

Into The Storm Destroyermen

Firestorm Taylor Anderson 2012-10-02
BURNING WATERS Designated Supreme Commander of the Allied Forces, Matt Reddy must now contend with a new threat; the Dominion—humans whose lust for power matches the Grik. But even though the Grand Alliance recognizes the danger of the Dominion, it must deal with the land-based Grik first, leaving the Imperial navy—and USS Walker—with little assistance. As war rages, more Japanese ships come through the time-space maelstrom that the Americans call The Squall. One is a “Hell Ship,” carrying prisoners of an Imperial Japan that is growing ever more ruthless in the face of looming defeat. Escorting it is a new, state-of-the-art destroyer, whose officers recognize no rules of war. Fighting on

two fronts, Reddy is plunged into a firestorm of loyalty, betrayal, and sacrifice. But nothing can prepare him for a devastating new Grik weapon—a weapon that could wipe out all who oppose them...

Grunts Mary Gentle 2013-08-29 What is an orc? An orc is an 18 stone fighting machine, made of muscle, hide, talon and tusk, with a villainous disposition and a mean sense of humour. And, of course, an orc is a poor dumb grunt - the much abused foot soldier of the Evil Horde of Darkness. The usual last battle of Good against Evil is about to begin. Orc Captain Ashnak and his war-band know exactly what they can expect. The forces of Light are outnumbered, full of headstrong heroes devoid of tactics - but the Light's still going to win. Orcs - the sword fodder in the front line - will die by the thousands. Life's

a bitch.

The Tide of Victory Eric Flint 2001-07-01 AN EVIL The creators of the monster called Link once were human, but that was distant ages in their past. Now, from the far future, they have sent their creation back to shape the world of the 6th century AD into the form that will make their own foul existence possible. Taught and ruled by Link, the Malwa Empire has spread from the Indus Valley, across India and into Mesopotamia. Its inhuman master has chosen its instruments from the most brutal and degraded members of humanity, and they have served its monstrous ends well. A GUIDE Those in the future who never were human have sent their own messenger to the past: Aide, a gleaming jewel who can warn but not lead; who can teach the construction of new weapons but cannot wield those weapons himself. Aide has come to Belisarius, the greatest general of the 6th century and perhaps any century. Between them they have forged an alliance of all the world

against evil^{3/4} and an army that can be the spear through evil's heart. A CRUSADE With lancers and breech-loading rifles, with steamships and with galleys, Belisarius is marching into the Malwa heartland. In a world aflame with treachery, assassination, and slaughter beyond anything save the battles of mythology, he and his companions know only one sure thing: if they fail, their whole world is doomed to living Hell^{3/4} for all time! A VICTORY! Politics, battle, and heroic adventure in a vivid alternate past! At the publisher's request, this title is sold without DRM (Digital Rights Management).

Distant Thunders Taylor Anderson 2010-06-01 The skies explode in this thrilling alternate history novel in Taylor Anderson's New York Times bestselling Destroyermen series. After the terrible battle between the men of the destroyer USS Walker and their Lemurian allies against the savage Grik, Lieutenant Commander Matthew Reddy is shocked by the arrival of a strange ship captained by Commodore Jenks of

the New Britain Imperial Navy—an island-nation populated by the descendants of British East Indiamen swept through the rift centuries before. With the Walker undergoing much-needed repairs, Reddy knows the Grik have only been fended off, not defeated, and he will need all hands on deck to fight them off when they next attack—but Jenks' loyalties seem uncertain. As tension between the Allies and the Imperials mount, Reddy will come to realize that his suspicions are not misplaced—and that a greater danger than the Grik is about to be revealed...

A Galaxy Unknown Thomas DePrima 2011 A young ensign, recently graduated from the Northern Hemisphere Space Academy, is awakened abruptly in the middle of the night by alarms, flashing lights, and dire messages to abandon ship. The petite blonde pulls on some clothes and races through the spaceship in a desperate search for an available life pod-- but it appears all have already departed. So begins the epic story of Jenetta Carver. Get a tight grip on

your book and prepare for an exciting adventure like few others because Jenetta is ready to take names and kick butts from one end of the galaxy to the other. She may be small, but she has an intellect as large as Colossus of Rhodes and makes General Sun-Tzu look like an amateur military enthusiast.

Downbelow Station C. J. Cherryh 2008-12-02
The Hugo Award-winning classic sci-fi novel, now available in a trade edition. The Beyond started with the Stations orbiting the stars nearest Earth. The Great Circle the interstellar freighters traveled was long, but not unmanageable, and the early Stations were emotionally and politically dependent on Mother Earth. The Earth Company which ran this immense operation reaped incalculable profits and influenced the affairs of nations. Then came Pell, the first station centered around a newly

discovered living planet. The discovery of Pell's World forever altered the power balance of the Beyond. Earth was no longer the anchor which kept this vast empire from coming adrift, the one living mote in a sterile universe. But Pell was just the first living planet. Then came Cyteen, and later others, and a new and frighteningly different society grew in the farther reaches of space. The importance of Earth faded and the Company reaped ever smaller profits as the economic focus of space turned outward. But the powerful Earth Fleet was still a presence in the Beyond, and Pell Station was to become the last stronghold in a titanic struggle between the vast, dynamic forces of the rebel Union and those who defended Earth's last, desperate grasp for the stars.

Vakov Fukasawa is a Reaper. An elite soldier injected with a dangerous drug called stormtech: the DNA of a genocidal alien race, the Shenoi. It makes him stronger, faster, more aggressive. At

a price. A price that, if the House of Suns cult isn't stopped, all of humanity will have to pay. Vakov saved his estranged brother from the cult and killed their leader. Now they want his head on a spike, and they're hunting him and his friends down to get it, while continuing their mission to awaken the Shenoi and plunge the galaxy into mindless violence and chaos. There's a dangerous journey ahead, but Vakov and his misfit crew of eccentric aliens, troubled bounty hunters and rogue hackers will take any risk to stop the alien awakening. Only there's one risk Vakov hasn't shared: the one he himself poses. He got a terrifying glimpse of the Shenoi in the depths of interstellar space, and the violent nightmares he's suffered since suggest their DNA isn't just inside his body - he might already be fighting them for his mind . . . Blood In the Water Taylor Anderson

2016-06-14 Taylor Anderson's enthralling New York Times bestselling series of alternate history continues as game-changing revelations upend the Grand Alliance in a potentially cataclysmic war. Ever since the USS Walker came from another world war to defy the terrifying Grik and diabolical Dominion, Matt Reddy and his crew have given their all to protect the oppressed Lemurians. But with the Walker in desperate need of repairs just as the Grik's First General is poised to strike, Reddy is desperate. With more enemies than ever before arrayed against them, the crew of the Walker needs new allies. That means combing the lethal wilds of Madagascar to find the Lemurians' fabled ancestors, as well as the enigmatic dwellers east of the Pass of Fire. But what Reddy's crew unearths may be

more than they can handle—discoveries so shattering they could tilt the balance of the war in either direction. But Reddy's greatest adversary is from his past: a madman named Kurokawa whose single-minded mission of revenge will shake the Alliance to its core and raise the stakes to the most personal and terrifying levels Reddy has ever faced.

Breathless Amy McCulloch 2022-02-17 At the top of the world's tallest mountains, there literally isn't enough oxygen to breathe. In the space of hours your body will begin to shut down. Any longer, and death is inevitable. What better place for a serial killer to find their next victim? Struggling journalist Cecily Wong is delighted to be invited to interview famed mountaineer Charles McVeigh, conditional on joining his team on one of the Himalayas' toughest peaks. But on the mountain, it's clear something is wrong. It begins small - a theft, an accidental fall. And then a note, pinned to her tent in the night- there's a murderer on the

mountain...

The Sunrise Lands S. M. Stirling 2007 First in a new trilogy, this book continues the successful alternate history saga of "A Meeting at Corvallis, The Protectors War," and "Dies the Fire," all of which have been selections of the Science Fiction Book Club.

Island in the Sea of Time S. M. Stirling 1998 Through a freak of nature, the island of Nantucket is transported 3,000 years back in time. The novel describes the way its inhabitants adjust to primitive living and the reaction of the Indians on the mainland. By the author of *The Ship Avenged*.

Starstrike: Operation Orion Kevin Dockery 2008-03-25 SEALS-America's best just got better. On the heels of a bloody first contact comes Earth's most important diplomatic mission in history: a summit meeting with the three alien empires vying for control of the galaxy. Assurance that Earth's first extraterrestrial ambassadors aboard the

spaceship Pangaea will be safe means little to Lieutenant Thomas "Stonewall" Jackson. After all, a job's a job. As escorts on the voyage, Jackson and his sixteen-man team of new-breed Navy SEALs (Sea, Air, Land, and Space) must be neither seen nor heard. Unless, of course, the op hits the fan. While Jackson and his team respond to a distress call from an allied fleet, the Pangaea, with all its diplomatic passengers, goes missing, forcing the SEALs to follow the trail to an ice moon at the edge of the galaxy, a harsh environment crawling with crack commandos and hostile enemies. But for these warriors with their outrageous firepower, what seems an impossible quest is just another day in deep space.

Purgatory's Shore Taylor Anderson 2022-08-23 On their way to fight in the Mexican-American War, a group of American soldiers are swept away to a strange and deadly alternate Earth in this thrilling new adventure set in the world of the New York Times bestselling Destroyermen

series. The United States, 1847. A disparate group of young American soldiers are bound to join General Winfield Scott's campaign against Santa Anna at Veracruz during the Mexican-American War. They never arrive. Or rather . . . they arrive somewhere else. The untried, idealistic soldiers are mostly replacements, really; a handful of infantry, artillery, dragoons, and a few mounted riflemen with no unified command. And they've been shipwrecked on a terrible, different Earth full of monsters and unimaginable enemies. Major Lewis Cayce, late of the 3rd US "Flying" Artillery, must unite these men to face their fears and myriad threats, armed with little more than flintlock muskets, a few pieces of artillery, and a worldview that spiritually and culturally rebels against virtually everything they encounter. It will take extraordinary leadership and a cadre of equally extraordinary men and women to mold frightened troops into an effective force, make friends with other peoples the evil Holy

Dominion would eradicate, and reshape their "manifest destiny" into a cause they can all believe in and fight for. For only together will they have any hope of survival.

The Difference Engine William Gibson
2011-07-26 1855: The Industrial Revolution is in full and inexorable swing, powered by steam-driven cybernetic Engines. Charles Babbage perfects his Analytical Engine and the computer age arrives a century ahead of its time. And three extraordinary characters race toward a rendezvous with history—and the future: Sybil Gerard—a fallen woman, politician's tart, daughter of a Luddite agitator Edward "Leviathan" Mallory—explorer and paleontologist Laurence Oliphant—diplomat, mystic, and spy. Their adventure begins with the discovery of a box of punched Engine cards of unknown origin and purpose. Cards someone wants badly enough to kill for.... Part detective story, part historical thriller, *The Difference Engine* is the collaborative masterpiece by two

of the most acclaimed science fiction authors writing today. Provocative, compelling, intensely imagined, it is a startling extension of Gibson's and Sterling's unique visions—and the beginning of movement we know today as “steampunk!”

Union Forever William R. Forstchen 1991

Union Colonel Andrew Keane and his men discover that descendants of Roman soldiers, sixteenth-century corsairs from the Spanish Maine, and some of Ghengis Khan's men have also been transported in time to the distant future.

The Slaadikaar War Kevin J Kinne 2000-07-21

Book Description: In the year 2032, because of their corruption and self-destructive course, Humanity is all but wiped out by the Skendri, a species that Humans themselves had created. 5000 years later, Prince Krell, ruler of the Slaadikaar Holy Order, is attempting to negotiate the return of the rest of his people to their ancestral home. Political and territorial divisions with the Skendri Confederation keep

tensions high. Religious strife between the monotheistic Slaadikaar and the polytheistic people of the Nihanese Empire erupts into outbreaks of terrorism. Prince Krell's trusted top-ranking Admiral Dormuz, who has own dreams of Empire, secretly manipulates events so as to start an all-out war. Win or lose, the war will cause the downfall of Krell and place Dormuz himself upon the throne...or so he thinks. However, when the war doesn't go as planned, Admiral Dormuz makes a Faustian deal with an ancient race named the Guareg. Now, all sides in the conflict may pay the ultimate price of Dormuz's ambitions...

Iron Gray Sea Taylor Anderson 2013-07-02 War has engulfed the other earth, the parallel universe that Lt Commander Matt Reddy and the crew of the USS Walker now call home. With every hard-won victory and painful defeat, Reddy and the Allies encounter more friends—and even more diabolical enemies. Cutting short his “honeymoon,” Reddy sails off

in pursuit of Hidoiame, a rogue Japanese destroyer that is wreaking havoc in Allied seas. Now that Walker is armed with the “latest” technology, he hopes the four-stacker can handle a straight-up fight against the bigger ship. Elsewhere, the long-awaited invasion of Grik “Indiaa” has begun, and the Human-Lemurian Alliance is pushing back against the twisted might of the Dominion, even as political machinations threaten the Alliance from within. But the savage Grik have also mastered “new” technologies. And their fleet of monstrous ironclads and a bloodthirsty army are finally massing to strike...

An Oblique Approach David Drake 1998 Alien minds battle for Byzantium!

Deadly Shores Taylor Anderson 2014-05-06 National bestselling author Taylor Anderson’s explosive WWII alternate-history series continues as a do-or-die battle is waged that risks far more than anyone bargained for. The long-planned raid on the heart of the Grik

Empire has grown more ambitious—and dangerously ill defined. Only Matthew Reddy, commander of the old destroyer USS Walker, seems focused on its original intent. Many Lemurians see an opportunity to reconquer their sacred homeland, which was stolen long ago, and have no intention of simply striking a blow and then pulling back. Others, Lemurian and human, have their own agendas—which may not be in the best interests of the Alliance. Complicating matters further is Reddy’s suspicion that his task force is being stalked by an unknown power bent on aiding the Grik for reasons of its own. As the raid begins and chaos reigns, Reddy has no choice but to go all-in, risking everything in a desperate act that results in a sprawling, nightmarish battle on the beaches of “Grik City,” on the very decks of Walker, and in the labyrinthine passageways of the Celestial Palace itself. The final cost could be more than Matt Reddy—or the Alliance—can bear.

Cast Under an Alien Sun Olan Thorensen

2016-12-02 Joe Colsco boarded a flight from San Francisco to Chicago to attend a national chemistry meeting. He would never set foot on Earth again. On planet Anyar, Joe is found naked and unconscious on a beach of a large island inhabited by humans with a level of technology similar to Earth circa 1700. He wakes amid strangers speaking an unintelligible language, and struggles to accept losing his previous life, finding his way in a society with different customs, and not knowing a single soul. He makes a place among the people there when he applies his knowledge of chemistry-as long as he is circumspect in introducing new knowledge not too far in advance of the planet's technology and being labeled a demon. Joe discovers he has been dropped into a developing clash between the people who cared for him, and for whom he develops an affinity, and a military power from elsewhere on the planet, a power with designs on conquest. Unaware, Joseph Colsco has been

poured into a crucible, where time and trials will transform him in ways he could never have imagined.

Crusade Taylor Anderson 2008 Hurtled through time and space from the World War II Pacific, Lieutenant Commander Matthew Reddy, and the crew of the USS Walker find themselves in a strange alternate world where they and the destroyer Mahan ally themselves with the Lemurians in their battle against the warlike reptilian Grik, who have seized control of the Japanese battleship Amagi.

Maelstrom Taylor Anderson 2009-02-03 The spectacular alternate military history saga continues in the third novel in the New York Times bestselling Destroyermen series... Lieutenant Commander Matthew Reddy, along with the men and women of the battleship Walker, are once again at war. Having sided with the peaceful Lemurians against the savage, reptilian Grik, they now find themselves scrambling to prepare for the attack that is sure

to come. Meanwhile, the Japanese juggernaut Amagi, also trapped in this strange world, is under Grik control. Soon, they will have amassed a force that no amount of fire-power and technology will be able to stop. Reddy, his crew, his allies, and his loved ones face annihilation. But if there is one thing they have learned about their new world, it is that hope-and help-may just be over the horizon...

The Darkness That Comes Before R. Scott Bakker 2008-09-02 A mysterious traveler intervenes in an epic holy war in this “impressive, challenging debut” of the critically acclaimed fantasy epic (Publishers Weekly, starred review). The first book in R. Scott Bakker's Prince of Nothing series introduces readers to a strikingly original and engrossingly vivid new world. With its language and classes of people, its cities, religions, mysteries, taboos, and rituals, *The Darkness That Comes Before* has drawn comparison to J.R.R. Tolkien's *The Lord of the Rings* and Frank Herbert's *Dune*.

Bakker's *Eärwa* is a world scarred by an apocalyptic past, evoking a time both two thousand years past and two thousand years into the future. As untold thousands gather for a crusade, two men and two women are ensnared by a mysterious traveler, Anasûrimbor Kellhus—part warrior, part philosopher, part sorcerous, charismatic presence—from lands long thought dead. *The Darkness That Comes Before* is a history of this great holy war, and like all histories, the survivors write its conclusion.

Drakas! S.M. Stirling 2000-11-01 THINK ABOUT HISTORY. NOW MAKE IT WORSE... The Domination of the Draka begins as a British possession in Africa, but soon becomes far more. Absorbing refugees after the American Revolution, and later the Civil War, the Draka become a people bred to rule with an iron fist. They permanently enslave the peoples of Africa, when they do not simply kill them. But this does not slake the Draka thirst for power. Sweeping

across the world, the Draka empire engulfs nation after nation, shackling into servitude all who are not Draka. Europe, Asia, and finally all the Earth and its colonies throughout the Solar System fall before the might of the Draka. But empires are not faceless monoliths; they are made of individuals, complex humans with their own hopes and dreams. And so one might ask: Who are the Draka? What sort of people does the Domination rule? The Draka would have many different answers... ..and this is their story.

Resolute Jack Campbell 2023-06-06 A Nominee for the 2022 Dragon Award for Best Military Science Fiction or Fantasy Admiral John “Black Jack” Geary must battle dangers both within and without the Alliance, in this exciting continuation of the New York Times bestselling series. Geary knows that some political factions in the Alliance were just trying to get rid of him when he was assigned to escort a diplomatic and scientific mission to the far reaches of humanity’s expansion into the galaxy . . . and

beyond. But he views his mission as both a duty and an opportunity to make things better wherever he can. And when a crippled Rift Federation ship tumbles out of jump space, Geary leaps into action. But the survivors’ story isn’t completely adding up. As Geary investigates, he soon finds himself fending off spies and assassins while leading the fleet as it fights its way across space controlled by the mysterious and hostile aliens whom humans call enigmas. Challenges arrive at every turn, including an unknown alien species that invites the fleet to visit one of their star systems. With little information to go on, Geary must weigh the benefits of potential new allies against the possibility of a trap. The fate of the fleet—and perhaps even the future of humanity—will depend on him making the right decision. If he can stay alive long enough to do that.

Bitter Seeds Ian Tregillis 2010-04-13 From “a major talent,” a WWII alternate military history that pits German soldiers with superpowers

against British occult forces (George R. R. Martin, New York Times–bestselling author of *Game of Thrones*). It's 1939. The Nazis have supermen, the British have demons, and one perfectly normal man gets caught in between. Raybould Marsh is a British secret agent in the early days of the Second World War, haunted by something strange he saw on a mission during the Spanish Civil War: a German woman with wires going into her head who looked at him as if she knew him. When the Nazis start running missions with people who have unnatural abilities—a woman who can turn invisible, a man who can walk through walls, and the woman Marsh saw in Spain who can use her knowledge of the future to twist the present—Marsh is the man who has to face them. He rallies the secret warlocks of Britain to hold the impending invasion at bay. But magic always exacts a price. Eventually, the sacrifice necessary to defeat the enemy will be as terrible as outright defeat would be. *Bitter Seeds* is an epic tale of a

twentieth century like ours and also profoundly different. "Exciting and intense . . . The clash of magic and (mad) science meshes perfectly with the tumultuous setting." —Publishers Weekly "A white-knuckle plot, beautiful descriptions, and complex characters—an unstoppable Vickers of a novel." —Cory Doctorow, New York Times–bestselling author of *The Bezzle* "[*Bitter Seeds*] may rival Naomi Novik's *Tales of Temeraire* as a sustained historical fantasy." —Booklist

FREEDOM AND JUSTICE -- AMERICAN STYLE
1632 And in northern Germany things couldn't get much worse. Famine. Disease. Religious war laying waste the cities. Only the aristocrats remained relatively unscathed; for the peasants, death was a mercy. 2000 Things are going OK in Grantville, West Virginia, and everybody attending the wedding of Mike Stearn's sister (including the entire local chapter of the United Mine Workers of America, which Mike leads) is

having a good time. THEN, EVERYTHING CHANGED.... When the dust settles, Mike leads a group of armed miners to find out what happened and finds the road into town is cut, as with a sword. On the other side, a scene out of Hell: a man nailed to a farmhouse door, his wife and daughter attacked by men in steel vests. Faced with this, Mike and his friends don't have to ask who to shoot. At that moment Freedom and Justice, American style, are introduced to the middle of the Thirty Years' War.

The Lost Fleet: Dauntless Jack Campbell

2006-06-27 Captain John "Black Jack" Geary's legendary exploits are known to every schoolchild. Revered for his heroic "last stand" in the early days of the war, he was presumed dead. But a century later, Geary miraculously returns from survival hibernation and reluctantly takes command of the Alliance Fleet as it faces annihilation by the Syndic. Appalled by the hero-worship around him, Geary is nevertheless a man who will do his duty. And he knows that

bringing the stolen Syndic hypernet key safely home is the Alliance's one chance to win the war. But to do that, Geary will have to live up to the impossibly heroic "Black Jack" legend...

River of Bones Taylor Anderson 2019-05-07

The crew of a WWII destroyer face their greatest challenge yet as they try to survive in a strange new world in the next thrilling book in the New York Times bestselling series. Commander Matt Reddy and his crew are afraid it may finally be the end of the USS Walker. Ever since their ship was transported to another world, and they became embroiled in a deadly conflict between the Lemurians and the vicious Grik, the Walker has been taking a pounding. With Walker out of commission for repairs, Reddy takes command of a different ship and joins a desperate battle to block the Grik swarm. Meanwhile, the humans and their allies face a deadly second front in the Republic to the south. All of Reddy's forces are committed, and there's no turning back. Either they'll win—or lose—everything...

Storm Surge Taylor Anderson 2014-05-06 In the Pacific, as USS Walker is repaired and updated after a previous battle and Matt Reddy is healing from his wounds, planning begins for a bold raid on the very heart of the Grik Empire. But time is running out for the Alliance army in Indiaa, and the Allied forces in the west must gather in an unprecedented land, air, and sea campaign to destroy the mighty Grik battle fleet and break through to their relief. All other plans go on hold when the attempt proves more difficult—and more heartbreakingly costly—than anyone imagined. Meanwhile, the struggle continues on other fronts near and far: in the jungles of Borno in distant southern Africa and in the Americas, where the Allies are finally learning the terrible truth about the twisted Dominion. The Alliance is on the offensive everywhere, but their enemies have a few surprises, including new weaponry and new tactics...and a stunning geographic advantage that Reddy never suspected. Until now.

Pass of Fire Taylor Anderson 2020-04-28 After being transported to a strange alternate Earth, Matt Reddy and the crew of the USS Walker have learned desperate times call for desperate measures, in the return to the New York Times bestselling Destroyermen series. Time is running out for the Grand Human and Lemurian Alliance. The longer they take to prepare for their confrontations with the reptilian Grik, the Holy Dominion, and the League of Tripoli, the stronger their enemies become. Ready or not, they have to move--or the price in blood will break them. Matt Reddy and his battered old destroyer USS Walker lead the greatest army the humans and their Lemurian allies have ever

assembled up the Zambezi toward the ancient Grik capital city. Standing against them is the largest, most dangerous force of Grik yet gathered. On the far side of the world, General Shinya and his Army of the Sisters are finally prepared for their long-expected assault on the mysterious El Paso del Fuego. Not only is the dreaded Dominion ready and waiting for them; they've formed closer, more sinister ties with the fascist League of Tripoli. Everything is on the line in both complex, grueling campaigns, and the Grand Alliance is stretched to its breaking point. Victory is the only option, whatever the cost, because there can be no second chances. Rally Cry William R. Forstchen 1990 When Union Colonel Andrew Keane and his soldiers were swept through a space-time warp, they found themselves in an alternate world where their rifles were centuries advanced over swords, spears and crossbows. But they also found themselves up against creatures who considered humans mere cattle to sacrifice!

Matt Reddy and the crew of the USS Walker are positioned to push the line of battle to the breaking point on an alternate Earth, in the thrilling return to the New York Times bestselling Destroyermen series. Matt Reddy and his sailors have fought, bled, and died for their Lemurian friends and other allies from across time, but their enemies are still operational. In Africa, the Grik General Esshk

has escaped defeat to build a new army and new weapons, and is desperate enough to use them to destroy the world if he can't have it. In South America, the NUS, General Shinya, and the Army of the Sisters have the evil Dominion on the ropes and are closing in on the seat of its blood-drenched power, but the twisted Don Hernan has struck a deal with the fascist League, and Victor Gravois is finally assembling the awesome fleet of modern ships he's always craved. If he's successful, the war will be lost. Undermined by treachery on a stunning scale, Matt Reddy must still steam his battered old ship halfway around the world, scraping up what forces he can along the way, and confront the mightiest armada the world has ever seen in a fiery duel to the death.
