God's Gold John T. Flynn 2007 In 1932, John T. Flynn had begun to rethink his old-style "progressivism" to develop intellectually into a defender of markets as against the regimentation of government management. A first product of these steps is this classic and extraordinary full biography of John D. Rockefeller. In this highly sympathetic portrayal, Flynn shows how Rockefeller employed the tools of capitalism to become enormously rich in the service of others, and how this unleashed the most unexpected backlash from anti-capitalists of all sorts, culminating in the breakup of Standard Oil. He saw that this was done at the behest of Rockefeller's competition, and not in the public interest. It was the first and probably still the best biography of an American original.

The Solace of Leaving Early Haven Kimmel 2002-07-23 Using small-town life as a springboard to explore the loftiest of ideas, Haven Kimmel's irresistibly smart and generous first novel is at once a romance and a haunting meditation on grief and faith. Langston Braverman returns to Haddington, Indiana (pop. 3,062) after walking out on an academic career that has equipped her for little but lording it over other

people. Amos Townsend is trying to minister to a congregation that would prefer simple affirmations to his esoteric brand of theology. What draws these difficult—if not impossible—people together are two wounded little girls who call themselves Immaculata and Epiphany. They are the daughters of Langston's childhood friend and the witnesses to her murder. And their need for love is so urgent that neither Langston nor Amos can resist it, though they do their best to resist each other. Deftly walking the tightrope between tragedy and comedy, *The Solace of Leaving Early* is a joyous story about finding one's better self through accepting the shortcomings of others.

Weird Ohio James A. Willis 2005 Ah, Ohio, so nice and normal. We have apple pie heroes like Hopalong Cassidy, Neil Armstrong, Thomas Edison, and Doris Day. Our state bird is the jaunty and ever popular cardinal, and our state flower is the carnation, found in the buttonholes of politicians and bridegrooms everywhere. We started America rolling by opening the country's first gas station, and we have a museum dedicated to America's music, rock and roll. Why, we're just so all-American normal, it can bring a tear to the eye. But there's something else we have a whole lot of, and that's...weirdness. Yes, the Buckeye State has lots and lots of strange people and unusual sites, and they burst forth from every page of this, the biggest, most bizarre collection of Ohio stories ever assembled: *Weird Ohio*.

Visit Me in California Cooley Windsor 2008-08-13 Deftly moving between the comic and the tragic, the sacred and the profane, this collection of short stories is populated by modern children, ancient poets, dying men, and your basic, mundane Greek gods. Windsor turns familiar stories from the Bible and from myth inside out, exploring the feelings of minor characters and looking at events from imaginative perspectives. His prose is rich with detail and emotion and he touches on themes of art and artifice, success and failure, family and its sacrifices, and expectations met or missed. In "The Last Israelite in the Red Sea," a follower of Moses who dallies during their Exodus finds it more difficult to walk across the bottom of the temporarily displaced Red Sea without shoes. "Four of the Times My Sister Cried" follows a young narrator as his family rehearses for his mother's death and then, as they must, lives without her. The wry "The Art of War" has characters from Homer to a courtesan talking shop about the battle of Troy from their perspectives. Set as a series of short pieces, "The Fleshly School of Poetry" tells of lessons learned and lessons taught. With its explorations of expectations, "Meet the Author" gives readers intimate portraits of various plans or coping mechanisms people put up when death draws close. "The End of the World" approaches the Rapture with a humorously practical spin: wouldn't the angels need a plan to ensure that it goes smoothly? "In Parting" explores some of the troubles with family, especially when a sister's child turns out to be a marionette. The geographically explicit "Three Mediums in San Francisco" touches on frustrated and imagined eroticism. The collection ends with "The Hilton Epiphany," a fitting closer in which divinity comes to an unlikely person in an unlikely place.

Ghosts and Legends of Northern Ohio William G Krejci 2019-09-16

Hauntings and eerie tales abound in northern Ohio. Does Esther Hale, believed to have been executed for witchcraft, really haunt Columbiana County's Bowman Cemetery? Is Lonesome Lock on the Ohio and Erie Canal as haunted as rumors say? Do restless spirits stalk the rooms at the Wolf Creek Tavern in Norton and the Rider's Inn of Painesville? Do the ruins of Gore Orphanage echo with the ghostly wails of children said to have died in a fire long ago? Author William G. Krejci guides this supernatural journey through the most chilling legends of northern Ohio. Some stories are debunked. Some long-standing mysteries are solved. Some new mysteries come to light.

Weird Encounters 2010 "Weird Encounters" features more than 75 supernatural stories contributed by writers from across the country. This chilling anthology tells of Historic Haunts and Hostel Environments and conjures up a host of phantasms and destructive spirits.

Supernatural Lore of Ohio Steven J. Rolfes 2020-09-21 A rich vein of bizarre and uncanny tales snakes through Ohio's cornfields and cityscapes. In the earliest days of statehood, dark reports spoke of witches causing feathers to form a deadly ring in one's bed, magically strangling its sleeping victims. For years, the ghost of Abraham Lincoln's funeral train rolled through Urbana, a small town in the center of the state, and caused clocks and watches to stop in its wake. A vampiric

entity was said to haunt a strange cabin in the Black Swamp, and a werewolf reportedly roamed a Defiance train yard. Join Cincinnati historian Steven J. Rolfes on a tour of Ohio's strangest supernatural lore, from wailing banshees to the devil himself.

Haunted Ohio Chris Woodyard 1991 A collection of Ohio ghost stories and ghostlore from Native American tales to contemporary haunted houses.

Ohio's Historic Haunts James A. Willis 2015 Ohio's premier paranormal researcher looks for the spirits behind the stories Many of Ohio's historically significant locations have developed a reputation for being haunted. While it might be almost impossible to prove the validity of the paranormal tales that surround them, one thing is clear: ghost stories help to keep history alive. But the questions remain: How did these stories get started? More important, are any of them tied directly to actual historic events? And do any facts support the ghost lore? Rather than rely on second- and third-person accounts, author and paranormal researcher James A. Willis sat down with the owners, employees, and patrons of Ohio locations that are said to be haunted - the Arts Castle in Delaware, the Fairport Harbor Marine Museum, the Haunted Hydro in Fremont, Loveland Castle, the Merry-Go-Round Museum in Sandusky, the Ohio State Reformatory in Mansfield, the Zanesville Community Theatre, and many others. After conducting more than 200 hours of one-on-one interviews, Willis was able to piece together unique histories for each location, including eyewitness accounts from people who believed they experienced paranormal activity. But Willis wasn't content to stop with first-person accounts. He also brought high-tech "ghost-hunting" equipment into each location and spent a night attempting to collect empirical data to see if he could experience a paranormal encounter himself. What were the results of these vigils? You'll have to read the book to find out Come along on a journey with Willis as he travels to the crossroads where history and folklore collide, and visit the fascinating Ohio locations where the past comes alive - in more ways than one
