guides his advice on topics like:

Philosophy can change the way you think about business* What Puccini's La Bohème can teach us about chance and opportunity* How

technological changes accelerated by Covid-19 will impact the future of real estate* How to succeed in business without losing your mind or selling your soulAn intimate blend of memoir and business strategy, Real Estate, A Love Story is a guide for those shaping their own paths and anyone who believes in human, value-driven enterprise.

broken. He understands pain. He knows the hand of violence and the ache of loss. He knows what it means to fail those who need you. Being broken doesn't stop him wanting the one thing he can't have; Finlay Tanner. Her smile is sweet and her future bright. She's the girl he grew up with, the girl he loves, the girl he protects from the world, and from himself. At nineteen, Ryan leaves to join the Australian Army. After years of training he becomes an elite SAS soldier and deploys to the Afghanistan war. His patrol undertakes the most dangerous missions a soldier can face. But no matter how far he runs, or how hard he fights, his need for Finlay won't let go. Returning home after six years, one look is all it takes to know he can't live without her. But sometimes love isn't enough to heal what hurts. Sometimes people like him can't be fixed, and sometimes people like Finlay deserve more than what's left. This is a story about war and the cost of sacrifice. Where bonds are formed, and friendships found.

Where those who are strong, fall hard. Where love is let go, heartache is born, and heroes are made. Where one man learns that the hardest fight of all, is the fight to save himself. This book is recommended for 18+ due to adult language and themes. Please note: K McCarthy is an Australian author and Australian spelling, language and slang has been used in this book.

when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, he's mistaken me for my succubus doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem--he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me.

Knight of Darkness Kinley MacGregor 2009-10-13 For countless centuries, I've been the assassin for the infamous Merlin, even though the woman who birthed me sits at the right hand of our enemy, Morgen le Fey. Now both my mother and Morgen have decided that it's time I take my place on their side of this conflict. Normally, telling them no wouldn't be a problem, except for the fact that the good guys I protect think that I'm an even worse demon than the ones we fight. Hmm, maybe they're right. I have to say that I do enjoy maiming anyone who gets in my way. At least until my mother gives me a simple choice: join Morgen's Circle of the Damned or see an innocent woman die. I'm all for saving the innocent, but Merewyn isn't as innocent as she seems. And she's none too fond of the fact that her fate is in my dubious hands. Personally I'm all for taking the easy way out, but leaving her to Morgen is rough, even for me. Now the only way to save both our lives is to face the vilest forces ever

Left with a permanent limp and in need of a job, he is recruited by Brotherhood Protectors where he can use his combat training and skills to protect, guard and rescue others. He didn't expect his first assignment to be the resident mechanic. Nor did he expect the mechanic to be a spitfire of a female with a whole lot of anger. Josephina Angelica Barrera-Ramirez or JoJo, as her friends call her, prefers to be left alone with the work she does on the machinery and vehicles of the Lost Valley Ranch. Suffering from situational amnesia brought on by an attack she sustained during a deployment to

Afghanistan, she's touchy about being touched and doesn't take flak from anyone. When she becomes the target of a killer, a former Green Beret is assigned as her bodyguard. Forced to have the Green Beret around, her distrust of men is challenged and the wall around her heart crumbles. When danger threatens, Max and JoJo must fight their own fears to defeat evil while losing the battle of their hearts to win a future together.

Letters from a Father Allen Carter 2021-06-04 For years now, it has been the author’s habit to write a monthly letter to his children during their teenage years. The letters cover an amazing array of life lessons that also show an intimate glimpse of one family’s life journey. All families, the same challenges and it is this connection that makes the book endearing and relevant to all who read it. Christian faith and values are highlighted throughout, and stories from the bible are brought to life. “I’ve read hundreds of books on fathering and Letters From a Father is at the very top of the list. This book shares timeless words of wisdom, grounded in scripture from the heart of a devoted father.” David Hirsch, founder 21st Century Dads Foundation & Host of the Special Fathers Network Dad to Dad Podcast. “Please read this book and perhaps start writing to the kids in your life. Why did He command such a great following? Says the author, "As a follower of Christ, what you are about to discover will help establish a cultural context that will enable you to clearly interpret the teachings of God's Son."

2021-08-06 Willow Taylor lives in a castle with large walls and

iron fences. But this is no ordinary castle. It's called Heartstone Psychiatric Hospital and it houses forty other patients. It has nurses with mean faces and techs with permanent frowns. It has a man, as well. A man who is cold and distant. Whose voice drips with authority. And whose piercing gray eyes hide secrets, and maybe linger on her face a second too long. Willow isn't supposed to look deep into those eyes. She isn't supposed to try to read his tightly-leashed emotions. Neither is she supposed to touch herself at night, imagining his powerful voice and that cold but beautiful face. No, Willow Taylor shouldn't be attracted to Simon Blackwood at all. Because she's a patient and he's her doctor. Her psychiatrist. The medicine man.

Yet it is Webb's distinguished second career as a lead instructor for the shadowy "sniper cell" and Course Manager of the Navy SEAL Sniper Program that trained some of America's finest and deadliest warriors—including Marcus Luttrell and Chris Kyle—that makes his story so compelling. Matshall Stevens 2022-03 A Sense of Dread features three main sections.1) A detailed examination of the biological, psychological, and cultural bases of fear. What fears do we share with animals? What fears are uniquely human? What fears have we learned from our culture? From our families? From our experiences growing up? And what, exactly, is the difference between fear and dread?2) Author Neal Marshall Stevens explores the fundamentals of storytelling and scriptwriting, including the basics of story structure, creating effective protagonists and antagonists, exposition and set-ups, and advice on writing dialogue.3) A Sense of Dread then combines these ideas to explore the roots of human fear and apply them to storytelling for the screen. "The Toolbox of Dread" outlines the techniques for creating terror on the page. A wide array of horror subgenres are also explored, including why they exist, and what challenges each presents to the horror screenwriter. It also offers guidance on adding

horror elements to non-horror movies. Finally, we seek to answer the question many people ask: What are you afraid of?
