

# Hermann And Dorothea

Goethe's Hermann und Dorothea Johann Wolfgang von Goethe 1874

**Goethe's Hermann and Dorothea** Johann Wolfgang von von Goethe 1887

*Hermann and Dorothea* JOHANN WOLFGANG VON. GOETHE 2025-03-28 Johann Wolfgang von Goethe's "Hermann and Dorothea" is a cornerstone of German literature, celebrated for its beautiful language and enduring exploration of love and community. This epic poem, set against a backdrop of societal upheaval, offers a glimpse into the lives and loves of ordinary people. Goethe masterfully crafts an idyll, rich in detail and human emotion, within the classical literary tradition. A timeless work of love poetry, "Hermann and Dorothea" resonates with readers through its universal themes. Experience the power of Goethe's narrative verse in

this meticulously prepared print edition, designed to preserve the integrity of the original text. This classic work invites readers to reflect on love, duty, and the enduring strength of the human spirit. A must-have for enthusiasts of classical literature and those seeking to explore the depth and beauty of German poetry. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. 2021-07-21 by guest*

and does not endeavor through the poem to teach the history of the German language or of German literature. For this book, therefore, the editor believes that a place is open. Both Introduction and Notes are designed to be concise and practical, while to the Vocabulary most careful attention and elaboration have been given, in order to make it complete, accurate, and thoroughly helpful. The publishers are responsible for the position of the Notes, which in accordance with their earlier desire were designed by the editor to be footnotes on the pages of the Text. It has seemed advisable to make this change in response to the earnest solicitations of many teachers. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. **Hermann and Dorothea**

Wolfgang Johann Von Goethe 2024-03-17 "Hermann and Dorothea" by Johann Wolfgang von Goethe is a timeless epic poem that unfolds against the backdrop of rural Germany. Set during a time of social upheaval and political change, Goethe's narrative follows the love story of Hermann and Dorothea, two young individuals from different social classes. As their romance blossoms amidst the chaos of the French Revolution, Goethe weaves a rich tapestry of themes including love, friendship, and the search for identity. Through vivid descriptions and lyrical language, he captures the essence of small-town life, while also addressing larger societal issues of the time. "Hermann and Dorothea" stands as a masterpiece of German literature, showcasing Goethe's unparalleled skill in blending the personal and the

political into a captivating narrative that continues to resonate with readers today.

**Goethe's Hermann and Dorothea, with notes by W.**

**Wagner** Johann Wolfgang von Goethe 1876

Goethe's Hermann und Dorothea Johann Wolfgang von Goethe 1899

**Hermann and Dorothea**

Johann Wolfgang Von Goethe  
2019-06 There are few modern poems of any country so perfect in their kind as the Hermann and Dorothea of Goethe. In clearness of characterization, in unity of tone, in the adjustment of background and foreground, in the conduct of the narrative, it conforms admirably to the strict canons of art; yet it preserves a freshness and spontaneity in its emotional appeal that are rare in works of so classical a perfection in form.

and relevant.

*Goethe's Hermann Und Dorothea* Johann Wolfgang von Goethe 2017-10-15 Excerpt from Goethe's Hermann Und Dorothea: With Introduction and Notes As regards the state of the text, it can perhaps be said without presumption that the present one is more free from outside intrusions than any which has appeared since Goethe undertook the revision of the poem. It has been my good fortune to enter into the fruits of the elaborate studies upon the text made for some years by Professor Hewett, and to have his results placed fully at my disposal, The Schneider collection of original editions of the German classics, recently acquired by the Northwestern University, has also supplied invaluable original materials for this purpose. In orthography and punctuation, modern rules have been applied: in this, as in countless other ways, I have had much help from Professor Hewett's monumental edition. About the Publisher Forgotten Books publishes hundreds of

Hermann and Dorothea not well adapted as an introductory text to the study of Goethe. My own impression is just the opposite. I have read the poem with classes more than twenty times. For a number of years I have put on the final examination paper the question: Arrange in your order of preference the books that have been read in this course. No matter how many books were read or in what order they were read Hermann and Dorothea has practically always won first place. their series of annotated texts. In the preparation of the notes it has been my purpose to lead from the study of the poem to a wider knowledge of the language of the author and of the period in which he lived, and to make this work serve as an introduction to a more critical study of Goethe's life and writings. I have sought to interpret the poem so far as was possible by illustration rather than by mere statement or reference, believing that in the study of language nothing makes a truth so real as to see its actual use in the expression of thought. Most students have a keen joy in discovering that an isolated fact often illustrates a principle, and that certain truths entered into the poet's life and received manifold illustration in his writings. The use of any literary work will vary with the purpose of the instructor and the demands of his classes. A poem may be studied as an end in itself, or to illustrate the thoughts of the author and the place which it bears in the history of his life, or it may serve as is often the

case as a single step in the acquisition of the language. Something of all these purposes enters into the reading of any work. I took in hand Goethe's short and simple poem, that publisher and public might not be kept waiting too long. But a consideration weightier even than that of economizing time was the conviction, which gained upon me in the course of my studies, that the series should not merely comprise the German classics, but that it should have the distinctive character of a series. Speaking more precisely, that it should be, so far as possible, progressive; that while each volume might retain its independence, the series should indicate in a general way the steps by which the student has to ascend from the easy to the difficult. As a corollary to this, the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
