teach the young about the heroism, persistence, and patriotism of those who came before them.

The Ellipsis Manual Chase Hughes 2017-02-14 Originally written as a manual for intelligence field operations... -You'll stop believing in free will.- -LISA SCHMIDT, HUFFINGTON POST One look at the table of contents will give you an 'oh my God' moment. -The Ellipsis Manual is the kind of book that used to be locked away...deep in a vault underground...far away from the prying eyes of those who could misuse its power. With chapter titles like 'Methods of physically hacking the brain' and 'Shutting off human willpower, ' what you're about to learn could make even the most well-trained CIA operative blush... And that's what leads me to say that if you're going to pick up your copy of *The Ellipsis Manual* today, you've got to make a firm commitment not to go to the dark side with this material. Because once you go through these pages, you'll be able to: -See through the masks people wear - exposing

fears and insecurities no one else can see -Instantly detect when a partner, boss, or even a friend is lying to you -Covertly influence anyone, any time (with NO chance of being caught) -Hijack peoples' deepest thoughts, feelings, and favorite gestures...and leverage them to your advantage Implant whatever ideas and beliefs you want into the minds of people you want to persuade, control, or seduce ...and a WHOLE lot more. And once you have these powers, trust me-the temptation to misuse them will certainly be strong. Fight the urge. Stay true to your principles. And use what you're about to learn to help yourself and others-for your own good, as well as theirs.- - Author and persuasion expert MICHAEL WITCOFF -One of the most frighteningly powerful books imaginable. It shows how to make a real life Manchurian Candidate complete with alternate personalities and amnesia. A process I didn't feel was possible till now.- DAVID BARRON a.k.a. DANTALION JONES - 8-time bestselling author including Mind Control 101 -If there was a manual on how to be James Bond, this is it.- -TIM O'KEEFE -Chase Hughes is like Robert Cialdini on steroids.- -ZACH HANDA

The Hot and Cold Summer Johanna Hurwitz 1984 Two inseparable ten-year-old boys discover there is room in their friendship for another person and it really doesn't matter that she is a girl.

The Little Red Hen and the Passover Matzah Leslie Kimmelman 2011-01-01 A classic tale gets a Jewish twist, when Little Red Hen asks her friends for help making Passover matzah. Before she knows it, Little Red Hen tells herself, it will be time for Passover. So she decides to plant some grain. But when she asks her friends to help, they're too busy for her. "Sorry, bub," says the Horse. "Think again," barks the dog. Oy gevalt! "Friends, shmends," she says. "I'll just do it myself." But when the wheat is grown and harvested, when the flour is milled and the matzah baked and the Seder table set-- all by Red on her own--who should come to her door but her not-so-helpful friends? Though she's tempted to turn

them away, Little Red is a mensch-- and a mensch forgives. Like her Haggadah says: Let all who are hungry come and eat. But who will do all these dishes? Filled with Yiddish phrases and a healthy dose of humor, this Passover tale of hard work, friendship, and forgiveness is not to be missed. Bright cartoon illustrations add humor and detail to the story. Backmatter includes a glossary of Yiddish phrases, an author's note about the holiday, and a recipe for making your own Passover matzah. *Serious Farm* Tim Egan 2006-10-02 Farmer Fred never smiled much. "Farmin' is serious business," he'd say. "Nothin' funny about corn." And so life on his farm was pretty serious. None of the animals laughed or even smiled. But everyone has to laugh sometimes, including Farmer Fred. The animals try everything to get him to smile: dancing by the light of the moon in Farmer Fred's clothes, singing chickens, sheep disguised in sunglasses and mustaches. Nothing works and finally the animals decide to leave Serious Farm in search of a more cheerful place to chuckle and graze. Will the animals find a livelier home, and will Farmer Fred ever lighten up?

The Real Story of Stone Soup Ying Chang Compestine 2007-01-18 A stingy fisherman always makes his three young helpers do all his work. One day he scolds the "lazy boys" for forgetting to provide lunch. "Don't worry," they say. "We can make stone soup." The boys dig a hole and fill it with water and "flavored" stones. They trick the fisherman into making bowls and chopsticks, and fetching salt and sesame oil. While he's busy, they stir in bird eggs, add wild vegetables, and slip fish into the soup. By the time the old man returns, they have a feast fit for a king. To this day, "Egg Drop Stone Soup" is a traditional dish in southeast China. A recipe is included.

The Secret Garden of George Washington Carver Gene Barretta 2023-02 The inspirational story of George Washington Carver and his childhood secret garden is brought to life in this picture book biography by the author-illustrator team behind *Muhammad Ali: A Champion Is Born*. When George Washington Carver was just a young child, he had a secret: a garden of his own. Here, he rolled dirt between his fingers to check if plants needed more rain or sun. He protected roots through harsh winters, so plants could be reborn in the spring. He trimmed flowers, spread soil, studied life cycles. And it was in this very place that George's love of nature sprouted into something so much more--his future. Gene Barretta's moving words and Frank Morrison's beautiful paintings tell the inspiring life and history of George Washington Carver, from a baby born into slavery to celebrated botanist, scientist, and inventor. His passion and determination are the seeds to this lasting story about triumph over hardship--a tale that begins in a secret garden.
