Sanditon Jane Austen 2015-06-23 Jane Austen's Last, Unfinished Novel "I am no indiscriminate novel reader. The mere trash of the common circulating library I hold in the highest contempt." — Jane Austen, *Sanditon* Set in 19th century England, Jane Austen's last novel was completed by another author after her death. While it is still debated whether *Sanditon* was simply a first draft or marked a shift in Austen's writing style, the story of the daily lives of a cast of characters living in *Sanditon* makes for a lively read for Jane Austen fans. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book

club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it.

(1817) an unfinished novel by Jane Austen
Synopsis: A gentleman and a lady travelling from
Tunbridge towards that part of the Sussex coast
which lies between Hastings and Eastbourne,
being induced by business to quit the high road
and attempt a very rough lane, were overturned
in toiling up its long ascent, half rock, half sand.
The accident happened just beyond the only
gentleman's house near the lane-a house which
their driver, on being first required to take that
direction, had conceived to be necessarily their
object and had with most unwilling looks been
constrained to pass by. He had grumbled and
shaken his shoulders and pitied and cut his
horses so sharply that he might have been open

to the suspicion of overturning them on purpose
(especially as the carriage was not his master's
own) if the road had not indisputably become
worse than before, as soon as the premises of
the said house were left behind-expressing with
a most portentous countenance that, beyond it,
no wheels but cart wheels could safely proceed.
The severity of the fall was broken by their slow
pace and the narrowness of the lane; and the
gentleman having scrambled out and helped out
his companion, they neither of them at first felt
more than shaken and bruised.Sanditon (1817)
is an unfinished novel by the English writer Jane
Austen. In January 1817, Austen began work on
a new novel she called The Brothers, later titled
Sanditon, and completed eleven chapters before
stopping work in mid-March 1817, probably
because of her illness. R.W. Chapman first
published a full transcription of the novel in
1925 under the name Fragment of a
Novel.Analysis and background: The people of
"modern Sanditon", as Austen calls it, have

moved out of the "old house - the house of [their] forefathers" and are busily constructing a new world in the form of a modern seaside commercial town. The town of Sanditon is almost certainly based on Worthing, where Jane Austen stayed in late 1805 when the resort was first being developed, while there is persuasive evidence that the character of Mr Parker was inspired by Edward Ogle, Worthing's early entrepreneur, whom Jane Austen and her sister Cassandra knew. Quotes: "My name perhaps... may be unknown at this distance from the coast - but Sanditon itself - everybody has heard of Sanditon, - the favourite - for a young and rising bathing-place, certainly the favourite spot of all that are to be found along the coast of Sussex; - the most favoured by nature, and promising to be the most chosen by man." (Sanditon) Jane Austen works also includes: Novels Sense and Sensibility (1811) Pride and Prejudice (1813) Mansfield Park (1814) Emma (1815) Northanger Abbey (1818,

posthumous) Persuasion (1818, posthumous) Lady Susan (1871, posthumous) Unfinished fiction The Watsons (1804) Sanditon (1817) Other works Sir Charles Grandison (adapted play) (1793, 1800) [p] Plan of a Novel (1815) Poems (1796-1817) Prayers (1796-1817) Letters (1796-1817) Juvenilia - Volume the First (1787-1793) [q] Frederic & Elfrida Jack & Alice Edgar & Emma Henry and Eliza The Adventures of Mr. Harley Sir William Mountague Memoirs of Mr. Clifford The Beautifull Cassandra Amelia Webster The Visit The Mystery The Three Sisters A beautiful description The generous Curate Ode to Pity Juvenilia - Volume the Second (1787-1793) Love and Freindship Lesley Castle The History of England A Collection of Letters The female philosopher The first Act of a Comedy A Letter from a Young Lady A Tour through Wales A Tale Juvenilia - Volume the Third (1787-1793) Evelyn Catherine, or The Bower
