

In Pursuit Of A Serial Killer

Imitation in Death J. D. Robb 2003-08-26 In this novel in the #1 New York Times bestselling In Death series, Lieutenant Eve Dallas becomes entangled in the deadly mind game of a vicious copycat killer... Summer, 2059. A man wearing a cape and a top hat approaches a prostitute on a dark, New York City street. Minutes later, the woman is dead. Left at the scene is a letter addressed to Lieutenant Eve Dallas, inviting her to play his game and unveil his identity. He signs it, "Jack." Now Dallas is in pursuit of a murderer who knows as much about the history of serial killers like Jack the Ripper and the Boston Strangler as she does. He has studied the most notorious and the most vicious slayings in modern times. But he also wants to make his own mark. He has chosen his victim: Eve Dallas. And all Eve knows is that he plans to mimic the most infamous murderers of all...

A Killer by Design Ann Wolbert Burgess 2021-12-07 Written by the forensic nurse who transformed the way the FBI profiles and catches serial killers, this thought-provoking book takes an intimate look at the creation of the Behavioral Science Unit—the inspiration for Hulu’s Mastermind documentary. In the 1970s, the FBI created the "Mindhunters" (better known as the Behavioral Science Unit) to track down the country's most dangerous criminals. In A Killer By Design, Dr. Ann Wolbert Burgess reveals how her pioneering research on sexual assault and trauma helped the FBI capture some of history’s most violent offenders, including Ed Kemper (The Co-Ed Killer), Dennis Rader (BTK), Henry Wallace (The Taco Bell Strangler), and Jon Barry Simonis (The Ski-Mask Rapist). This book pulls us directly into the investigations as she experienced them, interweaving never-before-seen interview transcripts, crime scene drawings, and her personal insight about the minds of deranged criminals and the victims they left behind. Haunting and deeply human, A Killer By Design forces us to confront the age-old question that has long plagued our criminal justice system: "What drives someone to kill, and how can we stop them?" The Yosemite Murders Dennis McDougal 2008-12-10 Since he was seven, Cary Stayner had dreamed of capturing women . . . and killing them They were crimes that grabbed headlines around the world and stunned America. Four women dead, their bodies charred and horribly mutilated. Now Dennis McDougal, acclaimed author of the spellbinding true crime tour de force Mother's Day, brings his considerable investigative and narrative skills to the Yosemite murders to give you the most complete account of what really happened. Drawing on several personal conversations with the confessed killer and interviews with the victims' families, McDougal presents the definitive story, and answers many lingering questions. What demons drove this quiet handyman and nudist colony habitue to burn, mutilate, and murder four women he didn't even know? How did he overpower a woman and two teenaged girls? And most disturbing, did the glory-seeking FBI actually hinder the investigation, leaving the killer free to kill once more before he was caught? THE YOSEMITE MURDERS offers valuable insight into these savage and senseless murders in the heart of America's most beautiful wilderness.

Chase Darkness with Me Billy Jensen 2019-08-13 ***With an exclusive behind-the-scenes conversation between Billy Jensen and retired detective Paul Holes on the Golden State Killer, their favorite cold cases, and more*** Have you ever wanted to solve a murder? Gather the clues the police overlooked? Put together the pieces? Identify the suspect? Journalist Billy Jensen spent fifteen years investigating unsolved murders, fighting for the families of victims. Every story he wrote had one thing in common—they didn't have an ending. The killer was still out there. But after the sudden death of a friend, crime writer and author of I'll Be Gone in the Dark, Michelle McNamara, Billy became fed up. Following a dark night, he came up with a plan. A plan to investigate past the point when the cops had given up. A plan to solve the murders himself. You'll ride shotgun as Billy identifies the Halloween Mask Murderer, finds a missing girl in the California Redwoods, and investigates the only other murder in New York City on 9/11. You'll hear intimate details of the hunts for two of the most terrifying serial killers in history: his friend Michelle McNamara's pursuit of the Golden State Killer and his own quest to find the murderer of the Allentown Four.

And Billy gives you the tools—and the rules—to help solve murders yourself. Gripping, complex, unforgettable, Chase Darkness with Me is an examination of the evil forces that walk among us, illustrating a novel way to catch those killers, and a true-crime narrative unlike any you've read before.

Behind the Murder Curtain Bruce Sackman 2018-09-18 Behind the Murder Curtain is the true story of Bruce Sackman, Special Agent in Charge of the Department of Veterans Affairs Office of Inspector General. Sackman’s main responsibilities had been investigating white-collar crimes such as embezzlement when he is drawn into the macabre world of doctors and nurses who murder their patients. Sackman evolves from an investigator of routine cases to the world’s leading expert on Medical Serial Killers—MSKs—doctors and nurses who ply their evil trade hidden behind the privacy curtain at a patient’s bedside. Behind the Murder Curtain tells how this dedicated investigator brought down four MSKs in Veterans Hospitals while developing the RED FLAGS PROTOCOL, which is now taught to investigators and forensic nurses throughout the world as a tool for stopping an MSK.

Profilers John H. Campbell 2010-05-28 In this compilation of expert articles, internationally recognized homicide investigators, most of them pioneers in developing the science and the art of profiling, share their insights gained from years of experience tracking the perpetrators of some of the most notorious crimes. Among the subjects discussed are: dealing with hostage situations, child abduction and murder in the David Meirhofer case, interviewing Jeffrey Dahmer, autoerotic murder, the challenges of creating psychological profiles, the use of forensic linguistics to track the Unabomber, assaultative eye injury ("enucleation"), and geographic profiling. A must for readers of true crime, forensic investigations, and murder mysteries, this unique collection of revealing articles offers a chilling and unparalleled glimpse into the workings of the criminal mind.

Unfinished Murder James Neff 2015-04-07 Edgar Award Finalist: The hunt for Ronnie Shelton, Cleveland’s West Side Rapist, and the victims who united for justice—“Groundbreaking” (Ann Rule). From 1983 to 1988, serial rapist Ronnie Shelton preyed on the women of Cleveland. Dubbed the West Side Rapist, twenty-seven-year-old Shelton would spy on his victims, stalk them, and brutally assault them in their homes. Arrested at least fifteen times for other crimes, Shelton slipped through the cracks of an overburdened police department so often it seemed he would never be caught. Based on more than 150 interviews with the survivors, the police, psychiatrists, and Shelton himself, this “groundbreaking study of the infinite perils of serial rape” is the extensively researched story of Shelton’s crimes and the five-year pursuit that ended in his capture (Ann Rule). Investigative journalist James Neff also documents the long-term devastation caused by rape and celebrates the courage of the women who helped to put a sexual predator behind bars. It resulted in a sentence of 3,195 years—the longest in Ohio state history. A finalist for the Edgar Award, Unfinished Murder is “not only a riveting nonfiction thriller but an important account about the true nature of sex crimes in America” from the prizewinning true crime journalist who is also the author of The Wrong Man: The Final Verdict on the Dr. Sam Sheppard Murder Case and Mobbed Up: Jackie Presser’s High-Wire Life in the Teamsters, the Mafia, and the FBI, which was the basis for the HBO movie, Teamster Boss (Nicholas Pileggi). **Inside the Mind of BTK** John Douglas 2008-11-03 The FBI profiler & co-author of the #1 New York Times–bestseller Mindhunter recounts his role in catching one of America’s most notorious serial killers. Inside the Mind of BTK tells the incredible true story of how FBI profiler John Douglas tracked and participated in the hunt for one of the most notorious serial killers in US history. For thirty-one years a man who called himself BTK (Bind, Torture, Kill) terrorized the city of Wichita, Kansas, sexually assaulting and strangling a series of victims, taunting the police with cryptic communications, and bragging about his vicious crimes to local newspapers and television stations. After disappearing for nine years, he suddenly reappeared, complaining that no one was paying enough attention to him and claiming that he had committed other crimes for which he had not been given credit. When he was finally captured, BTK was revealed to be Dennis Rader, a sixty-one-year-old churchgoing, married man with two children. As a leading serial killer profiler for the FBI, John Douglas was first called to consult about the case in 1980 and remained involved with the story and all of its principal

players up to the arrest and prosecution. After Rader was arrested, Douglas was granted both an exclusive interview with the killer after his sentencing, as well as access to friends, family, and police. In this page-turning book, Douglas reveals both new information and insight into why Rader did what he did, why he stopped for a mysterious nine-year period, and his current psychological state in custody. Praise for Inside the Mind of BTK “Legendary profiler and bestselling author Douglas (Mindhunter), who pioneered the FBI’s systematic study of serial killers, offers his insights into one of this country’s most chilling killers—Dennis Rader, a seemingly innocuous family man and municipal employee, whose brutal murders terrorized Wichita, Kans., for three decades. . . . While the stomach-turning story of BTK’s crimes has been told by others, Douglas’s unique professional experience and his exclusive personal access to Rader offers a different perspective, even as the answer to the question of how such a monster comes to be remains elusive.” —Publishers Weekly “Riveting! Douglas and Dodd have focused a laser sight on one of the most fascinating and disturbing serial killers of our time. Their in-depth analysis of BTK’s early childhood, his seemingly “normal” everyday life, and his shockingly well-hidden “other” life deftly explores the nature of evil and how we can better protect ourselves from such cunning predators.” —Lisa Gardner, New York Times–bestselling suspense author of Hide

In Cold Pursuit Paul Echols 2011 The author offers a riveting account of his hunt for an unpredictable serial killer, a search that began when he was only a rookie cop and followed the murderer’s bloody wake for 25 years before it ended.

Deacon of Death Fred Rosen 2015-07-01 Baptist deacon, family man, pillar of his Florida community . . . and serial killer of prostitutes: chilling true crime from the author of Lobster Boy. By day, Sam Smithers was the deacon of his Baptist church in Plant City, Florida, a respected neighbor to many, and a devoted husband and father. But after the sun set, he became something else: a violent attacker—and killer—of prostitutes. Smithers’s twisted double life came to light when a local woman who had hired him to take care of her property found him in her garage, cleaning an ax—and then discovered a puddle of blood. Through exclusive interviews with Smithers’s wife, who described her spouse as nothing but a doting husband and father, author Fred Rosen learned why this man of God, raised in an intensely religious Tennessee home, was the last person anyone would suspect of committing these savage crimes. Rosen reveals the details behind the deaths of Christy Cowan and Denise Roach after Smithers picked them up in Tampa—and the fate of a man who seemed holier than thou, but was actually guilty as sin.

Real-Life Monsters Stephen J. Giannangelo 2012-07-06 This book presents an in-depth psychological analysis of the development of the serial killer personality that will fascinate all readers, from the experienced criminology student to the casual true-crime reader. Real-Life Monsters: A Psychological Examination of the Serial Murderer takes a different approach than most titles on a similar topic: the author develops and proposes an original psychological explanation, rather than simply repeating some of the long-held theories for these criminals’ heinous actions. The work addresses current issues, presents detailed commentary and personal observation, and contains photographs that will fascinate general readers interested in the subjects of true crime, serial killers, and psychopathology. The first part of the book carefully examines the research past and present regarding clinical, psychological, societal, and biological bases for violent behavior, specific to the serial murderer. Part two establishes a novel theory of the pattern of violence and then explores this hypothesis through eight case studies, interviews with serial killers, and elemental analysis. The work also contains a chapter based on conversations between the author and a convicted serial murderer.

Sudden Terror Larry Crompton 2010 This book is based on the actual case of the East Area Rapist, later also known as the Original Night Stalker, a masked man who terrorized California communities for ten years; 1976 through 1986, and possibly to this day. Because I was not involved in the initial rape investigations, they are written from hundreds of reports, notes, memos, newspaper clippings, conversations and interviews with those who were involved. The crimes are factual. The crimes are real. While all characters and events have direct counterparts in the telling of the story, I have created some dialogue in the interest of readability. The cops in the initial rapes are not factual, their actions are. Their names and descriptions are completely fictitious. The names of the victims, witnesses and suspects are fictitious; the terror, the dialogue during the crimes, and the investigations are real. The cops involved in the cases after I was involved are real, their names and dialogue is

factual, the investigations are real. The pain and terror may have diminished in the minds of the victims, I hope that the pain does not return. My intent is to tell the story without endangering the privacy or the dignity of the victims. They have suffered enough.

Heartsick: A Gretchen Lowell Novel 1 Chelsea Cain 2007-07-25 He thinks he sees a flash of emotion in her eyes. Sympathy? Then it’s gone. “Whatever you think this is going to be like,” she whispers, “it’s going to be worse.” When beautiful serial killer Gretchen Lowell captured her last victim - the man in charge of hunting her down - she quickly established who was really in control of the investigation. So why, after ten days of horrifying physical and mental torture, did she release Detective Archie Sheridan from the brink of death and hand herself in? Two years on, Archie now returns to lead the search for a new killer, whose recent attacks on teenage girls have left the city of Portland reeling. Shadowed by vulnerable young reporter Susan Ward, Archie knows that only one person can help him climb into the mind of this psychopath. But can Archie finally manage to confront the demons of his past without being consumed by them?

Tantamount Blaine L. Pardoe 2019-10-01 A cold case investigation of a notorious serial killer who terrorized 1970s Washington D.C. by the New York Times bestselling true crime coauthors. In 1971 and 1972, a deadly predator stalked the streets of the nation’s capital. His targets were young girls whose fates included rape and torture before their brutalized corpses were left in plain view along busy roadways. Seven victims raging from the ages of ten to eighteen died in his hands. On one victim he left a note, taunting police and claiming the media’s name for him: The Freeway Phantom. Then, as abruptly as he started, the Freeway Phantom stopped. Decades later, Washington DC’s oldest unsolved serial killing spree is pried open with the suspects, the liars, and the evidence laid bare. Father-daughter true crime investigators Blaine Pardoe and Victoria Hester shed new light and provide tantalizing new clues as to who the Freeway Phantom may be.

My Pet Serial Killer Michael J Seidlinger 2022-02-25 Dexter meets Secretary in Michael J. Seidlinger’s provocative, disturbing literary thriller that reinvents the serial killer genre, exploring the psychology of desire. Claire studies forensic science, Victor is the Gentleman Killer. Subverting expectations, Clair seduces Victor and keeps him in her apartment as her pet, her darkest secret. Beautifully written, provocative to read, Seidlinger delves into Claire’s motivations and impetus to present a compelling psychosexual portrait of a woman obsessed with performance, with power, with sex, and with gore.

A Serial Killer in Nazi Berlin Scott Andrew Selby 2024-05-27 Revised Edition: As the Nazi war machine caused death and destruction throughout Europe, one man in the Fatherland began his own reign of terror. This is the true story of the pursuit and capture of a serial killer in the heart of the Third Reich. For all appearances, Paul Ogorzow was a model German. An employed family man, party member, and sergeant in

the infamous Brownshirts, he had worked his way up in the Berlin railroad from a manual laborer laying track to assistant signalman. But he also had a secret need to harass and frighten women. Then he was given a gift from the Nazi high command. Due to Allied bombing raids, a total blackout was instituted throughout Berlin, including on the commuter trains—trains often used by women riding home alone from the factories. Under cover of darkness and with a helpless flock of victims to choose from, Ogorzow's depredations grew more and more horrific. He escalated from simply frightening women to physically attacking them, eventually raping and murdering them. Beginning in September 1940, he started casually tossing their bodies off the moving train. Though the Nazi party tried to censor news of the attacks, the women of Berlin soon lived in a state of constant fear. It was up to Wilhelm Lüdtke, head of the Berlin police's serious crimes division, to hunt down the madman in their midst. For the first time, the gripping full story of Ogorzow's killing spree and Lüdtke's relentless pursuit is told in dramatic detail. Note: The ebooks and new paperbacks are the 2024 revised edition.

The Hands of Mr. Ottermole (Fantasy and Horror Classics) Thomas Burke 2014-12-03 Thomas Burke's 'The Hands of Mr. Ottermole' is widely regarded as one of the best detective stories of the thirties. First published in 1931, Burke's tale was later adapted for an episode of Alfred Hitchcock Presents. Many of the well known western and detective short stories, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Death in the Air Kate Winkler Dawson 2017 A real-life thriller in the vein of *The Devil in the White City*, Kate Winkler Dawson's debut *Death in the Air* is a gripping, historical narrative of a serial killer, an environmental disaster, and an iconic city struggling to regain its footing. In winter 1952, London automobiles and thousands of coal-burning hearths belched particulate matter into the air. But the smog that descended on December 5th of 1952 was different; it was a type that held the city hostage for five long days. Mass transit ground to a halt, criminals roamed the streets, and 12,000 people died. That same month, there was another killer at large in London: John Reginald Christie, who murdered at least seven women. In a braided narrative that draws on extensive interviews, never-before-published material, and archival research, Dawson captivantly recounts the intersecting stories of the these two killers and their longstanding impact on modern history.

I'll Be Gone in the Dark Michelle McNamara 2019-02-26 THE BASIS FOR THE MAJOR 6-PART HBO® DOCUMENTARY SERIES #1 NEW YORK TIMES BESTSELLER A BEST BOOK OF THE YEAR: Washington Post | Maureen Corrigan, NPR | Paste | Seattle Times | Entertainment Weekly | Esquire | Slate | BuzzFeed | Jezebel | Philadelphia Inquirer | Publishers Weekly | Kirkus Reviews | Library Journal | Bustle Winner of the Goodreads Choice Awards for Nonfiction | Anthony Award Winner | SCIBA Book Award Winner | Finalist for the Edgar Award for Best Fact Crime | Longlisted for the Carnegie Medal for Excellence The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. Introduction by Gillian Flynn • Afterword by Patton Oswalt “A brilliant genre-buster.... Propulsive, can’t-stop-now reading.” —Stephen King For more than ten years, a mysterious and violent predator committed fifty sexual assaults in Northern California before moving south, where he perpetrated ten sadistic murders. Then he disappeared, eluding capture by multiple police forces and some of the best detectives in the area. Three decades later, Michelle McNamara, a true crime journalist who created the popular website TrueCrimeDiary.com, was determined to find the violent psychopath she called “the Golden State Killer.” Michelle pored over police reports, interviewed victims, and embedded herself in the online communities that were as obsessed with the case as she was. *I’ll Be Gone in the Dark*—the masterpiece McNamara was writing at the time of her sudden death—offers an atmospheric snapshot of a moment in American history and a chilling account of a criminal mastermind and the wreckage he left behind. It is also a portrait of a woman’s obsession and her unflagging pursuit of the truth. Utterly original and compelling, it has been hailed as a modern true crime classic—one which fulfilled Michelle's dream: helping unmask the Golden State Killer.

Inside the Mind of a Killer Jean-Francois Abgrall 2004 In the duel between a small-town cop and France's most dangerous serial killer, the advantage appeared heavily in favour of Francis Heaulme, the criminal known as the 'man from nowhere', who may have killed more than to 50 men, women and children. Heaulme left few ordinary clues during a career of crime spread across the country. Faced with a master of ingenious alibis and innate resistance to interrogation, all his gendarmerie opponent could count on was instinct. spoke murders. He referred to pepins - bothersome details, before noting days when pepins coincided with killings he had supposedly witnessed. He gave the impression he was an accidental observer of events in which women were beaten to death or children repeatedly stabbed. is thought to have been involved at least 50 murders, Heaulme once said that 'every time I visited somewhere there was a pepin.' So far 400 towns and villages have been identified where Heaulme stayed. Paul Webster in the Observer, reviewing the French edition. This is the best, clearest most decisive account of the work of a detective possible. It shows how deadly criminals can only be caught by a combination of luck, patience - and most important of all skill and determination. It is frightening stuff.

A Special Place in Hell Christopher Berry-Dee 2021-03-04 Sunday Times bestselling author Christopher Berry-Dee is the man who talks to serial killers. A world-renowned investigative criminologist, he has gained the trust of murderers across the world, entered their high security prisons, and discussed in detail their shocking crimes. The killers' pursuit of horror and violence is described through the unique audiotape and videotape interviews which Berry-Dee conducted, deep inside the bowels of some of the world's toughest prisons. Christopher Berry-Dee has collated these interviews into this astounding, disturbing book. Not only does he describe his meetings with some of the world's most evil men and women, he also reproduces, verbatim, their very words as they describe their crimes, allowing the reader a glimpse into the inner workings of the people who have committed the worst crime possible - to mercilessly take the life of another human being.

Forty Words for Sorrow Giles Blunt 2010-04-30 Now a major television series, *CARDINAL*, and the first book in the John Cardinal series. When four teenagers go missing in the small northern town of Algonquin Bay, the extensive police investigation comes up empty. Everyone is ready to give up except Detective John Cardinal, an all-too-human loner whose persistence only serves to get him removed from homicide. Haunted by a criminal secret in his own past and hounded by a special investigation into corruption on the force, Cardinal is on the brink of losing his career—and his family. Then the mutilated body of thirteen-year-old Katie Pine is pulled out of an abandoned mineshaft. And only Cardinal is willing to consider the horrible truth: that this quiet town is home to the most vicious of serial killers. The case as it unfolds proves eerily reminiscent of the Moors murders in Britain, as an unassuming young man and his belligerently loyal girlfriend scout young victims for their macabre games. With the media, the provincial police and his own department questioning his every move, Cardinal follows increasingly tenuous threads towards the unthinkable. Time isn't only running out for him, but for another young victim, tied up in a basement wondering when and how his captors will kill him.

The Secret Serial Killer Robert Mulhern 2019-04-30 This true crime investigation into the notorious case of Kieran Kelly reveals “new twists that add further intrigue to the mystery” (Irish Post). On the evening of August 21, 1983, Metropolitan Police detectives raced to London’s Clapham Police Station to find a prisoner dead. His cellmate sat quietly in the corner. Kieran Kelly, a laborer from Ireland, calmly confessed to

strangling the prisoner—and then stunned officers by confessing to dozens of unreported and unsolved murders over the previous 30 years. Kelly may have been Britain’s most prolific serial killer, yet he was convicted on just two of his admissions. In 2015, a former police officer who worked on the case made a bombshell accusation: that Kelly' crimes were covered up by the British Government. Strangulations, murders on the London Underground, an internal Metropolitan Police review—as the story’s elements whipped the international news media into a frenzy, journalist Robert Mulhern set off from London to rural Ireland on a methodical search for the truth. Could Kieran Kelly really have murdered 31 times?

Stephen Fulcher receives a life-changing call that thrusts him into a race against the clock to save missing 22-year-old Sian O’Callaghan, who was last seen at a nightclub in Swindon. Steve knows from experience that he has a small window of time to find Sian alive, but his hopes are quickly dashed when his investigation leads him to Christopher Halliwell, a cabbie with sick obsessions. Following the investigation as it develops hour-by-hour, Steve’s gripping inside story of the cat-and-mouse situation that ensues shows how he hunted down Halliwell – his number-one suspect – which led him to the discovery of Sian’s body and another victim, Becky Godden-Edwards, who had been missing since 2002. The murders shocked the nation and Halliwell become one of the most hated men in Britain. Since then, he has been linked to several murders and disappearances, and has been called 'sick in the head' by an ex-cellmate for his unrelenting hatred of women. Catching a Serial Killer is a thrilling, devastating and absorbing look at a real-life murder case and potentially one of the UK’s most prolific serial killers.

The Serial Killer Whisperer Pete Earley 2012 "From New York Times bestselling author Pete Earley comes the true story of a young man who suffers a traumatic brain injury that renders him incapable of judging or feeling repulsion, and subsequently becomes the most trusted confidant of numerous imprisoned serial killers"--
