Selections from the Sound of Music Richard Rodgers 1981 inch....this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch. (Oliver James, Contact Magazine) A novel and comprehensive approach to transferring from the C to F instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard treble repertoire ofBach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.

Sleigh Ride Duet Fantasy Leroy Anderson 2013-06-27 Leroy Anderson's "Sleigh Ride" is a holiday favorite, and this setting for advanced piano duet gives it a fresh twist. It begins with Anderson's jingling melody and some musical banter between the primo and secondo players, and then it launches into a series of variations that take the listener on a journey through a variety of styles, from gently swirling, impressionistic arpeggios to a triumphant coda with brilliant, virtuosic passagework. Audiences will enjoy a number of other musical surprises along the way.

Seascape, Op. 53 Ruth Gipps Ruth Gipps was one of the most fascinating women in the music world in England during the 20th century. She was a true pioneer as a composer and performer -- she founded and conducted the Portia Wind Ensemble, a chamber music group comprised entirely of women that provided an important outlet for composers throughout the past fifty years. Lawrence passed. Alfred Reed's setting of the music for concert band, available here for the first time in full score with newly edited parts, is built on two of the main themes: the Arabian motif, with its blazing color and almost-barbaric effects; and the Lawrence theme, a haunting, poignant melody that reflects both his love of the desert and his internal, psychological conflicts.
