Doctrine of the Lord Emanuel Swedenborg 2021-06-07 UNIVERSAL HOLY SCRIPTURE TREATS OF THE LORD: THE LORD IS THE WORD. We read in John: In the beginning was the Word, and the Word was with God, and God was the Word. The same was in the beginning with God. All things were made by Him, and without Him was not anything made that was made. In Him was life, and the life was the light of men. And the light shineth in the darkness, and the darkness comprehended it not (John 1:1-5). The Word was made flesh, and dwelt among us, and we beheld His glory, the glory as of the Only-begotten of the Father, full of grace and truth (John 1:14). The light is come into the world and men loved the darkness rather than the light, because their deeds were evil (John 3:19). While ye have the light, believe in the light, that ye may be sons of light. I am come a light into the world, that whosoever believeth in Me should not abide in the darkness (John 12:36, 46). From these passages it is evident that the Lord is God from eternity, and that this God is the selfsame Lord who was born in the world; for it is said that the Word was with God, and God was the Word, and also that without Him was not anything made that was made; and it is added that the Word was made flesh, and they beheld Him. It is but little understood in the church why the Lord is called the Word. It is because "the Word" signifies Divine truth or Divine wisdom, and the Lord is Divine truth itself or Divine wisdom itself. And this is why He is called the Light, of which also it is said that it came into the world. As the Divine wisdom and the Divine love make a one, 1-1 and in the Lord had been a one from eternity, it is said, "In Him was life, and the life was the light of men." "Life" is Divine love; and "light" is Divine wisdom. It is this one that is meant by, "In the beginning the Word was with God, and God was the Word." "With God," is in God; for wisdom is in love, and love in wisdom. So in another place in John: And now, O Father, glorify Thou Me with Thine own Self, with the glory which I had with Thee before the world was (John 17:5). "With Thine own Self," is in Thyself, and therefore it is said, "and God was the Word;" and elsewhere, that the Lord is in the Father, and the Father in Him; and that He and the Father are one. As therefore the Word is the Divine wisdom of the Divine love, it follows that it is Jehovah Himself, thus the Lord by whom all things were made that are made; for all things have been created from Divine love by means of Divine wisdom.

A Hunger for God John Piper 2013-04-23 There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

The Seven Longings of the Human Heart Mike Bickle 2006-07 God has placed deep longings in the heart of every human being, longings for beauty, greatness, fascination, intimacy, to be enjoyed, to be wholehearted, to make a lasting impact. Many of us have been taught to deny these longings. We've been told they are not of God. But the problem is not the longings--they are given of God and cannot be denied. Problems arise when we attempt to fulfill godly legitimate longings in ungodly, wrong ways. Only God can fulfill the longings He has given us. When we realize that our longings are godly and that God wants to fulfill them, we find freedom and joy. We experience intimacy with God in ways we never thought possible.

All the Feels Elizabeth Laing Thompson 2020-09-08 "All the Feels could turn your 2020 around!" —Crosswalk.com Emotions—love them or hate them, we've all got them. And we've all got to figure out what to do with them. But wait—can we do anything about our emotions? Can we learn how to identify, express, experience—and yes, sometimes wrangle—our feelings in order to live a vibrant, healthy, fruitful life for Jesus? In *All the Feels*, author Elizabeth Laing Thompson uses her experiences as a big feeler to encourage and equip different kinds of feelers with the biblical perspectives, practical tools, and scriptural reservoir they need. As a woman who has lived every day of her life having All The Big Feelings All The Day Long, Elizabeth knows what it's like to live life through our emotions—and how important it is to understand, take control of, and grow from those emotions. Whether you have a sensitive soul with more feelings than you know how to name, a logical personality that doesn't quite know what to do with feelings, or a steady flow of emotions somewhere in the middle, *All the Feels* will help you discover your own God-designed "feelings style" and how it impacts your life and relationships, distinguish fact from feeling and figure out which feelings you can trust, and understand which emotional gifts God wants you to expand, explore, and enjoy. Get ready to throw open the doors of your heart, bringing God to your emotions and your emotions to God—the One who invented feelings and who always welcomes yours.

Free to Be Holy Jerry Wragg 2019-02-05 Reformed theology has made a welcome return to the church. With its resurgent emphasis on justification, unfortunately, has come confusion over the biblical pattern of sanctification. Rather than turning to the plain biblical language of faith, humility, and obedience, many are turning inward and measuring genuine love and obedience by their emotional experiences. Affection for God-submissive love rooted in humble faith-is being defined almost exclusively as emotional sensations of joy. In a culture driven by feelings, obeying out of duty is derided as legalism, and striving to be holy is considered a work of the Law. Many in the church are wondering, "Am I really obeying if I don't feel like it?" None of us desire to become the hypocrites Jesus warned of in Matthew 15:8, "This people honors Me with their lips, but their heart is far away from Me." Influential leaders in the church today aren't helping when they challenge believers to cease all striving and simply reflect on the fact of their justification. In this book, Jerry Wragg and Paul Shirley call us back to Scripture's manifest blueprint for becoming conformed to the image of Christ. With balance and warm-hearted clarity, they demonstrate that God's grace empowers us for every good deed. They show us that our justification doesn't liberate us from being diligent in our efforts to trust and obey, but rather it gives us power to withstand temptation and walk with the Lord in victory. Because of grace, we are under obligation to the Word of God and now have resurrection power flowing through our spiritual veins, strengthening every discipline of grace and growing fruit that remains forever. Through faith-filled submission of our will to the Word of God, we "work out [our] salvation," knowing "it is God who is at work in [us], both to will and to work for His good pleasure" (Phil 2:13).

Theology & Sanity Frank J. Sheed 1978-01-11 Frank Sheed has revised

and updated his masterpiece. Theology and Sanity in its new form retains all the fire and clarity of the original, is still profoundly committed to - and itself a fine example of - the rationality of Christian faith; but now takes full account of the many changes which have taken place in the Church in the thirty-five years since the first edition was published.

Holiness by Grace Bryan Chapell 2003-02-10 "Be Holy, because I am holy." -1 Peter 1:16 How can God expect us to be as holy as he is? Isn't it unrealistic, given that he is infinitely pure and we are clearly imperfect? Such a standard seems either to ignore our frailty or to impose certain failure-until we understand how God views us. Then we are reminded that, thanks to what Christ accomplished on our behalf, our perfection is not the requirement for entering his kingdom. Yet that very grace still calls us to live righteously—for the sake of our well-being, yes, but most of all, because it glorifies God. In this challenging yet heartwarming work, Bryan Chapell illustrates the principles of grace, the practices of faith, and the motives of love in living a life of holiness. You will journey through reassuring Scripture passages that show good works and obedience to be, not a means of establishing or maintaining salvation, but a grateful response to God's mercy. And in Bryan Chapell's encouraging words—drawn straight from the heart of God—you will understand that your holiness is not so much a matter of what you achieve as it is the grace that God provides. A grace so rich as to make the pursuit of his holiness your soul's deepest delight.

This Hebrew Lord John Shelby Spong 2014-07-08 From the bestselling author of *Rescuing the Bible from Fundamentalism*: John Shelby Spong's original groundbreaking classic, now newly revised, reveals the Jesus "behind the language of myth, magic, and superstition." "In this study I found a Lord, a center for my being. Behind the supernatural framework of the first century . . . I discovered a life I wanted to know; a life that possessed a power I wanted to possess; a freedom, a wholeness for which I had yearned for years." Illuminating the "figure who stands at the center of all the Christina Church is," John Shelby Spong explores Jesus under the light of the Hebrew tradition into which he was born. Candid, personal, and soundly argued, this is Spong's spiritual and intellectual pilgrimage to the Christ he discovered in Jesus of Nazareth.

The Dawning of Indestructible Joy John Piper 2014-08-05 Advent is for adoring Jesus. The Christmas season is one of the busiest times of year. But it's also a season of reflection and preparation for that special day when we mark Immanuel's coming—the arrival of our eternal God in our own frail humanity. This is the greatest of history's many wonders, something too stupendous to celebrate just on one day. Advent is a way of lengthening and intensifying the joy of Christmas. These 25 brief devotional readings from John Piper begin on December 1 and carry us to Christmas Day. Our hope is that God would use these meditations to deepen and sweeten your adoration of Jesus and help you keep him at the center of your Christmas season.

Each for the Other Bryan Chapell 2006-08-01 Marriage requires not just love, but sacrificial love, says Bryan Chapell. In his newly revised and updated book, *Each for the Other*, he shows married couples how to emulate the unselfish, sacrificial love of Christ. While imparting invaluable instruction grounded in Scripture, Chapell not only helps husbands and wives understand the nature of God's care but also affirms the importance of building a spiritual foundation that binds them together as one. By presenting a biblical model of marriage, Chapell encourages couples to dive into the deeper dimensions of their relationship. The result, he says, is a Christ-centered marriage and a grace-filled family. Refreshing and honest, *Each for the Other* is a perfect guide to show spouses, engaged couples, and marriage counselors what marriage is meant to be.

Unlimited Grace Bryan Chapell 2016-10-13 How God's Unlimited Grace Leads Us to Heartfelt Obedience What if obeying God is not just dreary duty—going through the motions to avoid God's wrath or earn his favor? The Office and Work of the Holy Spirit James Buchanan 2016-01-28

"James Buchanan belonged to the bright galaxy of theologians who graced the early days of the Free Church of Scotland. His brilliant and uniquely conceived treatment of the Holy Spirit expounds his Ministry first biblically and theologically, then in a series of biographical studies, and finally systematically in the life of the Christian. Buchanan superbly combines the reliable with the readable, the doctrinal with the practical, the theological with the devotional. 'The Office and Work of the Holy Spirit' is a classic work on the Holy Spirit and a master class in theology." - Sinclair Ferguson

Praying Backwards Bryan Chapell 2005-07-01 Christians often say, "In Jesus' name" to close their prayers. But is this truly a desire of the heart or a perfunctory "Yours Truly" to God? Bryan Chapell says we should begin our prayers in Jesus' name—we should be Praying Backwards. In this practical and inspiring book, he shows readers that to truly pray in Jesus' name is to reorder one's priorities in prayer—and in life—away from oneself and towards Jesus and his kingdom. It is to pray believing in the power and the goodness of the One who hears, and thus to pray boldly, expectantly, and persistently. Readers seeking to transform their prayer lives will find wonderful direction in Praying Backwards.

This Momentary Marriage John Piper 2009-04-03 Reflecting on forty years of matrimony, John Piper exalts the biblical meaning of marriage over its emotion, exhorting couples to keep their covenant for all the best reasons. Even in the days when people commonly stayed married "til death do us part," there has never been a generation whose view of marriage was high enough, says Pastor John Piper. That is all the more true in our casual times. Though personal selfishness and cultural bondage obstruct the wonder of God's purpose, it is found in God's Word, where his design can awaken a glorious vision capable of freeing every person from small, Christ-ignoring, romance-intoxicated views. As Piper explains in reflecting on forty years of matrimony: "Most foundationally, marriage is the doing of God. And ultimately, marriage is the display of God. It displays the covenant-keeping love between Christ and his people to the world in a way that no other event or institution does. Marriage, therefore, is not mainly about being in love. It's mainly about telling the truth with our lives. And staying married is not about staying in love. It is about keeping covenant and putting the glory of Christ's covenant-keeping love on display." This Momentary Marriage unpacks the biblical vision, its unexpected contours, and its weighty implications for married, single, divorced, and remarried alike.

A Theology of Liberation Gustavo Guti rrez 1988-01-01 This is the credo and seminal text of the movement which was later characterized as liberation theology. The book burst upon the scene in the early seventies, and was swiftly acknowledged as a pioneering and prophetic approach to theology which famously made an option for the poor, placing the exploited, the alienated, and the economically wretched at the centre of a programme where "the oppressed and maimed and blind and lame" were prioritized at the expense of those who either maintained the status quo or who abused the structures of power for their own ends. This powerful, compassionate and radical book attracted criticism for daring to mix politics and religion in so explicit a manner, but was also welcomed by those who had the capacity to see that its agenda was nothing more nor less than to give "good news to the poor", and redeem God's people from bondage.

The Christian Invention of Time Simon Goldhill 2022-02-03 Time is integral to human culture. Over the last two centuries people's relationship with time has been transformed through industrialisation, trade and technology. But the first such life-changing transformation – under Christianity's influence – happened in late antiquity. It was then that time began to be conceptualised in new ways, with discussion of eternity, life after death and the end of days. Individuals also began to

experience time differently: from the seven-day week to the order of daily prayer and the festal calendar of Christmas and Easter. With trademark flair and versatility, world-renowned classicist Simon Goldhill uncovers this change in thinking. He explores how it took shape in the literary writing of late antiquity and how it resonates even today. His bold new cultural history will appeal to scholars and students of classics, cultural history, literary studies, and early Christianity alike.
