I Love Jesus, But I Want to Die Sarah J. Robinson 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

U.S. Marines In Vietnam: Fighting The North

Vietnamese, 1967 Maj. Gary L. Telfer 2016-08-09 This is the fourth volume in an operational and chronological series covering the U.S. Marine Corps’ participation in the Vietnam War. This volume details the change in focus of the III Marine Amphibious Force (III MAF), which fought in South Vietnam’s

northernmost corps area, I Corps. This volume, like its predecessors, concentrates on the ground war in I Corps and III MAF’s perspective of the Vietnam War as an entity. It also covers the Marine Corps participation in the advisory effort, the operations of the two Special Landing Forces of the U.S. Navy’s Seventh Fleet, and the services of Marines with the staff of the U.S. Military Assistance Command, Vietnam. There are additional chapters on supporting arms and logistics, and a discussion of the Marine role in Vietnam in relation to the overall American effort.

Imperial Leather Anne McClintock 2013-10-01

Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

U.S. Marines In Vietnam: The Landing And The Buildup, 1965 Dr. Jack Shulimson

2016-08-09 This is the second volume in a series of chronological histories prepared by the Marine Corps History and Museums Division to cover the entire span of Marine Corps involvement in the Vietnam War. This volume details the Marine activities during 1965, the year the war escalated and major American combat units were committed to the conflict. The narrative traces the landing of the nearly 5,000-man 9th Marine Expeditionary Brigade and its transformation into the III Marine Amphibious Force, which by the end of the year contained over 38,000 Marines. During this period, the Marines established three enclaves in South Vietnam’s northernmost corps area, I Corps, and their mission expanded from defense of the Da Nang Airbase to a balanced strategy involving base defense, offensive operations, and pacification. This volume continues to treat the activities of Marine advisors to the South

Vietnamese armed forces but in less detail than its predecessor volume, U.S. Marines in Vietnam, 1954-1964; The Advisory and Combat Assistance Era.

The Magdalen Girls V.S. Alexander 2016-12-27
Dublin, 1962. Within the gated grounds of the convent of The Sisters of the Holy Redemption lies one of the city's Magdalen Laundries. Once places of refuge, the laundries have evolved into grim workhouses. Some inmates are "fallen" women—unwed mothers, prostitutes, or petty criminals. Most are ordinary girls whose only sin lies in being too pretty, too independent, or tempting the wrong man. Among them is sixteen-year-old Teagan Tiernan, sent by her family when her beauty provokes a lustful revelation from a young priest. Teagan soon befriends Nora Craven, a new arrival who thought nothing could be worse than living in a squalid tenement flat. Stripped of their freedom and dignity, the girls are given new names and denied contact with the outside world. The Mother Superior, Sister Anne, who has secrets of her own, inflicts cruel, dehumanizing punishments—but always in the name of love. Finally, Nora and Teagan find an ally in the reclusive Lea, who helps them endure—and plot an escape. But as they will discover, the outside world has dangers too, especially for young women with soiled reputations. Told with candor, compassion, and vivid historical detail, *The Magdalen Girls* is a masterfully written novel of life within the era's notorious institutions—and an inspiring story of friendship, hope, and unyielding courage.

Pineland Gold John D. Mills 2017-11-13 From author John D. Mills comes the next installment in his legal thriller series, Pine Island Sound Mysteries. When Frank Powers and Beth Mancini travel to Pineland, Florida for their friends' wedding, they never imagine that the joyous event will end in tragedy. What begins as a group hunt for buried gold dissolves into a grisly murder scene when two people are found dead and a suspect is arrested. Frank, along with his legal rival, Charley Kline, battle for the jury's verdict, unraveling dark secrets as the story surges toward its shocking conclusion.

The Monastery Rules Berthe Jansen 2018-09-25 At publication date, a free ebook version of this title will be available through

Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. The *Monastery Rules* discusses the position of the monasteries in pre-1950s Tibetan Buddhist societies and how that position was informed by the far-reaching relationship of monastic Buddhism with Tibetan society, economy, law, and culture. Jansen focuses her study on monastic guidelines, or bca' yig. The first study of its kind to examine the genre in detail, the book contains an exploration of its parallels in other Buddhist cultures, its connection to the Vinaya, and its value as socio-historical source-material. The guidelines are witness to certain socio-economic changes, while also containing rules that aim to change the monastery in order to preserve it. Jansen argues that the monastic institutions' influence on society was maintained not merely due to prevailing power-relations, but also because of certain deep-rooted Buddhist beliefs.

Midnight in the Garden of Good and Evil John Berendt 1994-01-13 NEW YORK TIMES BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author The basis for the upcoming Broadway musical, coming in 2025! “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every

man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

The Eminent Monk John Kieschnick 1997-07-01 In an attempt to reconstruct an elusive aspect of the medieval Chinese imagination, *The Eminent Monk* examines biographies of Chinese Buddhist monks, from the uncompromising ascetic to the unfathomable wonder-worker. While analyzing images of the monk in medieval China, the author addresses some questions encountered along the way: What are we to make of accounts in “eminent monk” collections of deviant monks who violate monastic precepts? Who wrote biographies of monks and who read them? How did different segments of Chinese society contend for the image of the monk and which image prevailed? By placing biographies of monks in the context of Chinese political and religious rhetoric, *The Eminent Monk* explores both the role of Buddhist literature in Chinese history and the monastic imagination that inspired this literature.

Hard Times Studs Terkel 2012-10-09 First published in 1970, Studs Terkel's bestselling *Hard Times* has been called "a huge anthem in praise of the American spirit" (*Saturday Review*) and "an invaluable record" (*The New York Times*). With his trademark grace and compassion, Terkel evokes a mosaic of memories from those who were richest to those who were destitute: politicians, businessmen, artists and writers, racketeers, speakeasy operators, strikers, impoverished farmers, people who were just kids, and those who remember losing a fortune. Now, in a handsome new illustrated edition, a selection of Studs's unforgettable interviews are complemented by images from another rich documentary trove of the Depression experience: Farm Security Administration photographs from the Library of Congress. Interspersed throughout the text of *Hard Times*, these breathtaking photographs by Dorothea Lange, Walker Evans, Jack Delano, and others expand the human scope of the voices captured in the book, adding a new dimension to Terkel's incomparable volume. *Hard Times* is the perfect introduction to Terkel's work for new readers, as well as a beautiful new addition to any Terkel library.

History of Wayne County, New York 1976

Albion's Seed David Hackett Fischer 1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English

settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

The Routledge History of Women in Early

Modern Europe Amanda L. Capern 2019-10-30

The Routledge History of Women in Early Modern Europe is a comprehensive and ground-breaking survey of the lives of women in early-modern Europe between 1450 and 1750. Covering a period of dramatic political and cultural change, the book challenges the current contours and chronologies of European history by observing them through the lens of female experience. The collaborative research of this book covers four themes: the affective world; practical knowledge for life; politics and religion; arts, science and humanities. These themes are interwoven through the chapters, which encompass all areas of women's lives: sexuality, emotions, health and wellbeing, educational attainment, litigation and the practical and leisured application of knowledge, skills and artistry from medicine to theology. The intellectual lives of women, through reading and writing, and their spirituality and engagement with the material world, are also explored. So too is the sheer energy of female work, including farming and manufacture, skilled craft and artwork, theatrical work and scientific enquiry. The Routledge History of Women in Early Modern Europe revises the chronological and ideological parameters of early-modern European history by opening the reader's eyes to an exciting age of female productivity, social engagement and political activism across

European and transatlantic boundaries. It is essential reading for students and researchers of early-modern history, the history of women and gender studies.

Teardown Gordon Young 2021-02-23 "After living in San Francisco for fifteen years, journalist Gordon Young found himself yearning for his Rust Belt hometown: Flint, Michigan, the birthplace of General Motors and the "star" of the Michael Moore documentary *Roger & Me*. Hoping to rediscover and help a place that had once boasted one of the world's highest per capita income levels but had become one of the country's most impoverished and dangerous cities, he returned to Flint with the intention of buying a house. What he found was a place of stark contrasts and dramatic stories, where an exotic dancer could afford a lavish mansion, speculators scooped up cheap houses by the dozen on eBay, and arson was often the quickest route to neighborhood beautification. He also uncovered the misguided policies, flawed leadership, and unforgiving economic trends that lead to disasters like the Flint water crisis. Updated with a new preface, Young skillfully blends personal memoir, historical inquiry, and interviews with Flint residents, constructing a vibrant tale of a once-thriving city still fighting - despite overwhelming odds - to rise from the ashes. Hard-hitting, insightful, and often painfully funny, *Teardown* reminds us that cities are ultimately defined by the people who live there."--Back cover.
