

Hillary The Politics Of Personal Destruction

After the Flight 93 Election Michael Anton
2019-02-05 In September 2016, the provocative essay "The Flight 93 Election" galvanized many voters by spotlighting the stakes ahead in November and reproaching complacent elements of the Right. It also drew disparagement from many who judged it too apocalyptic in its assessment of the options facing the electorate. Its author, Michael Anton—writing as "Publius Decius Mus"—addressed the main criticisms of his argument soon afterward in a "Restatement on Flight 93." A new criticism emerged later on: that he had painted a dire scenario to be averted, but no positive vision. Here, Anton presents the positive ideal that inspired him—a distillation of his thinking on Americanism and the West, refined over decades. He lays out the foundational principles of the American and Western traditions, examines the biggest threats to their survival, and underscores the necessity of continuing to defend them.

Burning Down the House Julian E. Zelizer
2020-07-07 A New York Times Notable Book! A New York Times Book Review Editors' Choice The story of how Newt Gingrich and his allies tainted American politics, launching an enduring era of brutal partisan warfare When Donald Trump was elected president in 2016, President Obama observed that Trump "is not an outlier; he is a culmination, a logical conclusion of the rhetoric and tactics of the Republican Party." In *Burning Down the House*, historian Julian Zelizer pinpoints the moment when our country was set on a path toward an era of bitterly partisan and ruthless politics, an era that was ignited by Newt Gingrich and his allies. In 1989, Gingrich brought down Democratic Speaker of the House Jim Wright and catapulted himself into the national spotlight. Perhaps more than any other politician, Gingrich introduced the rhetoric and tactics that have shaped Congress and the Republican Party for the last three decades. Elected to Congress in 1978, Gingrich quickly became one of the most powerful figures in America not through innovative ideas or

charisma, but through a calculated campaign of attacks against political opponents, casting himself as a savior in a fight of good versus evil. Taking office in the post-Watergate era, he weaponized the good government reforms newly introduced to fight corruption, wielding the rules in ways that shocked the legislators who had created them. His crusade against Democrats culminated in the plot to destroy the political career of Speaker Wright. While some of Gingrich's fellow Republicans were disturbed by the viciousness of his attacks, party leaders enjoyed his successes so much that they did little collectively to stand in his way. Democrats, for their part, were alarmed, but did not want to sink to his level and took no effective actions to stop him. It didn't seem to matter that Gingrich's moral conservatism was hypocritical or that his methods were brazen, his accusations of corruption permanently tarnished his opponents. This brand of warfare worked, not as a strategy for governance but as a path to power, and what Gingrich planted, his fellow Republicans reaped. He led them to their first majority in Congress in decades, and his legacy extends far beyond his tenure in office. From the Contract with America to the rise of the Tea Party and the Trump presidential campaign, his fingerprints can be seen throughout some of the most divisive episodes in contemporary American politics. *Burning Down the House* presents the alarming narrative of how Gingrich and his allies created a new normal in Washington.

A Basket of Deplorables Linda Tripp
2020-12-22 As seen on Newsmax TV! Featured in the New York Post and FoxNews.com! A compelling insider's look at a political marriage that tore apart the nation and almost destroyed a presidency—from the woman who saw it all happen. In this brilliantly written behind-the-scenes account, Linda Tripp along with her co-author, Dennis Carstens, shares her side of the Clinton White House sex scandals for the first time—detailing the behavior of two very flawed people who fooled a nation: Bill Clinton, a sexual predator, and his wife, Hillary, who was his primary enabler. In this exposé, Tripp outlines

what the public was not allowed to see: the lengths Clintons' protectors would go to lie, deceive, and coverup for them; some of the many women Bill Clinton used his position, privilege, and power as president to sexually abuse; how the former president got away with it thanks to his morally bankrupt, unscrupulous wife and cabal of protectors; and finally, the role party politics played when he was called to task and was almost the first president to be removed from office for perjury and corruption.

Contempt Ken Starr 2018-09-11 Twenty years after the Starr Report and the Clinton impeachment, former special prosecutor Ken Starr finally shares his definitive account of one of the most divisive periods in American history. You could fill a library with books about the scandals of the Clinton administration, which eventually led to President Clinton's impeachment by the House of Representatives. Bill and Hillary Clinton have told their version of events, as have various journalists and participants. Whenever liberals recall those years, they usually depict independent counsel Ken Starr as an out-of-control, politically driven prosecutor. But as a New York Times columnist asked in 2017, "What if Ken Starr was right?" What if the popular media in the 1990s completely misunderstood Starr's motives, his tactics, and his ultimate goal: to ensure that no one, especially not the president of the United States, is above the law? Starr -- the man at the eye of the hurricane -- has kept his unique perspective to himself for two full decades. In this long-awaited memoir, he finally sheds light on everything he couldn't tell us during the Clinton years, even in his carefully detailed "Starr Report" of September 1998. *Contempt* puts you, the reader, into the shoes of Starr and his team as they tackle the many scandals of that era, from Whitewater to Vince Foster's death to Travelgate to Monica Lewinsky. Starr explains in vivid detail how all those scandals shared a common thread: the Clintons' contempt for our system of justice. This book proves that Bill and Hillary Clinton weren't victims of a so-called "vast right-wing conspiracy." They played fast and loose with the law and abused their powers and privileges. Today, from the #MeToo aftermath and Russiagate to President Trump's impeachment trial, the office of the American

presidency is in crisis—and Starr's insights are more relevant now than ever.

Queen of Chaos Diana Johnstone 2015 U.S. wars are getting repetitive. Always the same old scenario. The mainstream media alert public opinion to the latest "villain" supposedly threatening to slaughter "his own people". The U.S. does the job instead with its drones and missiles. The new "villain" is soon forgotten, but his country is left in a shambles, with competing fanatics vying to dominate the chaos. Something new is needed. How about a woman War President? Hillary Rodham Clinton has painstakingly groomed herself for the role. Her record as Secretary of State shows that she is fully qualified to be the first woman to be known as the "mother of all drones" or even to launch World War III.

What Happened Hillary Rodham Clinton 2017-09-12 For the first time, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. Now free from the constraints of running, Hillary takes you inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. This is her most personal memoir yet. In these pages, she describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. With humor and candor, she tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her through, and what the experience has taught her about life. She speaks about the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. She lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our

democracy in the future. The election of 2016 was unprecedented and historic. What Happened is the story of that campaign and its aftermath—both a deeply intimate account and a cautionary tale for the nation. “What Happened is not one book, but many. It is a candid and blackly funny account of her mood in the direct aftermath of losing to Donald J. Trump. It is a post-mortem, in which she is both coroner and corpse. It is a feminist manifesto. It is a score-settling jubilee.... It is worth reading.” —The New York Times “What Happened is a raw and bracing book, a guide to our political arena.” —The Washington Post “The writing in What Happened is engaging — Clinton is charming and even funny at times, without trying to paint herself in too flattering of a light.... Ultimately, the book might be a historical artifact most of all — the chronicling of what, exactly, it was like to run for president as the first woman major-party candidate (and, yes, a Clinton as well). Plenty may disagree with Clinton’s opinions on what went wrong for her, but her story will still be an important part of that history when America looks back on the melee that was the 2016 election.” —NPR

Madame Hillary R. Emmett Tyrrell, Jr. 2004-01-01 First-hand reporting and revelations of recent behind the scenes maneuverings that shows the reality between her carefully crafted image.

Tag Teaming the Press James E. Mueller 2008-06-27 Tag Teaming the Press, James Mueller's lively account of the evolution of the press relations of Bill and Hillary Clinton, begins with the couple's earliest student political activism in the sixties and continues through Hillary's run for the White House in 2008. Based largely on interviews with the journalists who covered them, the book explains how the most powerful political couple in America learned to handle the media—an indispensable skill for the twenty-first century politician. Mueller shows that the Clintons honed that skill through years of interacting with journalists—as campaign workers, as candidates, and as candidates' spouses. He also makes clear that it is the latter category that makes the Clintons unique among American political couples. At various times in their more than 30 years in politics, Bill and Hillary have fulfilled a number of roles for each

other in dealing with reporters, including lightning rod, bad cop, good cop, and schmoozer. Mueller examines each of these roles and discusses how the Clintons played them—sometimes winning, sometimes losing, but always well worth watching. Written in an engaging style but based on thorough research, Tag Teaming the Press is a valuable resource for students of media and politics and an informative read for anyone who cares about American democracy and the role the press plays in it.

Hillary David N. Bossie 2008-03-02 It's not a stretch to say that more has been written about Hillary, pro and con, than probably any other living American politician. So in the build-up to the 2008 presidential election, what is not needed is just another book about Candidate Hillary. Fortunately, this exposé is much more—a hybrid product that includes not only cutting-edge reporting, revealing facts and fictions about the junior senator from New York, but does it in a dual book-and-movie format. David N. Bossie, former chief investigator for the US House of Representatives Committee on Government Reform and Oversight, reveals all the must-know details about Hillary's life and career, exposing the truth about her conflicts in the past and her liberal plot for the future. Bossie has previously produced such acclaimed documentaries as Border War(www.borderwarmovie.com).

Her Way Don Van Natta Jr. 2007-06-19 The truth about the most important woman in America In Her Way, two Pulitzer Prize-winning New York Times investigative journalists deliver: Previously undisclosed details about the Clinton's multi-decade plan for power—including 8 years in the White House for Bill and 8 years for Hillary. Never-before-revealed information about Hillary's involvement in her husband's campaigns - including cover-ups and the truth about Bill's draft record. New details regarding Hillary's rivalry with Al Gore - and why it is likely to heat up. Provocative new information about Hillary's vote to authorize the Iraq War, and the steps she has taken to distance herself from that vote. Revelations about Bill Clinton's role in Hillary's campaign and his surprising opinion of Barack Obama New details of Hillary's failure to adhere to Senate ethics rules, and what this says

about her political empire She is one of the most influential and recognizable figures in our country, and perhaps the single most divisive individual in our political landscape. She has been the subject of both hagiography and vitriolic smear jobs. But although dozens of books have been written about her, none of them have come close to uncovering the real Hillary -- personal, political, in all her complications. Now, as she make her historic run for the presidency, Pulitzer Prize-winning New York Times reporters Jeff Gerth and Don Van Natta Jr. bring us the first comprehensive and balanced portrait of the most important woman in American politics. Drawing upon myriad new sources and previously undisclosed documents, *Her Way* shows us how, like many women of her generation, Hillary Rodham Clinton tempered a youthful idealism with the realities of corporate America and big-league politics. It takes readers from the dorm rooms at Wellesley to the courthouses of Arkansas and Washington; to the White House and role as First Lady like none other; inside the back rooms of the Senate, where she expertly navigates the political and legislative shoals; to her \$4 million mansion in Washington, where she presides over an unparalleled fundraising machine; and to her war room, from which she orchestrates ferocious attacks against her critics. Throughout her career, she has been alternately helped and hindered by her marriage to Bill Clinton. *Her Way* unravels the mysteries of their political partnership -- one of the most powerful and enigmatic in American history. It also explains why Hillary is such a polarizing figure. And more than any other book, it reveals what her ultimate hopes and ambitions are -- for herself and for America.

Hillary's Choice Gail Sheehy 1999

The Clintons' War on Women Roger Stone 2016-09-06 "This book on Hillary - really tough." - President Donald Trump Hillary Clinton is running for president as an "advocate of women and girls," but there is another shocking side to her story that has been carefully covered up—until now. This stunning exposé reveals for the first time how Bill and Hillary Clinton systematically abused women and others—sexually, physically, and psychologically—in their scramble for power and

wealth. In this groundbreaking book, New York Times bestselling author Roger Stone and researcher and alternative historian Robert Morrow map the arc of Bill and Hillary's crimes and cover-ups. They reveal details about their actions in Arkansas, during Bill Clinton's time in the White House, about who really ordered the deadly attack on the Branch Davidian compound in Waco, during Hillary's tenure as secretary of state, about their time at the Clinton Foundation, and during Hillary's current campaign for president. This is the first book to shed light on the couple's deeply personal violations of the people they crushed in their obsessive quest for power. Along the way, Stone and Morrow reveal the family's darkest secrets, including a Clinton family member's drug rehab treatment that was never reported by the press, Hillary Clinton's unusually close relationship with a top female aide, and a stunning revelation of such impact that it could strip Bill Clinton of his current popularity and derail Hillary's push to be the second Clinton in the White House. Anyone who cares about the future of the United States will want to read this tell-all, exposing the appalling, unvarnished, and ugly truth about the Clintons. This paperback edition includes a new preface from Roger Stone, revealing explosive new information he's learned since the hardcover's release.

Alter Egos Mark Landler 2016-04-26 "An inside account of Hillary Clinton's relationship with Barack Obama that brims with insight and high-level intrigue."—Jane Mayer, bestselling author of *Dark Money* The deeply reported story of two trailblazers who share a common sense of their historic destiny but hold very different beliefs about how to project American power—from veteran New York Times White House correspondent Mark Landler In the annals of American statecraft, theirs was a most unlikely alliance. Clinton, daughter of an anticommunist father, was raised in the Republican suburbs of Chicago in the aftermath of World War II, nourishing an unshakable belief in the United States as a force for good in distant lands. Obama, an itinerant child of the 1970s, was raised by a single mother in Indonesia and Hawaii, suspended between worlds and a witness to the less savory side of Uncle Sam's influence abroad. Clinton and Obama would

later come to embody competing visions of America's role in the world: his, restrained, inward-looking, painfully aware of limits; hers, hard-edged, pragmatic, unabashedly old-fashioned. Spanning the arc of Obama's two terms, *Alter Egos* goes beyond the speeches and press conferences to the Oval Office huddles and South Lawn strolls, where Obama and Clinton pressed their views. It follows their evolution from bitter rivals to wary partners, and then to something resembling rivals again, as Clinton defined herself anew and distanced herself from her old boss. In the process, it counters the narrative that, during her years as secretary of state, there was no daylight between them, that the wounds of the 2008 campaign had been entirely healed. The president and his chief diplomat parted company over some of the biggest issues of the day: how quickly to wind down the wars in Iraq and Afghanistan; whether to arm the rebels in Syria; how to respond to the upheaval in Egypt; and whether to trust the Russians. In Landler's gripping account, we venture inside the Situation Room during the raid on Osama bin Laden's compound, watch Obama and Clinton work in tandem to salvage a conference on climate change in Copenhagen, and uncover the secret history of their nuclear diplomacy with Iran—a story with a host of fresh disclosures. With the grand sweep of history and the pointillist detail of an account based on insider access—the book draws on exclusive interviews with more than one hundred senior administration officials, foreign diplomats, and friends of Obama and Clinton—Mark Landler offers the definitive account of a complex, profoundly important relationship.

The Hillary Effect Taylor Marsh 2014-07-01
Spanning nearly two decades of American politics, *The Hillary Effect* is the provocative and insightful story of the first viable female presidential candidate in history to win a primary and do so in spite of her campaign team's mistakes. It addresses the galvanizing impact that her loss represented for both women and men, in and out of Washington. And it revolves around media coverage that treated her differently as first lady, senator, and then presidential candidate—not only because she was a woman, but because she was Hillary Clinton. Candidly written by veteran political

analyst Taylor Marsh, this is the view from a recovering partisan, someone whom the *Washington Post* called a “die hard Clintonite” in its profile of Hillary in 2008. The Hillary Effect began when Hillary, as first lady, dared to challenge China's treatment of women. A countless number of women have benefited and will benefit from her presidential loss, the most famous of these being Sarah Palin (the Tea Party queen of 2010 and first female on a national Republican presidential ticket), who weaves throughout this story as the anti-Hillary. The Hillary Effect also sees Michele Bachmann as a player, as the first Republican female to win a straw poll, primary, or caucus. The male leads in this stunning tale are Bill Clinton and President Barack Obama (someone who turned out to be very different from candidate Obama), with David Plouffe and Mark Penn making appearances. The story includes a host of media personalities and their outlets, but also new-media and progressive voices, and famous names like Chris Matthews, Keith Olbermann, Sally Quinn, the late Tim Russert, Richard Wolffe, Laura Ingraham, Liz Cheney, Peggy Noonan, Maureen Dowd, Tucker Carlson, Sean Hannity, Rush Limbaugh, and even Bill O'Reilly, who offered Hillary the best interview she would do during the 2008 season. All of this is seen through the economic and political crises of today—health care, women's individual freedoms, Afghanistan, women's rise around the world, the debt-ceiling debate, tax cuts for the wealthy, Occupy Wall Street, and an American public disenchanted with both Republicans and Democrats.

Hillary Joachim Kempin 2016-06-30
Voting in our democracy is a privilege. 130 million or more will probably be cast this year to determine the next US President. Mostly along party lines. Much fewer based on consciously evaluating of how many of the political promises, made during the election campaign, cannot be kept. In particular by Hillary. A political operator from yesterday, who seeks this office with cunning rhetoric and despair. A piper, who supposedly fights for the downtrodden. She does not possess a magic flute like the original one. Instead she too often uses quite angry sounding siren songs to lure voters into a realm of free flowing milk and honey provided by her utopian-

style government—causing hurt for the many, who have to pay for her delusions. A fairy tale that has been going on for over seven decades. It led to nearly twenty trillions of debt for this nation and created an entitlement class, which is endangering the American dream for our children. To hell with self-reliance and personal responsibilities is this modern pied piper's motto. The government will take care of you and plan your future. If you want to wind up living in a mind-numbing political atmosphere and accept handouts forever, please vote for this progressive siren and her party. They will be happy to be your puppet masters! If you agree with the founding fathers of this nation and demand less government and utmost individual freedom, this collection of fairy tales might sway you to reconsider.

The Secret Plot to Make Ted Kennedy President Geoffrey Carroll Shepard 2008 Draws on insider information and previously unpublished documents to contend that Ted Kennedy and his allies prolonged the Watergate scandal in order to undermine the Republican Party and establish Kennedy's presidential candidacy.

For Love of Politics Sally Bedell Smith 2007-10-23 During their eight years in the White House, Bill and Hillary Clinton worked together more closely than the public ever knew. Their intertwined personal and professional lives had far-reaching consequences—for politics, domestic policy, and international affairs—and their marital troubles became a national soap opera. Based on unparalleled access to scores of Clinton insiders—cabinet officers, top administration officials, close personal friends—and skilled analysis of a vast written record, including previously unavailable private papers, *For Love of Politics* is the first book to explain the dynamics of Bill and Hillary's relationship, showing that they are two halves of a unique whole and that it is impossible to understand one Clinton without factoring in the other. Sally Bedell Smith, acclaimed author of *Grace and Power: The Private World of the Kennedy White House*, offers intimate scenes from the Clinton marriage, with new details and insights into how a passion for politics sustained Bill and Hillary through one crisis after another. With clarity and depth, Smith examines the origins of an unconventional copresidency,

explains the impact of the Clintons' tensions as well as their talents, and reveals how Hillary shifted from openly exercising power in the first two years to acting as a "hidden hand," advising her husband on a range of foreign and domestic issues as well as decisions on hiring and firing. Smith describes for the first time the inner workings of a White House with an unprecedented "three forces to be reckoned with"—Bill, Hillary, and Al Gore—and shows how the First Lady's rivalry with the Vice President played out in the West Wing and even more profoundly during the 2000 campaign. As Hillary seeks to follow in her husband's footsteps, this riveting book will leave readers marveling at what they never knew about Bill's intensely covered presidency—and wondering what it would be like to have two presidents, both named Clinton, living in the White House.

Rules for Radicals Saul Alinsky 2010-06-30 "This country's leading hell-raiser" (The Nation) shares his impassioned counsel to young radicals on how to effect constructive social change and know "the difference between being a realistic radical and being a rhetorical one." First published in 1971 and written in the midst of radical political developments whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him, Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition. The Language War Robin Tolmach Lakoff 2000-05-22 The author of "Talking Power" gets to the heart of one of the most fascinating and pressing issues in American society today: who holds power and how they use it, keep it, or lose it. The linguist shows that the struggle for power and status at the end of the century is being played out as a war over language.

The Destruction of Hillary Clinton Susan Bordo 2017-04-04 Gossip is easy. Get to the deeper truth, with this in-depth look at the political forces and media culture that vilified and ultimately brought down Hillary Clinton in the 2016 presidential campaign. *The Destruction of Hillary Clinton* is an answer to the question many have been asking: How did an extraordinarily well-qualified, experienced, and

admired candidate—whose victory would have been as historic as Barack Obama's—come to be seen as a tool of the establishment, a chronic liar, and a talentless politician? In this masterful narrative of the 2016 campaign year and the events that led up to it, Susan Bordo unpacks the Rights' assault on Clinton and her reputation, the way the left provoked suspicion and indifference among the youth vote, the inescapable presence of James Comey, questions about Russian influence, and the media's malpractice in covering the candidate. Urgent, insightful, and engrossing, *The Destruction of Hillary Clinton* is an essential guide to understanding the most controversial presidential election in American history.

Extreme Makeover of Hillary (Rodham) Clinton
Bay Buchanan 2007-05-14 Buchanan, former U.S. treasurer and sister of former presidential nominee Pat Buchanan, takes Hillary Clinton to task in this unapologetically partisan biography. Buchanan outlines how Clinton's personality and character changed after she was elected to the Senate, casting mock sympathy as she goes: "It must be a terrible thing to be as deeply insecure as Hillary. It has made her so incredibly susceptible to the ideas of others." Subsequent chapters criticize the senator's positions on hot-button issues, including healthcare, same-sex partnerships and the war in Iraq. Buchanan backs up many of her points with outside scholarship and Clinton's own interviews and records (both as senator and student).

Living History Hillary Rodham Clinton
2003-06-09 Author of the Instant #1 New York Times Bestseller *What Happened* The Phenomenal #1 Worldwide Bestseller—With a New Afterword Hillary Rodham Clinton is known to hundreds of millions of people around the world. Yet few beyond her close friends and family have ever heard her account of her extraordinary journey. She writes with candor, humor and passion about her upbringing in suburban, middle-class America in the 1950s and her transformation from Goldwater Girl to student activist to controversial First Lady. *Living History* is her revealing memoir of life through the White House years. It is also her chronicle of living history with Bill Clinton, a thirty-year adventure in love and politics that survives personal betrayal, relentless partisan

investigations and constant public scrutiny. Hillary Rodham Clinton came of age during a time of tumultuous social and political change in America. Like many women of her generation, she grew up with choices and opportunities unknown to her mother or grandmother. She charted her own course through unexplored terrain -- responding to the changing times and her own internal compass -- and became an emblem for some and a lightning rod for others. Wife, mother, lawyer, advocate and international icon, she has lived through America's great political wars, from Watergate to Whitewater. The only First Lady to play a major role in shaping domestic legislation, Hillary Rodham Clinton traveled tirelessly around the country to champion health care, expand economic and educational opportunity and promote the needs of children and families, and she crisscrossed the globe on behalf of women's rights, human rights and democracy. She redefined the position of First Lady and helped save the presidency from an unconstitutional, politically motivated impeachment. Intimate, powerful and inspiring, *Living History* captures the essence of one of the most remarkable women of our time and the challenging process by which she came to define herself and find her own voice -- as a woman and as a formidable figure in American politics.

Hillary's Choice Gail Sheehy 2000-02-28 Why does she stay with him? Where does she go from here? The author who revealed a generation's Passages now answers all the questions about the most talked-about First Lady in American history. In *Hillary's Choice*, Hillary Clinton is rendered fully human for the first time. Here is the life of a woman that is also the story of a marriage--and the drama of a presidency. From her childhood with a demanding father and frustrated mother to her life as a professional wife determined to elect her husband president . . . from the sexual betrayals that nearly broke her to the national scandal that remade her . . . this is the epic journey of a modern American woman, a saga that begins in passivity, moves through self-punishment, and ends in power. Who was the one "other woman" who posed a serious threat to their marriage? What was the real reason for the health care failure? How did Hillary escape the snare of Kenneth Starr? How

has she managed, through it all, to be a good mother? No matter what her future, the mysteries about Hillary Clinton's past have been fully resolved by Hillary's Choice, a stunning achievement from a master chronicler of our times.

Clinton, Inc. Daniel Halper 2014-07-25 Weekly Standard editor Daniel Halper provides a meticulously researched account of the brilliant calculations, secret deals, and occasionally treacherous maneuverings that led to the Clintons' return to political prominence. In the twelve years since the Clintons left the White House, they have gone from being virtually penniless to multi-millionaires, and are arguably the most popular politicians in America—respected and feared by Republicans and Democrats alike. But behind that rise is a never-before-told story of strategic cleverness, reckless gambles, and an unquenchable thirst for political power. Investigative reporter Daniel Halper uses a wealth of research, exclusive documents, and detailed interviews with close friends, allies, and enemies of the Clintons to reveal the strategy they used and the deals they made to turn their political fortunes around. *Clinton, Inc.* exposes the relationship between President Obama, the Bush family, and the Clintons—and what it means for the future; how Bill and Hillary are laying the groundwork for the upcoming presidential campaign; how Vice President Biden and other Democrats are trying to maneuver around her; Chelsea's political future; the Clintons' skillful media management; the Clintons' marriage and why it has survived; and an inside look at the Clinton's financial backers and hidden corporate enterprises. *Clinton, Inc.* is the key to understanding America's most powerful political couple. *The Path to Paralysis* Donald G. Nieman 2024-10-15 How did the world's oldest democracy lose its mojo? How did we get to a point where we face existential crises like climate change yet leaders can't agree that there's a problem let alone develop solutions? Political leaders bear some of the responsibility. Newt Gingrich, Sarah Palin and Donald Trump, to name a few, have shattered political norms and transformed our politics into a free-for-all in which personal attacks, appeals to bigotry and fear, disregard for truth, and disdain for

governing have become the norm. But they are more a symptom than the cause. *The Path to Paralysis* examines changes in political culture during the past 60 years – conflict over race, religion and gender; wrenching economic changes and growing concentration of wealth; the end of the Cold War; hardening regional divisions; and dramatic changes in communications – that made Donald Trump possible, if not inevitable. Long in the making, these cross-currents came together in the early 21st century – as the United States experienced the deepest recession since the 1930s and elected its first Black president – to create the perfect storm. The result was toxic and deeply polarised politics that threatened the existence of constitutional government.

A Woman in Charge Carl Bernstein 2007-06-05 The nuanced, definitive biography of one of the most controversial and widely misunderstood figures of our time: the woman running a historic campaign as the 2016 Democratic presidential nominee—Hillary Rodham Clinton. Drawing on hundreds of interviews with colleagues and friends and with unique access to campaign records, Pulitzer Prize-winning journalist and bestselling author Carl Bernstein has given us a book that enables us, at last, to address the questions Americans are insistently—even obsessively—asking: Who is she? What is her character? What is her political philosophy? And, what can we expect from Hillary if we elect her President of the United States?

Provocations Susan Bordo 2015-03-21 The first collection of its kind, *Provocations: A Transnational Reader in the History of Feminist Thought* is historically organized and transnational in scope, highlighting key ideas, transformative moments, and feminist conversations across national and cultural borders. Emphasizing feminist cross-talk, transnational collaborations and influences, and cultural differences in context, this anthology heralds a new approach to studying feminist history. *Provocations* includes engaging, historically significant primary sources by writers of many nationalities in numerous genres—from political manifestos to theoretical and cultural analysis to poetry and fiction. These texts range from those of classical antiquity to

others composed during the Arab Spring and represent Asia, the Middle East, Latin America, Western Europe, and the United States. Each section begins with an introductory essay that presents central ideas and explores connections among readings, placing them in historical, national, and intellectual contexts and concluding with questions for discussion and reflection. Ê

Their Lives Candice E. Jackson 2005 The lives of eight women who crossed romantic paths with Bill Clinton are examined.

"Feeling Your Pain" James Bovard 2015-08-25 James Bovard is no fan of Big Government in the US and under the Clinton-Gore administration. In his new book, Bovard looks at Clinton and Gore's record on such abuses and absurdities as taxes, gun control, the Waco fiasco, AmeriCorps, and federal funding of every program from those dealing with disaster relief to those that put on puppet shows in Northern California. He looks at Hillary Clinton's informal role in the government, as well as Newt Gingrich's poor stewardship of the Republican party in its quest for a leaner federal government. In the style that made *Lost Rights* a classic, Bovard takes us on a sentimental journey through the last eight years. It's a trip no one will want to miss.

Man of the World Joe Conason 2016-09-13 "A rich, believable portrait of a master politician out of office: needy, rivalrous, thin-skinned, proud, hot-tempered." —The New York Review of Books Updated in 2017 and hailed as, "engrossing...detailed and intimate" (Publishers Weekly), veteran political journalist Joe Conason's *Man of the World* brings you along with Bill Clinton, as the forty-second president blazes new paths in his post-presidential career. It is unlike the second career of any other president: "Bill Clinton" is a global brand, rising from the dark days of his White House departure to become one of the most popular names in the world. In his "deeply researched" (The New York Times Book Review) *Man of the World*, Joe Conason describes how that happened, examining Clinton's achievements, his failures, his motivations, and his civilian life. He explains why Clinton's ambitions for the world continue to inspire (and infuriate). Conason, who has covered Clinton for twenty years, interviewed him many times for this book—as well as Hillary

and Chelsea and many of his friends, aides, rivals, and supporters. He has travelled with Clinton to Africa, Haiti, Israel, and across America. Conason's "often absorbing chronicle captures the energy and charisma of the former president as he...finds a mission in his philanthropic work in Africa, Asia, and elsewhere" (Kirkus Reviews). *Man of the World*—starring the one and only Bill Clinton—tells the engrossing story of an extraordinary man who is still seeking to do good in the world.

Hillary Clinton Cheryl Harness 2016-07-26 A biography of 2016 Presidential candidate, US Senator, US Secretary of State, and former first lady Hillary Clinton. A Real-Life Story biography of 2016 presidential candidate, Hillary Rodham Clinton. With dreams of becoming an astronaut at a young age, Hillary Clinton has always reached for the stars, politically, personally, and professionally. She's led a life devoted to public service, championing the rights of children, women, the disenfranchised. Wellesley, Yale, First Lady of Arkansas, Law firm partner, First Lady of the United States, New York State Senator, Secretary of State...her list of accomplishments is nothing short of extraordinary; her life story as told by acclaimed writer Cheryl Harness, is powerfully inspiring.

Blinded by the Right David Brock 2003-02-25 In a powerful and deeply personal memoir David Brock, the original right-wing scandal reporter, chronicles his rise to the pinnacle of the conservative movement and his painful break with it. David Brock pilloried Anita Hill in a bestseller. His reporting in *The American Spectator* as part of the infamous "Arkansas Project" triggered the course of events that led to the historic impeachment trial of President Clinton. Brock was at the center of the right-wing dirty tricks operation of the Gingrich era—and a true believer—until he could no longer deny that the political force he was advancing was built on little more than lies, hate, and hypocrisy. In *Blinded By the Right*, Brock, who came out of the closet at the height of his conservative renown, tells his riveting story from the beginning, giving us the first insider's view of what Hillary Rodham Clinton called "the vast right-wing conspiracy." Whether dealing with the right-wing press, the richly

endowed think tanks, Republican political operatives, or the Paula Jones case, Brock names names from Clarence Thomas on down, uncovers hidden links, and demonstrates how the Republican Right's zeal for power created the poisonous political climate that culminated in George W. Bush's election. With a new afterword by the author, *Blinded By the Right* is a classic political memoir of our times.

Shattered Jonathan Allen 2018-05-01 #1 NEW YORK TIMES BESTSELLER It was never supposed to be this close. And of course she was supposed to win. How Hillary Clinton lost the 2016 election to Donald Trump is the riveting story of a sure thing gone off the rails. For every Comey revelation or hindsight acknowledgment about the electorate, no explanation of defeat can begin with anything other than the core problem of Hillary's campaign--the candidate herself. Through deep access to insiders from the top to the bottom of the campaign, political writers Jonathan Allen and Amie Parnes have reconstructed the key decisions and unseized opportunities, the well-intentioned misfires and the hidden thorns that turned a winnable contest into a devastating loss. Drawing on the authors' deep knowledge of Hillary from their previous book, the acclaimed biography *HRC*, *Shattered* offers an object lesson in how Hillary herself made victory an uphill battle, how her difficulty articulating a vision irreparably hobbled her impact with voters, and how the campaign failed to internalize the lessons of populist fury from the hard-fought primary against Bernie Sanders. Moving blow-by-blow from the campaign's difficult birth through the bewildering terror of election night, *Shattered* tells an unforgettable story with urgent lessons both political and personal, filled with revelations that will change the way readers understand just what happened to America on November 8, 2016.

The Method to the Madness Allen Salkin 2019-07-09 A Rosetta Stone for understanding Donald Trump's style, mindset, and every action, made up of over one hundred interviews with his closest associates and adversaries over the last 15 years. To his critics, Donald Trump is an impulsive, undisciplined crackpot who accidentally lucked into the presidency. But in *The Method to the Madness*, reporters Allen Salkin and Aaron Short reveal that nothing could

be further from the truth. This objective, nonpartisan oral history shows that Trump had carefully planned his bid for the presidency since he launched what many considered to be a joke candidacy in 1999. Between 2000 and 2015, when he announced his candidacy in the lobby of Trump Tower, he was able to identify an unserved political constituency, hone a persuasive message that appealed to their needs, and deliver it effectively, despite intense media opposition. Through candid conversations with more than 100 subjects close to the President, Salkin and Short make the case that Donald Trump's ostensibly erratic approach to politics is consistent with his carefully honed personal and professional style of information gathering, opinion seed-planting, and conclusion sharing. His business, media, and political dealings from this era serve as a guide for understanding the man, his mindset, and his every action. *The Method to the Madness* is an accessible and unbiased oral history that brings readers into the private rooms where decisions are made, confidences are broken, strong words fly, and not all eye-witnesses see the same scene in quite the same way. Full of scoops both large and small, this is the first book to bring Trump, the politician, into focus.

Hillary Dolly Kyle 2016 The author, a childhood friend of Hillary Clinton's husband Billy, talks about Hillary Clinton's political career and why she thinks a second Clinton presidency would be a disaster.

A Woman In Charge Carl Bernstein 2013-03-15 *A Woman in Charge* reveals the true trajectory of Hillary's astonishing life and career. From a staunchly Republican household and apparently idyllic Midwestern girlhood - her disciplinarian father here revealed as harsher than she has acknowledged - we see the shaping of a brilliant girl whose curiosity was fuelled by the ferment of the 1960s and a desire to change the world. During her student years, she was already perceived as a spokeswoman for her generation. Then, at Yale Law School, she met and fell in love with Bill Clinton, cancelling her own dreams to tie her fortunes to his. Bernstein clarifies the often amazing dynamic of their marriage, charting both her political acumen and her blind spots, and untangling her relationship to the great controversies of Whitewater, Troopergate

and Travelgate. And then, in the emotional and political chaos of the Lewinsky affair we see Hillary standing by her husband - evoking a rising wave of sympathy from a public previously cool to her and in effect, Bernstein argues, saving his presidency. It helps carry her into the Senate: her time has come. As she decides to run for President, this self-described 'mind-conservative and heart liberal' has one more chance to fulfill her long-deferred ambitions. Bernstein has interviewed some 200 of her colleagues, friends and enemies and was given unique access to the candid record of the 1992 presidential campaign kept by Hillary's best friend, Diane Blair. Marshalling all the skills and energy that propelled his history-making Pulitzer prize-winning coverage of Watergate, he gives us a detailed, sophisticated, comprehensive and revealing account of the complex human being and political meteor who has already helped define one presidency and may well become the woman in charge of another.

Affairs of State Robert P. Watson 2012 In recent years, Arnold Schwarzenegger, Eliot Spitzer, John Edwards, Newt Gingrich, Herman Cain, and countless other politicians have made headlines for their sexual scandals. But such stories are not new. Indeed, there is a long history of misbehavior in politics, including in the nation's highest office. Bill Clinton, it can safely be said, was not the first president to misbehave, nor was he the worst. In fact, there is a long history of presidential peccadilloes. Many presidents have been influenced and had their careers affected by the hand of a woman, sometimes that of a wife or mother, but at other times that of a mistress. But these stories are rarely told. Instead, history has tended to glorify our leaders. Such a scrubbed version of the lives of presidents, however, omits their marital woes, love lives, and sexual peccadilloes. As Robert P. Watson reveals, it is precisely these intimate and all-too-human moments that provide some of the most valuable insights into our leaders. *Affairs of State* is not just about sex and scandal--the "who did it" of history--although such incidents are described in detail. It is a book about love, marriage, and affairs in the White House, offering an intimate character study of the First Couples who made history. To see the author discuss his book on Inside South Florida, please

click here. To see him discuss the book on C-SPAN, please click here.

In the Trenches John Adams 2012 It is the summer of 1939 in England when soldiers start digging trenches in a local park. Suddenly, seven-year-old John Adams is forced to face a new reality. He and his school are abruptly evacuated to an unknown destination. Two days later, war is declared. As the sky lights up with searchlights and German bombing raids increase, Adams' natural instincts to dig for the real story kick in--beginning what would eventually become a remarkable journey as a journalist. By fourteen, Adams had published his first article in a major national paper, Britain's *Daily Mirror*. At nineteen, he was fighting in the Korean War. He became a military reporter for London's *Daily Telegraph* and battled against communist propaganda during the Cold War as a correspondent and news director of Radio Free Europe. He offers an unforgettable glimpse into the fascinating world of news, including insights into what it was like to interact with such disparate public figures as the Duke of Wellington, Otto von Habsburg, Edward R. Murrow and Walter Cronkite. *In the Trenches* explores one man's experiences, perspectives, and memories as he witnesses extraordinary times in history through the ever-curious eyes of a reporter. "Adams saw it all with his own eyes, heard it with his own ears. He lived it." -Andrew Alexander, former Ombudsman, the Washington Post, and Washington bureau chief, Cox Newspapers

The Clinton Wars Sidney Blumenthal 2003-05-23 An invaluable history of an extraordinary presidency, and the chronicle of a generation's political odyssey When in 1997 Bill Clinton appointed Sidney Blumenthal as a senior advisor, the former writer was catapulted into the front lines of the Clinton wars. From his first day in the White House until long after his appearance as the only presidential aide ever to testify in an impeachment trial, Blumenthal acted in or witnessed nearly all the battles of the Clinton years. This major book--part history, part memoir--is the first inside account we have of the presidency of William Jefferson Clinton. *The Clinton Wars* begins in 1987, when Blumenthal first met Bill and Hillary Clinton. His chronicle of Clinton's first presidential campaign

and first term draws on his experiences as confidant to both the President and the First Lady, and is enriched with previously unpublished revelations about both. This remarkable personal interpretation goes far in explaining the polarizing nature of Clinton's presence on the national scene. The narrative of Clinton's second term is even more dramatic. Blumenthal takes special note of the battle that was waged within the media between the President's detractors and defenders, which he expands into a vivid picture of Washington society torn apart by warring factions. But he does not neglect the wars fought on other fronts—in Kosovo, against Congress, and for economic prosperity. His remarkable book ends with the inside story of the fight to elect Al Gore in 2000 and extend the legacy of the Clinton-Gore Administration. Every page of this unrivaled, authoritative book, with its intimate insights into Clinton's personality and politics, attests to Blumenthal's literary skill, profound understanding of politics, and unique perspective on crucial events of our recent past. *The Clinton Wars* is a lasting contribution to American history.

The Seduction of Hillary Rodham David Brock 1998-02-02 Profiles the political life of Hilary Rodham Clinton and discusses her role in her husband's government career in Arkansas, her involvement in his presidency, her family life, and other related topics.

Hillary The Politics Of Personal Destruction

Welcome to sp.athena-security.com, your go-to destination for a vast collection of **Hillary The Politics Of Personal Destruction** PDF eBooks. We are passionate about making the world of literature accessible to everyone, and our platform is designed to provide you with a seamless and enjoyable for Hillary The Politics Of Personal Destruction eBook downloading experience.

At sp.athena-security.com, our mission is simple: to democratize knowledge and foster a love for reading Hillary The Politics Of Personal

Destruction. We believe that everyone should have access to Hillary The Politics Of Personal Destruction eBooks, spanning various genres, topics, and interests. By offering Hillary The Politics Of Personal Destruction and a rich collection of PDF eBooks, we aim to empower readers to explore, learn, and immerse themselves in the world of literature.

In the vast expanse of digital literature, finding Hillary The Politics Of Personal Destruction sanctuary that delivers on both content and user experience is akin to discovering a hidden gem. Enter sp.athena-security.com, Hillary The Politics Of Personal Destruction PDF eBook download haven that beckons readers into a world of literary wonders. In this Hillary The Politics Of Personal Destruction review, we will delve into the intricacies of the platform, exploring its features, content diversity, user interface, and the overall reading experience it promises.

At the heart of sp.athena-security.com lies a diverse collection that spans genres, catering to the voracious appetite of every reader. From classic novels that have withstood the test of time to contemporary page-turners, the library pulsates with life. The Hillary The Politics Of Personal Destruction of content is evident, offering a dynamic range of PDF eBooks that oscillate between profound narratives and quick literary escapes.

One of the defining features of Hillary The Politics Of Personal Destruction is the orchestration of genres, creating a symphony of reading choices. As you navigate through the Hillary The Politics Of Personal Destruction, you will encounter the perplexity of options — from the structured complexity of science fiction to the rhythmic simplicity of romance. This diversity ensures that every reader, irrespective of their literary taste, finds Hillary The Politics Of Personal Destruction within the digital shelves.

In the realm of digital literature, burstiness is not just about variety but also the joy of discovery. Hillary The Politics Of Personal Destruction excels in this dance of discoveries. Regular updates ensure that the content

landscape is ever-changing, introducing readers to new authors, genres, and perspectives. The unpredictable flow of literary treasures mirrors the burstiness that defines human expression.

An aesthetically pleasing and user-friendly interface serves as the canvas upon which Hillary The Politics Of Personal Destruction paints its literary masterpiece. The website's design is a testament to the thoughtful curation of content, offering an experience that is both visually appealing and functionally intuitive. The bursts of color and images harmonize with the perplexity of literary choices, creating a seamless journey for every visitor.

The download process on Hillary The Politics Of Personal Destruction is a symphony of efficiency. The user is greeted with a straightforward pathway to their chosen eBook. The burstiness in the download speed ensures that the literary delight is almost instantaneous. This seamless process aligns with the human desire for swift and uncomplicated access to the treasures held within the digital library.

A key aspect that distinguishes sp.athena-security.com is its commitment to responsible eBook distribution. The platform adheres strictly to copyright laws, ensuring that every download of Hillary The Politics Of Personal Destruction is a legal and ethical endeavor. This commitment adds a layer of ethical perplexity, resonating with the conscientious reader who values the integrity of literary creation.

sp.athena-security.com doesn't just offer Hillary The Politics Of Personal Destruction; it fosters a community of readers. The platform provides space for users to connect, share their literary explorations, and recommend hidden gems. This interactivity adds a burst of social connection to the reading experience, elevating it beyond a solitary pursuit.

In the grand tapestry of digital literature, sp.athena-security.com stands as a vibrant thread that weaves perplexity and burstiness into the reading journey. From the nuanced dance of genres to the swift strokes of the download process, every aspect resonates with the dynamic nature of human expression. Its not

just a Hillary The Politics Of Personal Destruction eBook download website; it's a digital oasis where literature thrives, and readers embark on a journey filled with delightful surprises.

Hillary The Politics Of Personal Destruction

We take pride in curating an extensive library of Hillary The Politics Of Personal Destruction PDF eBooks, carefully selected to cater to a broad audience. Whether you're a fan of classic literature, contemporary fiction, or specialized non-fiction, you'll find something that captivates your imagination.

User-Friendly Platform

Navigating our website is a breeze. We've designed the user interface with you in mind, ensuring that you can effortlessly discover Hillary The Politics Of Personal Destruction and download Hillary The Politics Of Personal Destruction eBooks. Our search and categorization features are intuitive, making it easy for you to find Hillary The Politics Of Personal Destruction.

Legal and Ethical Standards

sp.athena-security.com is committed to upholding legal and ethical standards in the world of digital literature. We prioritize the distribution of Hillary The Politics Of Personal Destruction that are either in the public domain, licensed for free distribution, or provided by authors and publishers with the right to share their work. We actively discourage the distribution of copyrighted material without proper authorization.

Quality: Each eBook in our collection is carefully vetted to ensure a high standard of quality. We want your reading experience to be enjoyable and free of formatting issues.

Variety: We regularly update our library to bring you the latest releases, timeless classics, and hidden gems across genres. There's always something new to discover.

Community Engagement: We value our community of readers. Connect with us on social media, share your favorite reads, and be part of a growing community passionate about literature.

Join Us on the Reading Hillary The Politics Of Personal Destruction

Whether youre an avid reader, a student looking for study materials, or someone exploring the world of eBooks for the first time, sp.athena-security.com is here to cater to Hillary The Politics Of Personal Destruction. Join us on this reading journey, and let the pages of our eBooks

transport you to new worlds, ideas, and experiences.

We understand the thrill of discovering something new. Thats why we regularly update our library, ensuring you have access to Hillary The Politics Of Personal Destruction, celebrated authors, and hidden literary treasures. With each visit, anticipate fresh possibilities for your reading Hillary The Politics Of Personal Destruction.

Thank you for choosing sp.athena-security.com as your trusted source for PDF eBook downloads. Happy reading Hillary The Politics Of Personal Destruction.
