

# Honor Killing How The Infamous Massie Affair Transformed Hawaii

Waterman David Davis 2015-10-01 Waterman is the first comprehensive biography of Duke Kahanamoku (1890-1968): swimmer, surfer, Olympic gold medalist, Hawaiian icon, waterman. Long before Michael Phelps and Mark Spitz made their splashes in the pool, Kahanamoku emerged from the backwaters of Waikiki to become America's first superstar Olympic swimmer. The original "human fish" set dozens of world records and topped the world rankings for more than a decade; his rivalry with Johnny Weissmuller transformed competitive swimming from an insignificant sideshow into a headliner event. Kahanamoku used his Olympic renown to introduce the sport of "surf-riding," an activity unknown beyond the Hawaiian Islands, to the world. Standing proudly on his traditional wooden longboard, he spread surfing from Australia to the Hollywood crowd in California to New Jersey. No American athlete has influenced two sports as profoundly as Kahanamoku did, and yet he remains an enigmatic and underappreciated figure: a dark-skinned Pacific Islander who encountered and overcame racism and ignorance long before the likes of Joe Louis, Jesse Owens, and Jackie Robinson. Kahanamoku's connection to his homeland was equally important. He was born when Hawaii was an independent kingdom; he served as the sheriff of Honolulu during Pearl Harbor and World War II and as a globetrotting "Ambassador of Aloha" afterward; he died not long after Hawaii attained statehood. As one sportswriter put it, Duke was "Babe Ruth and Jack Dempsey combined down here." In Waterman, award-winning journalist David Davis examines the remarkable life of Duke Kahanamoku, in and out of the water. Purchase the audio edition.

**Unsustainable Empire** Dean Itsuji Saranillio 2018-11-15 In *Unsustainable Empire* Dean Itsuji Saranillio offers a bold challenge to conventional understandings of Hawai'i's admission as a U.S. state. Hawai'i statehood is popularly remembered as a civil rights victory against

racist claims that Hawai'i was undeserving of statehood because it was a largely non-white territory. Yet Native Hawaiian opposition to statehood has been all but forgotten. Saranillio tracks these disparate stories by marshaling a variety of unexpected genres and archives: exhibits at world's fairs, political cartoons, propaganda films, a multimillion-dollar hoax on Hawai'i's tourism industry, water struggles, and stories of hauntings, among others. Saranillio shows that statehood was neither the expansion of U.S. democracy nor a strong nation swallowing a weak and feeble island nation, but the result of a U.S. nation whose economy was unsustainable without enacting a more aggressive policy of imperialism. With clarity and persuasive force about historically and ethically complex issues, *Unsustainable Empire* provides a more complicated understanding of Hawai'i's admission as the fiftieth state and why Native Hawaiian place-based alternatives to U.S. empire are urgently needed.

**Local Story** John P. Rosa 2014-08-31 The Massie-Kahahawai case of 1931-1932 shook the Territory of Hawai'i to its very core. Thalia Massie, a young Navy wife, alleged that she had been kidnapped and raped by "some Hawaiian boys" in Waikiki. A few days later, five young men stood accused of her rape. Mishandling of evidence and contradictory testimony led to a mistrial, but before a second trial could be convened, one of the accused, Horace Ida, was kidnapped and beaten by a group of Navy men and a second, Joseph Kahahawai, lay dead from a gunshot wound. Thalia's husband, Thomas Massie; her mother, Grace Fortescue; and two Navy men were convicted of the lesser charge of manslaughter, despite witnesses who saw them kidnap Kahahawai and the later discovery of his body in Massie's car. Under pressure from Congress and the Navy, territorial governor Lawrence McCully Judd commuted their sentences. After spending only an hour in the governor's office at 'Iolani Palace, the four were set free. *Local Story* is a close examination of how Native Hawaiians, Asian immigrants, and

others responded to challenges posed by the military and federal government during the case's investigation and aftermath. In addition to providing a concise account of events as they unfolded, the book shows how this historical narrative has been told and retold in later decades to affirm a local identity among descendants of working-class Native Hawaiians, Asians, and others—in fact, this understanding of the term “local” in the islands dates from the Massie-Kahahawai case. It looks at the racial and sexual tensions in pre-World War II Hawai'i that kept local men and white women apart and at the uneasy relationship between federal and military officials and territorial administrators. Lastly, it examines the revival of interest in the case in the last few decades: true crime accounts, a fictionalized TV mini-series, and, most recently, a play and a documentary—all spurring the formation of new collective memories about the Massie-Kahahawai case.

Crimes of the Centuries Steven Chermak Ph.D. 2016-01-25 This multivolume resource is the most extensive reference of its kind, offering a comprehensive summary of the misdeeds, perpetrators, and victims involved in the most memorable crime events in American history. This unique reference features the most famous crimes and trials in the United States since colonial times. Three comprehensive volumes focus on the most notorious and historically significant crimes that have influenced America's justice system, including the life and wrongdoing of Lizzie Borden, the bombing of the Sixteenth Street Baptist Church, the killing spree and execution of Ted Bundy, and the Columbine High School shootings. Organized by case, the work includes a chronology of major unlawful deeds, fascinating primary source documents, dozens of sidebars with case trivia and little-known facts, and an overview of crimes that have shaped criminal justice in the United States over several centuries. Each of the 500 entries provides information about the crime, the perpetrators, and those affected by the misconduct, along with a short bibliography to extend learning opportunities. The set addresses a breadth of famous trials across American history, including the Salem witch trials, the conviction of Sacco and Vanzetti, and the prosecution of O. J. Simpson.

**The Hawaii Novels** Alan Brennert 2015-12-15 Alan Brennert's novels set in Hawai'i are spellbinding. A "master of historical fiction" (San Francisco Chronicle), Brennert's storytelling is brimming with warmth, humor, compassion, and vividly realized characters. Moloka'i Rachel Kalama, a spirited seven-year-old Hawaiian girl, dreams of visiting far-off land like her father, a merchant seaman. Then one day a rose-colored mark appears on her skin, and those dreams are stolen from her. Taken from her home and family, Rachel is sent to Kalaupapa, the quarantined leprosy settlement on the island of Moloka'i. Here her life is supposed to end—but instead she discovers it is just beginning.

Honolulu Traveling to Hawaii as a "picture bride" in 1914, Regret finds not the affluent young husband and chance at education she'd been promised, but a poor embittered laborer who takes his frustrations out on his new wife. As she makes her own way in this strange land, with the help of three fellow picture brides, she prospers along with her adopted city. But paradise has its dark side, whether it's the struggle for survival in Honolulu's tenements or a crime that will become the most infamous in the island's history.

Honor Killing David E. Stannard 2006-05-02 In the fall of 1931, Thalia Massie, the bored, aristocratic wife of a young naval officer stationed in Honolulu, accused six nonwhite islanders of gang rape. The ensuing trial let loose a storm of racial and sexual hysteria, but the case against the suspects was scant and the trial ended in a hung jury. Outraged, Thalia's socialite mother arranged the kidnapping and murder of one of the suspects. In the spectacularly publicized trial that followed, Clarence Darrow came to Hawai'i to defend Thalia's mother, a sorry epitaph to a noble career. It is one of the most sensational criminal cases in American history, Stannard has rendered more than a lurid tale. One hundred and fifty years of oppression came to a head in those sweltering courtrooms. In the face of overwhelming intimidation from a cabal of corrupt military leaders and businessmen, various people involved with the case—the judge, the defense team, the jurors, a newspaper editor, and the accused themselves—refused to be cowed. Their moral courage united the

disparate elements of the non-white community and galvanized Hawai'i's rapid transformation from an oppressive white-run oligarchy to the harmonic, multicultural American state it became. Honor Killing is a great true crime story worthy of Dominick Dunne—both a sensational read and an important work of social history

**The Old Devil** Donald McRae 2009-06-01

Clarence Darrow was one of the most legendary and influential trial lawyers the world has ever seen. Famous for his ability to turn seemingly unwinnable cases his way through his oratory and his uncanny skill at reading the mood of a jury, he was a man whose work inspired impassioned campaigns against the death penalty as well as lavish Hollywood movies. But, despite his success, he also had a troubled life outside the court, and some of his most famous cases came after he himself had been put on trial. Now award-winning writer Donald McRae revisits the three greatest trials which secured Darrow's near-mythic reputation and brings them vividly to life. The public themes which Darrow confronted still resonate powerfully today: sex and murder, religion and science, racism, the media and the law. Written with great intimacy, drama and immediacy, this is a sweeping story which offers piercing insight into one of the most towering and controversial personalities of the twentieth century.

The Hawaiian Journal of History 2006

**The First Strange Place** Beth L. Bailey

1994-03 As the forward base and staging area for all US military operations in the Pacific during World War II, Hawaii was the "first strange place" for close to a million soldiers, sailors, and marines on their way to the horrors of war. But Hawaii was also the first strange place on another kind of journey, toward the new American society that would begin to emerge in the postwar era. Unlike the rigid and static social order of prewar America, this was to be a highly mobile and volatile society of mixed racial and cultural influences, one above all in which women and minorities would increasingly demand and receive equal status. Drawing on documents, diaries, memoirs, and interviews, Beth Bailey and David Farber show how these unprecedented changes were tested and explored in the highly charged environment of wartime Hawaii.

*Honolulu* Alan Brennert 2009-03-03 From the bestselling author of the "dazzling historical saga" (The Washington Post), Moloka'i, comes the irresistible story of a young immigrant bride in a ramshackle town that becomes a great modern city "In Korea in those days, newborn girls were not deemed important enough to be graced with formal names, but were instead given nicknames, which often reflected the parents' feelings on the birth of a daughter: I knew a girl named Anger, and another called Pity. As for me, my parents named me Regret." Honolulu is the rich, unforgettable story of a young "picture bride" who journeys to Hawai'i in 1914 in search of a better life. Instead of the affluent young husband and chance at an education that she has been promised, she is quickly married off to a poor, embittered laborer who takes his frustrations out on his new wife. Renaming herself Jin, she makes her own way in this strange land, finding both opportunity and prejudice. With the help of three of her fellow picture brides, Jin prospers along with her adopted city, now growing from a small territorial capital into the great multicultural city it is today. But paradise has its dark side, whether it's the daily struggle for survival in Honolulu's tenements, or a crime that will become the most infamous in the islands' history... With its passionate knowledge of people and places in Hawai'i far off the tourist track, Honolulu is most of all the spellbinding tale of four women in a new world, united by dreams, disappointment, sacrifices, and friendship.

A Death in the Islands Mike Farris 2016-11-08

Lies, murder, and a legendary courtroom battle threaten to tear apart the Territory of Hawaii. In September of 1931, Thalia Massie, a young naval lieutenant's wife, claims to have been raped by five Hawaiian men in Honolulu. Following a hung jury in the rape trial, Thalia's mother, socialite Grace Fortescue, and husband, along with two sailors, kidnap one of the accused in an attempt to coerce a confession. When they are caught after killing him and trying to dump his body in the ocean, Mrs. Fortescue's society friends raise enough money to hire seventy-four-year-old Clarence Darrow out of retirement to defend the vigilante killers. The result is an epic courtroom battle between Darrow and the

Territory of Hawaii's top prosecutor, John C. Kelley, in a case that threatens to touch off a race war in Hawaii and results in one of the greatest miscarriages of justice in American history. Written in the style of a novel, but meticulously following the historical record, *A Death in the Islands* weaves a story of lies, deception, mental illness, racism, revenge, and murder—a series of events in the Territory of Hawaii that nearly tore apart the peaceful islands, reverberating from the tenements of Honolulu to the hallowed halls of Congress, and right into the Oval Office itself, and left a stain on the legacy of one of the greatest legal minds of all time.

**Beyond Ethnicity** Camilla Fojas 2018-03-31  
Written by scholars of various disciplines, the essays in this volume dig beneath the veneer of Hawai'i's myth as a melting pot paradise to uncover historical and complicated cross-racial dynamics. Race is not the primary paradigm through which Hawai'i is understood. Instead, ethnic difference is celebrated as a sign of multicultural globalism that designates Hawai'i as the crossroads of the Pacific. Racial inequality is disruptive to the tourist image of the islands. It ruptures the image of tolerance, diversity, and happiness upon which tourism, business, and so many other vested transnational interests in the islands are based. The contributors of this interdisciplinary volume reconsider Hawai'i as a model of ethnic and multiracial harmony through the lens of race in their analysis of historical events, group relations and individual experiences, and humor, among other focal points. *Beyond Ethnicity* examines the dynamics between race, ethnicity, and indigeneity to challenge the primacy of ethnicity and cultural practices for examining difference in Hawai'i while recognizing the significant role of settler colonialism. This original and thought-provoking volume reveals what a racial analysis illuminates about the current political configuration of the islands and, in doing so, challenges how we conceptualize race on the continent. Recognizing the ways that Native Hawaiians or Kānaka Maoli are impacted by shifting, violent, and hierarchical colonial structures that include racial inequalities, the editors and contributors explore questions of personhood and citizenship through language, land, labor, and embodiment.

By admitting to these tensions and ambivalences, the editors set the pace and tempo of powerfully argued essays that engage with the various ways that Kānaka Maoli and the influx of differentially racialized settlers continue to shift the social, political, and cultural terrains of the Hawaiian Islands over time.

American Aloha Heather A. Diamond 2008-06-03  
At the 1989 Smithsonian Folklife Festival, throngs of visitors gathered on the National Mall to celebrate Hawai'i's multicultural heritage through its traditional arts. The "edu-tainment" spectacle revealed a richly complex Hawai'i few tourists ever see and one never before or since replicated in a national space. The program was restaged a year later in Honolulu for a local audience and subsequently inspired several spin-offs in Hawai'i. In both Washington, D.C., and Honolulu, the program instigated a new paradigm for cultural representation. Based on archival research and extensive interviews with festival organizers and participants, this innovative cross-disciplinary study uncovers the behind-the-scenes negotiations and processes that inform the national spectacle of the Smithsonian Folklife Festival. Intersecting the fields of museum studies, folklore studies, Hawaiian studies, performance studies, cultural studies, and American studies, *American Aloha* supplies a nuanced analysis of how the carefully crafted staging of Hawai'i's cultural diversity was used to serve a national narrative of utopian multiculturalism—one that collapsed social inequities and tensions, masked colonial history, and subordinated indigenous politics—while empowering Hawai'i's traditional artists and providing a model for cultural tourism that has had long-lasting effects. Heather Diamond deftly positions the 1989 program within a history of institutional intervention in the traditional arts of Hawai'i's ethnic groups as well as in relation to local cultural revivals and the tourist industry. By tracing the planning, fieldwork, site design, performance, and aftermath stages of the program, she examines the uneven processes through which local culture is transformed into national culture and raises questions about the stakes involved in cultural tourism for both culture bearers and culture brokers.

The Legacies of a Hawaiian Generation Judith Schachter 2013-09-01  
Through the voices and

perspectives of the members of an extended Hawaiian family, or `ohana, this book tells the story of North American imperialism in Hawai`i from the Great Depression to the new millennium. The family members offer their versions of being "Native Hawaiian" in an American state, detailing the ways in which US laws, policies, and institutions made, and continue to make, an impact on their daily lives. The book traces the ways that Hawaiian values adapted to changing conditions under a Territorial regime and then after statehood. These conditions involved claims for land for Native Hawaiian Homesteads, education in American public schools, military service, and participation in the Hawaiian cultural renaissance. Based on fieldwork observations, kitchen table conversations, and talk-stories, or mo`olelo, this book is a unique blend of biography, history, and anthropological analysis.

*American Murder* Mike Mayo 2008-02-01 How would you treat a murderer? If you're from Hollywood and he's notorious, you might turn him into a folk hero. Separate the facts from the many legends and revisions that have blossomed around these killers in this frightening look at the bloody real lives of movie's infamous antiheroes. You'll find a blood-curdling assortment of the "criminal elite" in *American Murder: Criminals, Crime and the Media*, a rogue's gallery of our most famous killings, killers and other scoundrels (and some that ought to be more famous than they are). A collection of high-profile murderers, gangsters, assassins, psychopaths, such as O.J., Amy Fisher, Robert Blake, Susan Smith, Claus Von Bulow, the Menendez brothers, Jeffrey Dahmer, Ted Bundy, John Wayne Gacy, Richard Speck, Al Capone, Pretty Boy Floyd, Bugsy Siegel, Jesse James, John Dillinger, Charles Manson, Albert Fish, T. Cullen Davis, Ronald DeFeo, Jr., Edmund Kemper, Beulah Annan, Bonnie and Clyde, Billy the Kid, Charlie Starkweather, as well as an assortment of lesser known killers with some incredible tales! With numerous photos and illustrations, this tome is richly illustrated, and its helpful bibliography and extensive index add to its usefulness. *American Murder* explores the legends as depicted in movies, stories, and songs. You'd not want to meet any of them in person - either the real or Hollywood versions!

*American Exceptionalism and the Remains of Race* Edmund Fong 2014-07-11 In contemporary American political culture, claims of American exceptionalism and anxieties over its prospects have resurged as an overarching theme in national political discourse. Yet never very far from such debates lie animating fears associated with race. Fears about the loss of national unity and trust often draw attention to looming changes in the racial demographics of the body politic. Lost amid these debates are often the more complex legacies of racial hybridity. Anxieties over the disintegration of the fabric of American national identity likewise forget not just how they echo past fears of subversive racial and cultural difference, but also exorcise as well the changing nature of work and social interaction. Edmund Fong's book examines the rise and resurgence of contemporary forms of American exceptionalism as they have emerged out of contentious debates over cultural pluralism and multicultural diversity in the past two decades. For a brief time, serious considerations of the force of multiculturalism entered into a variety of philosophical and policy debates. But in the American context, these debates often led to a reaffirmation of some variant of American exceptionalism with the consequent exorcism of race within the avowed norms and policy goals of American politics. Fong explores how this "multicultural exorcism" revitalizing American exceptionalism is not simply a novel feature of our contemporary political moment, but is instead a recurrent dynamic across the history of American political discourse. By situating contemporary discourse on cultural pluralism within the larger frame of American history, this book yields insight into the production of hegemonic forms of American exceptionalism and how race continues to haunt the contours of American national identity.

*Reel Histories* Melissa Croteau 2008 *Reel Histories: Studies in American Film* is an essay collection that extends the academic dialogue concerning the "holy trinity" of race, social class, and gender as they are constructed on the screen while also examining aspects of the film industry that are often ignored: the means and politics of film production and distribution, audience reception, the role and influence of film criticism, film's intersections with other

media, and many other modes of approach stemming from particularities of historical, sociological, and cultural situation. Nine scholars, analyzing such films as *From Here to Eternity*, *A Raisin in the Sun*, *Midnight Cowboy*, *Magnolia*, *Blade Runner*, *Thelma and Louise*, *The X Files*, and *Saving Private Ryan*, go far beyond close readings approaching the films as matrices of intersecting voices located in particular socio-cultural moments participating in significant historical trajectories. These essays insightfully examine how specific films have functioned in American history, their provenance and their subsequent effects - both actual and potential.

*Legendary Hawai'i and the Politics of Place*

Cristina Bacchilega 2011-06-03 Hawaiian legends figure greatly in the image of tropical paradise that has come to represent Hawai'i in popular imagination. But what are we buying into when we read these stories as texts in English-language translations? Cristina Bacchilega poses this question in her examination of the way these stories have been adapted to produce a legendary Hawai'i primarily for non-Hawaiian readers or other audiences. With an understanding of tradition that foregrounds history and change, Bacchilega examines how, following the 1898 annexation of Hawai'i by the United States, the publication of Hawaiian legends in English delegitimized indigenous narratives and traditions and at the same time constructed them as representative of Hawaiian culture. Hawaiian mo'olelo were translated in popular and scholarly English-language publications to market a new cultural product: a space constructed primarily for Euro-Americans as something simultaneously exotic and primitive and beautiful and welcoming. To analyze this representation of Hawaiian traditions, place, and genre, Bacchilega focuses on translation across languages, cultures, and media; on photography, as the technology that contributed to the visual formation of a westernized image of Hawai'i; and on tourism as determining postannexation economic and ideological machinery. In a book with interdisciplinary appeal, Bacchilega demonstrates both how the myth of legendary Hawai'i emerged and how this vision can be unmade and reimagined.

*Detours* Hokulani K. Aikau 2019-11-08 Many people first encounter Hawai'i through the imagination—a postcard picture of hula girls, lu'aus, and plenty of sun, surf, and sea. While Hawai'i is indeed beautiful, Native Hawaiians struggle with the problems brought about by colonialism, military occupation, tourism, food insecurity, high costs of living, and climate change. In this brilliant reinvention of the travel guide, artists, activists, and scholars redirect readers from the fantasy of Hawai'i as a tropical paradise and tourist destination toward a multilayered and holistic engagement with Hawai'i's culture and complex history. The essays, stories, artworks, maps, and tour itineraries in *Detours* create decolonial narratives in ways that will forever change how readers think about and move throughout Hawai'i. Contributors. Hōkūlani K. Aikau, Malia Akutagawa, Adele Balderston, Kamanamaikalani Beamer, Ellen-Rae Cachola, Emily Cadiz, Iokepa Casumbal-Salazar, David A. Chang, Lianne Marie Leda Charlie, Greg Chun, Joy Lehuanani Enomoto, S. Joe Estores, Nicholas Kawelakai Farrant, Jessica Ka'ui Fu, Candace Fujikane, Linda H. L. **The Purposes of Paradise** Christine Skwiot 2011-06-06 For half a century, the United States has treated Cuba and Hawai'i as polar opposites:

despised nation and beloved state. But for more than a century before the Cuban revolution and Hawaiian statehood of 1959, Cuba and Hawai'i figured as twin objects of U.S. imperial desire and as possessions whose tropical island locales might support all manner of fantasy fulfillment—cultural, financial, and geopolitical. Using travel and tourism as sites where the pleasures of imperialism met the politics of empire, Christine Skwiot untangles the histories of Cuba and Hawai'i as integral parts of the Union and keys to U.S. global power, as occupied territories with violent pasts, and as fantasy islands ripe with seduction and reward. Grounded in a wide array of primary materials that range from government sources and tourist industry records to promotional items and travel narratives, *The Purposes of Paradise* explores the ways travel and tourism shaped U.S. imperialism in Cuba and Hawai'i. More broadly, Skwiot's comparative approach underscores continuity, as well as change, in U.S. imperial thought and practice across the nineteenth and twentieth centuries and across the Atlantic and Pacific oceans. Comparing the relationships of Cuba and Hawai'i with the United States, Skwiot argues, offers a way to revisit assumptions about formal versus informal empire, territorial versus commercial imperialism, and direct versus indirect rule.

**Haoles in Hawaii** Judy Rohrer 2010-07-22

*Haoles in Hawai'i* strives to make sense of haole (white person/whiteness in Hawai'i) and "the politics of haole" in current debates about race in Hawai'i. Recognizing it as a form of American whiteness specific to Hawai'i, the author argues that haole was forged and reforged over two centuries of colonization and needs to be understood in that context. Haole reminds us that race is about more than skin color as it identifies a certain amalgamation of attitude and behavior that is at odds with Hawaiian and local values and social norms. By situating haole historically and politically, the author asks readers to think about ongoing processes of colonization and possibilities for reformulating the meaning of haole. For more information on *Haoles in Hawaii*, visit

<http://haolesinhawaii.blogspot.com/>

**Habits of Empire** Walter Nugent 2008-06-10  
Since its founding, the United States' declared

principles of liberty and democracy have often clashed with aggressive policies of imperial expansion. In this sweeping narrative history, acclaimed scholar Walter Nugent explores this fundamental American contradiction by recounting the story of American land acquisition since 1782 and shows how this steady addition of territory instilled in the American people a habit of empire-building. From America's early expansions into Transappalachia and the Louisiana Purchase through later additions of Alaska and island protectorates in the Caribbean and Pacific, Nugent demonstrates that the history of American empire is a tale of shifting motives, as the early desire to annex land for a growing population gave way to securing strategic outposts for America's global economic and military interests. Thorough, enlightening, and well-sourced, this book explains the deep roots of American imperialism as no other has done.

*Hollywood's Hawaii* Delia Malia Caparoso

Konzett 2017-03-01 Whether presented as exotic fantasy, a strategic location during World War II, or a site combining postwar leisure with military culture, Hawaii and the South Pacific figure prominently in the U.S. national imagination. *Hollywood's Hawaii* is the first full-length study of the film industry's intense engagement with the Pacific region from 1898 to the present.

Delia Malia Caparoso Konzett highlights films that mirror the cultural and political climate of the country over more than a century—from the era of U.S. imperialism on through Jim Crow racial segregation, the attack on Pearl Harbor and WWII, the civil rights movement, the contemporary articulation of consumer and leisure culture, as well as the buildup of the modern military industrial complex. Focusing on important cultural questions pertaining to race, nationhood, and war, Konzett offers a unique view of Hollywood film history produced about the national periphery for mainland U.S. audiences. *Hollywood's Hawaii* presents a history of cinema that examines Hawaii and the Pacific and its representations in film in the context of colonialism, war, Orientalism, occupation, military buildup, and entertainment.

**Bridge to the Sun** Bruce Henderson

2022-09-27 One of the last, great untold stories of World War II—kept hidden for decades—even

after most of the World War II records were declassified in 1972, many of the files remained untouched in various archives—a gripping true tale of courage and adventure from Bruce Henderson, master storyteller, historian, and New York Times best-selling author of *Sons and Soldiers*—the saga of the Japanese American U.S. Army soldiers who fought in the Pacific theater, in Burma, Iwo Jima, Okinawa, with their families back home in America, under U.S. Executive Order 9066, held behind barbed wire in government internment camps. After Japan's surprise attack on Pearl Harbor, the U.S. military was desperate to find Americans who spoke Japanese to serve in the Pacific war. They soon turned to the Nisei—first-generation U.S. citizens whose parents were immigrants from Japan. Eager to prove their loyalty to America, several thousand Nisei—many of them volunteering from the internment camps where they were being held behind barbed wire—were selected by the Army for top-secret training, then were rushed to the Pacific theater. Highly valued as expert translators and interrogators, these Japanese American soldiers operated in elite intelligence teams alongside Army infantrymen and Marines on the front lines of the Pacific war, from Iwo Jima to Burma, from the Solomons to Okinawa. Henderson reveals, in riveting detail, the harrowing untold story of the Nisei and their major contributions in the war of the Pacific, through six Japanese American soldiers. After the war, these soldiers became translators and interrogators for war crime trials, and later helped to rebuild Japan as a modern democracy and a pivotal U.S. ally.

*Bayonets in Paradise* Harry N. Scheiber  
2016-02-29 Selected as a 2017 CHOICE Outstanding Academic Title *Bayonets in Paradise* recounts the extraordinary story of how the army imposed rigid and absolute control on the total population of Hawaii during World War II. Declared immediately after the Pearl Harbor attack, martial law was all-inclusive, bringing under army rule every aspect of the Territory of Hawaii's laws and governmental institutions. Even the judiciary was placed under direct subservience to the military authorities. The result was a protracted crisis in civil liberties, as the army subjected more than 400,000 civilians—citizens and alien residents alike—to

sweeping, intrusive social and economic regulations and to enforcement of army orders in provost courts with no semblance of due process. In addition, the army enforced special regulations against Hawaii's large population of Japanese ancestry; thousands of Japanese Americans were investigated, hundreds were arrested, and some 2,000 were incarcerated. In marked contrast to the well-known policy of the mass removals on the West Coast, however, Hawaii's policy was one of "selective," albeit preventive, detention. Army rule in Hawaii lasted until late 1944—making it the longest period in which an American civilian population has ever been governed under martial law. The army brass invoked the imperatives of security and "military necessity" to perpetuate its regime of censorship, curfews, forced work assignments, and arbitrary "justice" in the military courts. Broadly accepted at first, these policies led in time to dramatic clashes over the wisdom and constitutionality of martial law, involving the president, his top Cabinet officials, and the military. The authors also provide a rich analysis of the legal challenges to martial law that culminated in *Duncan v. Kahanamoku*, a remarkable case in which the U.S. Supreme Court finally heard argument on the martial law regime—and ruled in 1946 that provost court justice and the military's usurpation of the civilian government had been illegal. Based largely on archival sources, this comprehensive, authoritative study places the long-neglected and largely unknown history of martial law in Hawaii in the larger context of America's ongoing struggle between the defense of constitutional liberties and the exercise of emergency powers.

*Detective Jardine* John Jardine 1984

*Recognitions* Enrico Botta 2024-11-04 This volume offers a critical exploration of the many ways in which transcodification acts at the intersection of literature, art, history, and social and cultural artifacts to foster instances of recognition in the US. Recognition covers a wealth of meanings: from the mere acknowledgement of existence, validity or legality, or appreciation of something as valuable, to the identification of something as known or familiar. Accordingly, this volume deals with different struggles for recognition.

One focus of the volume is the assessment of artistic achievement in relation to a so-called original, with essays concerned with cultural codes and with the role that translation, adaptation, and cross-cultural encounters have played in US artistic and literary productions. A second, parallel, strand focuses on the fight for political and social inclusion, or on the dynamics beneath the recognition of group and gender identities, to explore how activism and artistic/literary productions challenge received identity boundaries and accepted social and cultural hierarchies. Bringing together recognition and

transcodification/transculturality, the book deconstructs crystalized and codified categories and celebrates the crossing of boundaries.

**The World in the Curl** Peter J. Westwick  
2013-07-23 Draws on decades of experience and the popular team-taught courses at the University of California at Santa Barbara to trace the cultural, political, economic and environmental aspects of surfing while evaluating the diverse range of influences that have rendered the sport a billion-dollar worldwide industry.

Diverse Issues in Higher Education 2006

Raced to Death in 1920s Hawai i Jonathan Y Okamura 2019-08-30 On September 18, 1928, Myles Yutaka Fukunaga kidnapped and brutally murdered ten-year-old George Gill Jamieson in Waikîkî. Fukunaga, a nineteen-year-old nisei, or second-generation Japanese American, confessed to the crime. Within three weeks, authorities had convicted him and sentenced him to hang, despite questions about Fukunaga's sanity and a deeply flawed defense by his court-appointed attorneys. Jonathan Y. Okamura argues that officials "raced" Fukunaga to death—first viewing the accused only as Japanese despite the law supposedly being colorblind, and then hurrying to satisfy the Haole (white) community's demand for revenge. Okamura sets the case against an analysis of the racial hierarchy that undergirded Hawai'ian society, which was dominated by Haoles who saw themselves most threatened by the islands' sizable Japanese American community. The Fukunaga case and others like it in the 1920s reinforced Haole supremacy and maintained the

racial boundary that separated Haoles from non-Haoles, particularly through racial injustice. As Okamura challenges the representation of Hawai i as a racial paradise, he reveals the ways Haoles usurped the criminal justice system and reevaluates the tense history of anti-Japanese racism in Hawai i.

Trials of the Century Scott P. Johnson

2010-10-06 This comprehensive set of essays documents the most important criminal, civil, and political trials in the United States from colonial times to the present, examining their impact on both legal history and popular culture. Crime and punishment are of perennial interest across the human species. *Trials of the Century: An Encyclopedia of Popular Culture and the Law* examines some of the most important (and infamous) cases in American history, placing them in both historical and legal context. Among the landmark cases considered in these two volumes are the 1692 Salem Witch Trials, the Scopes "Monkey" Trial, and the O.J. Simpson murder trial. A number of civil lawsuits and political trials are also included, such as the impeachment trials of Presidents Andrew Johnson and William Jefferson Clinton. Entries in the encyclopedia detail the events leading to each trial and introduce the key players, with a focus on judges, lawyers, witnesses, defendants, victims, media, and the public. In addition, the aftermath of the trial and its impact are analyzed from a scholarly, yet straightforward, perspective, emphasizing how the trial affected the law and society at large.

**The Hard Sell of Paradise** Jason Sperb

2022-03-01 *The Hard Sell of Paradise* examines how mid-twentieth-century Hollywood, negotiating the rhetoric of the tourism industry, offered a complex and contradictory vision of "Hawai'i" for its audiences. From the classic studio system and elite tourism of the 1930s to a postwar era of mass travel, TV, and new leisure markets, the book explores how an eclectic group of populist media reflected the language of tourism not only through its narratives of leisure, but also through its complex engagement with larger cultural and historical questions, such as colonialism, world war, and statehood. Drawing on rare archival research, *The Hard Sell of Paradise* also explores the valuable role that tourism partners such as

United Airlines, Matson Cruise Lines, and the Hawaii Tourist Bureau played in directly and indirectly influencing such films and television shows as Waikiki Wedding, Diamond Head, Blue Hawaii, The Endless Summer, and Hawaii Five-O.

**Under Occupation** Makoto Arakaki 2013-07-29

This edited volume provides a vehicle for the expression of geographical and historical perspectives on the militarisation of East Asia and the Pacific. Among the questions the authors explore are: How have groups and individuals variously enforced, justified, supported, resisted, and acquiesced in military occupation? How have concepts of nationality, identity, and self-determination been shaped, reshaped, and erased by historical processes? How can communities escape from their perceived or actual dependence on centralised loci of power? Chapters draw upon philosophical, theoretical, empirical, and anecdotal evidence. The book is aimed at, inter alia, activists for social justice and researchers in international and strategic relations, colonial and post-colonial studies, Asian, Okinawan, and Pacific island studies, critical theory, and ethics. Contributors to this volume include David Vine, Douglas Lummis, Miyume Tanji, Kyle Kajihira, chinin usii, Leevin Camacho, Andrew Yeo, Mitzi Uehara Carter, Gwisook Gwon, Christopher Melley, Yukinori Tokuyama, Kiyomi Maedomari-Tokuyama, Nika Nashiro, Chie Miyagi, Makoto Arakaki, Peter Simpson, and Daniel Broudy.

*The Journal of American Folk-lore* 2008

American Night Alan M. Wald 2012-10-15

American Night, the final volume of an unprecedented trilogy, brings Alan Wald's multigenerational history of Communist writers to a poignant climax. Using new research to explore the intimate lives of novelists, poets, and critics during the Cold War, Wald reveals a radical community longing for the rebirth of the social vision of the 1930s and struggling with a loss of moral certainty as the Communist worldview was being called into question. The resulting literature, Wald shows, is a haunting record of fracture and struggle linked by common structures of feeling, ones more suggestive of the "negative dialectics" of Theodor Adorno than the traditional social realism of the Left. Establishing new points of

contact among Kenneth Fearing, Ann Petry, Alexander Saxton, Richard Wright, Jo Sinclair, Thomas McGrath, and Carlos Bulosan, Wald argues that these writers were in dialogue with psychoanalysis, existentialism, and postwar modernism, often generating moods of piercing emotional acuity and cosmic dissent. He also recounts the contributions of lesser known cultural workers, with a unique accent on gays and lesbians, secular Jews, and people of color. The vexing ambiguities of an era Wald labels "late antifascism" serve to frame an impressive collective biography.

*Honor Killing* David E. Stannard 2005 The author of "American Holocaust" reveals how Hawaii was transformed by the 1931 trial of a socialite mother, who arranged for the kidnapping and murder of a nonwhite islander accused of raping her daughter.

The Value of Hawai'i Craig Howes 2010-07-02

How did we get here? Three-and-a-half-day school weeks. Prisoners farmed out to the mainland. Tent camps for the migratory homeless. A blinkered dependence on tourism and the military for virtually all economic activity. The steady degradation of already degraded land. Contempt for anyone employed in education, health, and social service. An almost theological belief in the evil of taxes. At a time when new leaders will be elected, and new solutions need to be found, the contributors to The Value of Hawai'i outline the causes of our current state and offer points of departure for a Hawai'i-wide debate on our future. The brief essays address a wide range of topics—education, the environment, Hawaiian issues, media, tourism, political culture, law, labor, economic planning, government, transportation, poverty—but the contributors share a belief that taking stock of where we are right now, what we need to change, and what we need to remember is a challenge that all of us must meet. Written for a general audience, The Value of Hawai'i provides a cluster of starting points for a larger community discussion of Hawai'i that should extend beyond the choices of the ballot box this year. Contributors: Carlos Andrade, Chad Blair, Kat Brady, Susan M. Chandler, Meda Chesney-Lind, Lowell Chun-Hoon, Tom Coffman, Sara L. Collins, Marilyn Cristofori, Henry Curtis, Kathy E. Ferguson,

Chip Fletcher, Dana Naone Hall, Susan Hippensteele, Craig Howes, Karl Kim, Sumner La Croix, Ian Lind, Melody Kapilialoha MacKenzie, Mari Matsuda, Davianna McGregor, Neal Milner, Deane Neubauer, Jonathan Kay Kamakawiwo'ole Osorio, Charles Reppun, John P. Rosa, D. Kapua'ala Sproat, Ramsay Remigius Mahealani Taum, Patricia Tummons, Phyllis Turnbull, Trisha Kehaulani Watson.

**Listen but Don't Ask Question** Kevin Fellezs 2019-12-06 Performed on an acoustic steel-string guitar with open tunings and a finger-picking technique, Hawaiian slack key guitar music emerged in the mid-nineteenth century. Though performed on a non-Hawaiian instrument, it is widely considered to be an authentic Hawaiian tradition grounded in Hawaiian aesthetics and cultural values. In *Listen But Don't Ask Question* Kevin Fellezs listens to Kanaka Maoli (Native Hawaiian) and non-Hawaiian slack key guitarists in Hawai'i, California, and Japan, attentive to the ways in which notions of Kanaka Maoli belonging and authenticity are negotiated and articulated in all three locations. In Hawai'i, slack key guitar functions as a sign of Kanaka Maoli cultural renewal, resilience, and resistance in the face of appropriation and occupation, while in Japan it nurtures a merged Japanese-Hawaiian artistic and cultural sensibility. For diasporic Hawaiians in California, it provides a way to claim Hawaiian identity. By demonstrating how slack key guitar is a site for the articulation of Hawaiian values, Fellezs illuminates how slack key guitarists are reconfiguring notions of Hawaiian belonging, aesthetics, and politics throughout the transPacific.

*America Goes Hawaiian* Geoff Alexander 2019-01-14 How did Hawaiian and Polynesian culture come to dramatically alter American music, fashion and decor, as well as ideas about race, in less than a century? It began with mainland hula and musical performances in the late 19th century, rose dramatically as millions shipped to Hawaii during the Pacific War, then made big leap with the advent of low-cost air travel. By the end of the 1950s, mainlanders were hosting tiki parties, listening to exotic music, lazing on rattan furniture in Hawaiian shirts and, of course, surfing. Increasingly, they were marrying people outside of their own racial

groups as well. The author describes how this cultural conquest came about and the people and events that led to it.

## Honor Killing How The Infamous Massie Affair Transformed Hawaii

Welcome to [sp.athena-security.com](https://sp.athena-security.com), your go-to destination for a vast collection of **Honor Killing How The Infamous Massie Affair Transformed Hawaii** PDF eBooks. We are passionate about making the world of literature accessible to everyone, and our platform is designed to provide you with a seamless and enjoyable for Honor Killing How The Infamous Massie Affair Transformed Hawaii eBook downloading experience.

At [sp.athena-security.com](https://sp.athena-security.com), our mission is simple: to democratize knowledge and foster a love for reading Honor Killing How The Infamous Massie Affair Transformed Hawaii. We believe that everyone should have access to Honor Killing How The Infamous Massie Affair Transformed Hawaii eBooks, spanning various genres, topics, and interests. By offering Honor Killing How The Infamous Massie Affair Transformed Hawaii and a rich collection of PDF eBooks, we aim to empower readers to explore, learn, and immerse themselves in the world of literature.

In the vast expanse of digital literature, finding Honor Killing How The Infamous Massie Affair Transformed Hawaii sanctuary that delivers on both content and user experience is akin to discovering a hidden gem. Enter [sp.athena-security.com](https://sp.athena-security.com), Honor Killing How The Infamous Massie Affair Transformed Hawaii PDF eBook download haven that beckons readers into a world of literary wonders. In this Honor Killing How The Infamous Massie Affair Transformed Hawaii review, we will delve into the intricacies of the platform, exploring its features, content diversity, user interface, and the overall reading experience it promises.

At the heart of [sp.athena-security.com](https://sp.athena-security.com) lies a

diverse collection that spans genres, catering to the voracious appetite of every reader. From classic novels that have withstood the test of time to contemporary page-turners, the library pulsates with life. The Honor Killing How The Infamous Massie Affair Transformed Hawaii of content is evident, offering a dynamic range of PDF eBooks that oscillate between profound narratives and quick literary escapes.

One of the defining features of Honor Killing How The Infamous Massie Affair Transformed Hawaii is the orchestration of genres, creating a symphony of reading choices. As you navigate through the Honor Killing How The Infamous Massie Affair Transformed Hawaii, you will encounter the perplexity of options — from the structured complexity of science fiction to the rhythmic simplicity of romance. This diversity ensures that every reader, irrespective of their literary taste, finds Honor Killing How The Infamous Massie Affair Transformed Hawaii within the digital shelves.

In the realm of digital literature, burstiness is not just about variety but also the joy of discovery. Honor Killing How The Infamous Massie Affair Transformed Hawaii excels in this dance of discoveries. Regular updates ensure that the content landscape is ever-changing, introducing readers to new authors, genres, and perspectives. The unpredictable flow of literary treasures mirrors the burstiness that defines human expression.

An aesthetically pleasing and user-friendly interface serves as the canvas upon which Honor Killing How The Infamous Massie Affair Transformed Hawaii paints its literary masterpiece. The website's design is a testament to the thoughtful curation of content, offering an experience that is both visually appealing and functionally intuitive. The bursts of color and images harmonize with the perplexity of literary choices, creating a seamless journey for every visitor.

The download process on Honor Killing How The Infamous Massie Affair Transformed Hawaii is a symphony of efficiency. The user is greeted with a straightforward pathway to their chosen eBook. The burstiness in the download speed

ensures that the literary delight is almost instantaneous. This seamless process aligns with the human desire for swift and uncomplicated access to the treasures held within the digital library.

A key aspect that distinguishes sp.athena-security.com is its commitment to responsible eBook distribution. The platform adheres strictly to copyright laws, ensuring that every download Honor Killing How The Infamous Massie Affair Transformed Hawaii is a legal and ethical endeavor. This commitment adds a layer of ethical perplexity, resonating with the conscientious reader who values the integrity of literary creation.

sp.athena-security.com doesn't just offer Honor Killing How The Infamous Massie Affair Transformed Hawaii; it fosters a community of readers. The platform provides space for users to connect, share their literary explorations, and recommend hidden gems. This interactivity adds a burst of social connection to the reading experience, elevating it beyond a solitary pursuit.

In the grand tapestry of digital literature, sp.athena-security.com stands as a vibrant thread that weaves perplexity and burstiness into the reading journey. From the nuanced dance of genres to the swift strokes of the download process, every aspect resonates with the dynamic nature of human expression. It's not just a Honor Killing How The Infamous Massie Affair Transformed Hawaii eBook download website; it's a digital oasis where literature thrives, and readers embark on a journey filled with delightful surprises.

### **Honor Killing How The Infamous Massie Affair Transformed Hawaii**

We take pride in curating an extensive library of Honor Killing How The Infamous Massie Affair Transformed Hawaii PDF eBooks, carefully selected to cater to a broad audience. Whether you're a fan of classic literature, contemporary fiction, or specialized non-fiction, you'll find something that captivates your imagination.

User-Friendly Platform

Navigating our website is a breeze. We've designed the user interface with you in mind, ensuring that you can effortlessly discover Honor Killing How The Infamous Massie Affair Transformed Hawaii and download Honor Killing How The Infamous Massie Affair Transformed Hawaii eBooks. Our search and categorization features are intuitive, making it easy for you to find Honor Killing How The Infamous Massie Affair Transformed Hawaii.

### Legal and Ethical Standards

sp.athena-security.com is committed to upholding legal and ethical standards in the world of digital literature. We prioritize the distribution of Honor Killing How The Infamous Massie Affair Transformed Hawaii that are either in the public domain, licensed for free distribution, or provided by authors and publishers with the right to share their work. We actively discourage the distribution of copyrighted material without proper authorization.

**Quality:** Each eBook in our collection is carefully vetted to ensure a high standard of quality. We want your reading experience to be enjoyable and free of formatting issues.

**Variety:** We regularly update our library to bring you the latest releases, timeless classics, and hidden gems across genres. There's always

something new to discover.

**Community Engagement:** We value our community of readers. Connect with us on social media, share your favorite reads, and be part of a growing community passionate about literature.

Join Us on the Reading Honor Killing How The Infamous Massie Affair Transformed Hawaii

Whether you're an avid reader, a student looking for study materials, or someone exploring the world of eBooks for the first time, sp.athena-security.com is here to cater to Honor Killing How The Infamous Massie Affair Transformed Hawaii. Join us on this reading journey, and let the pages of our eBooks transport you to new worlds, ideas, and experiences.

We understand the thrill of discovering something new. That's why we regularly update our library, ensuring you have access to Honor Killing How The Infamous Massie Affair Transformed Hawaii, celebrated authors, and hidden literary treasures. With each visit, anticipate fresh possibilities for your reading Honor Killing How The Infamous Massie Affair Transformed Hawaii.

Thank you for choosing sp.athena-security.com as your trusted source for PDF eBook downloads. Happy reading Honor Killing How The Infamous Massie Affair Transformed Hawaii.
