

# Jesus Christ Myth Or Reality

*Jesus the Man* Barbara

Thiering 2030-12-31 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

*Born Fundamentalist, Born Again Catholic* David Currie 2009-09-03 David Currie was raised in a devout Christian family whose father was a fundamentalist preacher and both parents teachers at Moody Bible Institute. Currie's whole upbringing was immersed in the life of fundamentalist Protestantism - theology professors, seminary presidents and founders of evangelical mission agencies were frequent guests at his family dinner table. Currie received a degree from Trinity International University and studied in the Masters of Divinity program. This book was written as an explanation to his fundamentalist and evangelical friends and family about why he became a Roman

Catholic. Currie presents a very lucid, systematic and intelligible account of the reasons for his conversion to the ancient Church that Christ founded. He gives a detailed discussion of the important theological and doctrinal beliefs Catholic and evangelicals hold in common, as well as the key doctrines that separate us, particularly the Eucharist, the Pope, and Mary.

*Nailed: Ten Christian Myths That Show Jesus Never Existed at All* David Fitzgerald

2010-10-01 Why would anyone think Jesus never existed? Isn't it perfectly reasonable to accept that he was a real first century figure? As it turns out, no. NAILED sheds light on ten beloved Christian myths, and, with evidence gathered from historians across the theological spectrum, shows how they point to a Jesus Christ created solely through allegorical alchemy of hope and

imagination; a messiah transformed from a purely literary, theological construct into the familiar figure of Jesus ' in short, a purely mythic Christ.

*Did Jesus Exist?* G. A. Wells 1987-02 Professor Wells argues that there was no historical Jesus, and in thus arguing he deals with the many recent writers who have interpreted the historical Jesus as some kind of political figure in the struggle against Rome, and calls in evidence the many contemporary theologians who agree with some of his arguments about early Christianity. The question at issue is what all the evidence adds up to. Does it establish that Jesus did or did not exist? Professor Wells concludes that the latter is the more likely hypothesis. This challenge to received thinking by both Christians and non-Christians is supported by much documentary evidence, and Professor Wells carefully examines all the relevant problems and answers all the relevant questions. He

deliberately avoids polemic and speculation, and sticks so far as possible to the known facts and to rational inferences from the facts.

**The Son Rises** William L. Craig 2000-09-29 Is the Christian message of Jesus Christ and his resurrection true? Using ten lines of historical evidence, Dr. Craig defends the probability that Jesus was resurrected following his crucifixion. He examines the origin of the Christian movement, and more provocative subjects, such as the Shroud of Turin, parapsychological phenomena and hallucinations.

[Bible Review](#) 2002

**On the Historicity of Jesus**

Richard Carrier 2014-06-03 The assumption that Jesus existed as a historical person has occasionally been questioned in the course of the last hundred years or so, but any doubts that have been raised have usually been put to rest in favor of imagining a blend of the historical, the mythical and the theological in the surviving records of Jesus.

*Downloaded from*  
[sp.athena-security.com](http://sp.athena-security.com) on  
2022-12-31 by guest

Carrier re-examines the whole question and finds compelling reasons to suspect the more daring assumption is correct. He lays out extensive research on the evidence for Jesus and the origins of Christianity and poses the key questions that must now be answered if the historicity of Jesus is to survive as a dominant paradigm.

Carrier contrasts the most credible reconstruction of a historical Jesus with the most credible theory of Christian origins if a historical Jesus did not exist. Such a theory would posit that the Jesus figure was originally conceived of as a celestial being known only through private revelations and hidden messages in scripture; then stories placing this being in earth history were crafted to communicate the claims of the gospel allegorically; such stories eventually came to be believed or promoted in the struggle for control of the Christian churches that survived the tribulations of the first century. Carrier finds the latter theory more credible than has been previously

imagined. He explains why it offers a better explanation for all the disparate evidence surviving from the first two centuries of the Christian era. He argues that we need a more careful and robust theory of cultural syncretism between Jewish theology and politics of the second-temple period and the most popular features of pagan religion and philosophy of the time. For anyone intent on defending a historical Jesus, this is the book to challenge.

Jesus Never Existed Kenneth Humphreys 2014

Jesus Before the Gospels Bart D. Ehrman 2017-02-28 The bestselling author of *Misquoting Jesus*, one of the most renowned and controversial Bible scholars in the world today examines oral tradition and its role in shaping the stories about Jesus we encounter in the New Testament—and ultimately in our understanding of Christianity. Throughout much of human history, our most important stories were passed down orally—including the stories about Jesus before they

Downloaded from  
[sp.athena-security.com](http://sp.athena-security.com) on  
2022-12-31 by guest

became written down in the Gospels. In this fascinating and deeply researched work, leading Bible scholar Bart D. Ehrman investigates the role oral history has played in the New Testament—how the telling of these stories not only spread Jesus' message but helped shape it. A master explainer of Christian history, texts, and traditions, Ehrman draws on a range of disciplines, including psychology and anthropology, to examine the role of memory in the creation of the Gospels. Explaining how oral tradition evolves based on the latest scientific research, he demonstrates how the act of telling and retelling impacts the story, the storyteller, and the listener—crucial insights that challenge our typical historical understanding of the silent period between when Jesus lived and died and when his stories began to be written down. As he did in his previous books on religious scholarship, debates on New Testament authorship, and the existence of Jesus of Nazareth, Ehrman combines his deep knowledge

and meticulous scholarship in a compelling and eye-opening narrative that will change the way we read and think about these sacred texts.

**Jesus, a Myth** Georg Brandes 1926

Jesus Ian Curtis 2006-06 Are you strong enough to handle the truth about your faith and belief? Since infancy you have been taught stories from the Bible. Did you know that they are simply myths and superstitions, gathered together from the veils of antiquity? The priests of the ancient world were seeking a new method of power and control over the masses. In this book you will be given truths and directed to paths of reality. All religions are created for control and wealth. Jesus never existed and there is no evidence that a benevolent God watches over his children.

There is also the same lack of proof that an Allah, a Buddha, or a Krishna ever existed or exists today. What we have developed is a path to the total destruction of mankind. Our planet earth is being torn apart

Downloaded from  
[sp.athena-security.com](http://sp.athena-security.com) on  
2022-12-31 by guest

by foolish beliefs which are promoted and supported by the weaknesses of a mass of human beings who have to have a security blanket. Collectively the nations of the world are on an inevitable collision course and the cause is religion. This is the ultimate results of a child's game of, "my God is bigger than your God "

### Mothers, Sex, And Sexuality

Michelle Walks 2020-06-01

Mothers, Sex, and Sexuality talks about things not normally dared spoken out loud—the interconnectedness and conflict between our parental and sexual selves, the taboo of the sexual mother, and why it matters so much to shatter it. What is it about the sexual mother that is incompatible, and at times even disturbing? Why are we threatened by maternal sexuality? And what does this tell us about the structures of gender and power that govern our bodies? Mothers, Sex, and Sexuality presents a rigorous academic analysis of the myriad ways in which the sexual/maternal

divide affects women, birthing people, and those of us who assume or are ascribed the title "mother". We examine the way we as mothers talk to our daughters about sex, the way we talk about sex in a cultural context, and the deafening silence around sex in a medical system that overlooks maternal sexuality. We return repeatedly to the impact of both Christianity and Hinduism on the mother as someone to be revered but tightly controlled. We embrace the lost eroticism of mothering and hail breastfeeding as a sexual maternal practice, arguing for a new, broader, feminist understanding of sexuality. We discuss the way fat mothers destabilise the heteronormative maternal model, the way kinky queers are reconfiguring the sexual/maternal divide through erotic role-play, and we explore the strange, intense, and romantic domestic relationship that springs up between mothers and nannies—two heterosexual women trapped together in a homoerotic

Downloaded from  
[sp.athena-security.com](http://sp.athena-security.com) on  
2022-12-31 by guest

triangulation of need and desire. In a titillating climax we revel in the sexual maternal as embodied through performance art, poetry, installations, and comedy, disrupting queer readings of bodies as we are invited to both fuck, and fuck with, the maternal. This book boldly provides both a challenge to the patriarchal constraints of motherhood and a racy road-map escape route out of the sexual-maternal dichotomy.

### **Jesus Christ Myth Vs.**

**Reality** Group 1993-09-01

### **The Problem of God**

Mark Clark 2017-08-22 The Problem of God explores answers to the most difficult questions raised against Christianity. A skeptic who became a Christian and then a pastor, author Mark Clark grew up in an atheistic home. After his father's death, he began a skeptical search for truth through the fields of science, philosophy, and history, eventually finding answers in the last place he expected: Christianity. In a winsome, persuasive, and humble voice, The Problem of

God responds to the top ten interrogations people bring against God, and Christianity, including: Does God even exist in the first place? What do we do with Christianity's violent history? Is Jesus just another myth? Can the Bible be trusted? Why should we believe in Hell anymore today? Each chapter answers the specific challenge using a mix of theology, philosophy, and science. Filled with compelling stories and anecdotes, The Problem of God presents an organized and easy-to-understand range of apologetics, focused on both convincing the skeptic and informing the Christian. The book concluding with Christianity's most audacious assertion: how should we respond to Jesus' claim that he is God and the only way to salvation.

### **Jesus Christ: Myth or**

**Reality?** Alejandro Roque Glez

2023-10-29 For many, Jesus is a good man, others believe he was a great leader who died many years ago, or a story created a century ago. Some do

*Downloaded from  
[sp.athena-security.com](http://sp.athena-security.com) on  
2022-12-31 by guest*

not even imagine any of the events from when he lived among us. What did reveal to us the apostles who were with him? Is Jesus a myth? Is he a reality? The popular superstitions and all the impiety that societies submerged in spiritual numbness produce, cause that our atmosphere is highly distrustful to everything, and snatches from our hearts the highest love expressions which could only come from the consolatory wisdom of our God and Creator. Jesus, the Word of God, uncovered for us in a simple way the secrets of wisdom and salvation unveiled for those who believe in him. Not for perfects and impeccable ones, but the weary and afflicted, those who know about the loads are too heavy to be carried in our hands as we walk through lifetime valleys of shadows. Who sat feet on this earth and has given such unerring sentences as the ones given by the Lord? Who is that man who expressed such strong words that shook the world? "The officers answered,

No man ever spoke like that!" (John 7:46) [Taken from the author's book entitled: "Born Motherland or Death"]  
The Interpretation of the New Testament, 1861-1986 Stephen Neill 1988 This is a new edition of the late Bishop Neill's widely acclaimed book, revised, expanded, and brought up to date by his former colleague Professor N.T. Wright, who has added a final chapter covering New Testament scholarship of the last twenty-five years. 'Altogether an excellent book.' The Times Literary Supplement on the first edition.  
Zealot Reza Aslan 2013-07-16 #1 NEW YORK TIMES BESTSELLER • "A lucid, intelligent page-turner" (Los Angeles Times) that challenges long-held assumptions about Jesus, from the host of Believer Two thousand years ago, an itinerant Jewish preacher walked across the Galilee, gathering followers to establish what he called the "Kingdom of God." The revolutionary movement he launched was so threatening to the established order that he was executed as

*Downloaded from  
[sp.athena-security.com](http://sp.athena-security.com) on  
2022-12-31 by guest*

a state criminal. Within decades after his death, his followers would call him God. Sifting through centuries of mythmaking, Reza Aslan sheds new light on one of history's most enigmatic figures by examining Jesus through the lens of the tumultuous era in which he lived. Balancing the Jesus of the Gospels against the historical sources, Aslan describes a man full of conviction and passion, yet rife with contradiction. He explores the reasons the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary. And he grapples with the riddle of how Jesus understood himself, the mystery that is at the heart of all subsequent claims about his divinity. Zealot yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus' life and mission. Praise for Zealot "Riveting . . . Aslan synthesizes Scripture and scholarship to create an

original account."—The New Yorker "Fascinatingly and convincingly drawn . . . Aslan may come as close as one can to respecting those who revere Jesus as the peace-loving, turn-the-other-cheek, true son of God depicted in modern Christianity, even as he knocks down that image."—The Seattle Times "[Aslan's] literary talent is as essential to the effect of Zealot as are his scholarly and journalistic chops. . . . A vivid, persuasive portrait."—Salon "This tough-minded, deeply political book does full justice to the real Jesus, and honors him in the process."—San Francisco Chronicle "A special and revealing work, one that believer and skeptic alike will find surprising, engaging, and original."—Jon Meacham, Pulitzer Prize-winning author of Thomas Jefferson: The Art of Power "Compulsively readable . . . ### **Questioning the Historicity of Jesus**

Raphael Lataster

2019-07-01 This volume moves beyond the mainstream

*Downloaded from  
[sp.athena-security.com](http://sp.athena-security.com) on  
2022-12-31 by guest*

scholarly scepticism over the Christ of Faith and considers if there is sufficient evidence to establish the existence of the more mundane Historical Jesus. Using the logical tools of the analytic philosopher, Lataster finds that the relevant sources are unreliable as historical documents, and that the key method of those purporting that the Historical Jesus existed is to appeal to sources that do not exist. Considering an ancient hypothesis suggesting that Jesus began as a celestial messiah that certain Second Temple Jews already believed in, and was later allegorised in the Gospels, Lataster discovers that it is more reasonable to at least be agnostic over Jesus' historicity.

Jesus - Myth Or Reality? Frank Newby 2005-06 During the last 1700 years, Christianity has become the standard religion of the Western World. It became a religion because the Catholic Church declared it to be so. They carnalized a Christ from a myth, and tortured and killed for 1000

years until it became a reality. Jesus Christ was not even a name until 325 C.E. when the Council of Niceae created the name and then declared that an age old myth had become human. Today the Gospel of Christ is taught to small children as truth. This book is an effort to explain the real truth and expose the myth and superstition.

### **Jesus Christ and Mythology**

Rudolf Karl Bultmann 1966

*Varieties of Jesus Mythicism:*

*Did He Even Exist?* John W.

Loftus 2021-11-18 To most

people on the planet, the

existence of Jesus is a given:

"Of course he did!" They take it

for granted that he existed

simply because it reaffirms

their faith. But to the rest of us

who don't believe in a

supernatural Jesus, the

question of the historicity of

Jesus is not simple. There are

thousands of different ideas

about to what extent the Jesus

tales were based on a real man,

or men, or woman... Did Jesus

even exist, and if not, what

best explains the rise of such a

character in the New

Testament? That is where John W. Loftus and Robert M. Price come in. Each with decades of experience in the fields of theology and Christian history, Loftus and Price have compiled essays from some of the top authorities on Jesus mythicism to establish the world's first academic catalogue of mythicist beliefs. Experts who provided chapters include David Fitzgerald, Joseph Atwill, Michael Lockwood, and more! The question is no longer simply, "Did Jesus even exist?" In this compilation, you'll find yourself questioning everything about the Christ story and how it truly began.

**The Christ-Myth Theory and Its Problems** Robert M. Price 2011

Jesus Never Existed Kenneth Humphreys 2005

**The Truth Behind the Christ Myth** Mark Amaru Pinkham 2002-04 Return of the Serpents of Wisdom and Conversations With the Goddess author Pinkham tells us the Truth Behind the Christ Myth and presents radically new information regarding Jesus

Christ and his ancient legend, includes: The legend of Jesus Christ is based on a much earlier Son of God myth from India, the legend of Murrugan, the Peacock Angel; The symbol of the Catholic Church is Murrugan's symbol, the peacock, a bird native to south-east Asia; Murrugan evolved into the Persian Mithras, and Mithras evolved into Jesus Christ Saint Paul came from Tarsus, the centre of Mithras worship in Asia Minor. He amalgamated the legend of the Persian Son of God onto Jesus' life story; The Three Wise Men were Magi priests from Persia who believed that Jesus was an incarnation of Mithras; While in India, Saint Thomas became a peacock before he died and merged with Murrugan, the Peacock Angel; The Emperor Constantine, the first 'Christian' Emperor of the Roman Empire, was a lifelong devotee of Mithras. He was baptised Christian on his deathbed; The myth of the One and Only Son of God originated with Murrugan and Mithras.

**Working on a Song** Anaïs

Downloaded from

2022-12-31 by guest

Mitchell 2020-10-06 "Working On A Song is one of the best books about lyric writing for the theater I've read."—Lin-Manuel Miranda Anaïs Mitchell named to TIME's List of the 100 Most Influential People in the World of 2020 An illuminating book of lyrics and stories from Hadestown—the winner of eight Tony Awards, including Best Musical—from its author, songwriter Anaïs Mitchell with a foreword by Steve Earle On Broadway, this fresh take on the Greek myth of Orpheus and Eurydice has become a modern classic. Heralded as "The best new musical of the season," by The Wall Street Journal, and "Sumptuous. Gorgeously. As good as it gets," by The New York Times, the show was a breakout hit, with its poignant social commentary, and spellbinding music and lyrics. In this book, Anaïs Mitchell takes readers inside her more than decade's-long process of building the musical from the ground up—detailing her inspiration, breaking down the lyrics, and opening up the

process of creation that gave birth to Hadestown. Fans and newcomers alike will love this deeply thoughtful, revealing look at how the songs from "the underground" evolved, and became the songs we sing again and again.

**The Dionysian Gospel** Dennis R. MacDonald 2017-04-01

"Those who eat my flesh and drink my blood abide in me, and I in them." Dennis R. MacDonald offers a provocative explanation of those scandalous words of Christ from the Fourth Gospel—an explanation that he argues would hardly have surprised some of the Gospel's early readers. John sounds themes that would have instantly been recognized as proper to the Greek god Dionysos (the Roman Bacchus), not least as he was depicted in Euripides's play The Bacchae. A divine figure, the offspring of a divine father and human mother, takes on flesh to live among mortals, but is rejected by his own. He miraculously provides wine and offers it as a sacred gift to his devotees, women

Downloaded from  
[sp.athena-security.com](http://sp.athena-security.com) on  
2022-12-31 by guest

prominent among them, dies a violent death—and returns to life. Yet John takes his drama in a dramatically different direction: while Euripides's Dionysos exacts vengeance on the Theban throne, the Johannine Christ offers life to his followers. MacDonald employs mimesis criticism to argue that the earliest Evangelist not only imitated Euripides but expected his readers to recognize Jesus as greater than Dionysos.

*Cold-case Christianity* J. Warner Wallace 2013 Do you believe about the claims of Christianity but aren't sure you believe in them? J. Warner Wallace knows what that's like. For the first thirty-five years of his life, he was a devout atheist. But when he decided to apply his skills as a detective to the claims of the New Testament he came to a startling realization: the case for Christianity was as convincing as any case he'd ever worked as a detective. A unique apologetic, *Cold-Case Christianity* will give you new confidence in Christ and a

renewed passion for articulating the case for Christianity.

**In Defense of Jesus** Lee Strobel 2016-09-06 An enlightening follow-up to the bestselling book *The Case for Christ*, *In Defense of Jesus* follows award-winning journalist Lee Strobel as he explores the most explosive arguments against the identity of Christ as the Messiah. Has modern scholarship debunked the traditional Christ? Has the church suppressed the truth about Jesus to advance its own agenda? What if the real Jesus is far different from the atoning Savior worshiped through the centuries? *In Defense of Jesus* explores such hot-button questions as: Did the church suppress ancient non-biblical documents that paint a more accurate picture of Jesus than the four Gospels? Did the church distort the truth about Jesus by tampering with early New Testament texts? Do new insights and explanations disprove the resurrection? Have fresh arguments disqualified Jesus from being

Downloaded from  
[sp.athena-security.com](http://sp.athena-security.com) on  
2022-12-31 by guest

the Messiah? Did Christianity steal its core ideas from earlier mythology? Evaluate the arguments and evidence being advanced by prominent atheists, liberal theologians, Muslim scholars, and others. Sift through expert testimony. Then reach your own verdict with *In Defense of Jesus*. This title is also available in Spanish, *En defensa de Jesús*. [The Historical Evidence for Jesus](#) George Albert Wells 1988 In this thoroughly researched study, G.A. Wells has squarely faced the question of whether a man named Jesus lived, preached, healed, and died in Palestine during the early years of the first century of the Christian era - or indeed, at any time. Building on the biblical studies of Christian theologians, Dr. Wells soberly demonstrates that we have no reliable eyewitnesses to the events depicted in the New Testament. He publicizes a fact known to theological scholars but little-known in the average Christian congregation: that the order of books of the New Testament is not an accurate

chronological arrangement. Indeed, Paul, who never saw Jesus, wrote his epistles to early Christian congregations before the Gospels of Matthew, Mark, and John were written. It may come as a great surprise to Christians and other monotheists, to agnostics, atheists, and humanists alike, that "the earliest references to the historical Jesus are so vague that it is not necessary to hold that he ever existed; the rise of Christianity can, from the undoubtedly historical antecedents, be explained quite well without him; and reasons can be given to show why, from about A.D. 80 or 90, Christians began to suppose that he had lived in Palestine about fifty years earlier." *The Historical Evidence for Jesus* is not a frontal attack on Christians per se; rather it is an easily understood but scholarly examination of the evidence for many long-accepted notions about the "biography" of the man called Jesus. This book takes up and quotes extensively from the Epistles and the Gospels of the New

*Downloaded from  
[sp.athena-security.com](http://sp.athena-security.com) on  
2022-12-31 by guest*

Testament, thus letting the evidence speak for itself in words familiar to every Bible reader. For example, Wells closely compares what Paul said about Jesus with what the author of Matthew, who lived later, wrote of him. Then he explains why these discrepancies apparently exist. Startling indeed is his proof that "earlier writers sometimes make statements which positively exclude the idea that Jesus worked miracles, delivered certain teachings, or suffered under Pilate." There is also interesting material on the topics of Jesus' supposed family, the so-called Shroud of Turin, and the myth-making that even today surrounds the figure of Jesus. Dr. Wells does not, however, attempt to demolish belief in God or the ethical precepts held by Christians. His presentation is always fair and couched in moderate tones.

Jesus David Fitzgerald  
2017-03-21 About the book:  
David Fitzgerald's award-winning 2010 book *Nailed: Ten Christian Myths That Show*

Jesus Never Existed At All pointed out the top ten fatal flaws of Christianity's origin story. Now, *Jesus: Mything in Action* presents the most compelling new findings in Jesus Myth theory and critically examines its controversial reception by biblical scholars, the extent and reliability of our sources for Jesus, and reveals the surprising history behind Jesus' evolution. In this volume: *Mything in Action*, vol. I (chapters 1 - 12) looks at the myths of Jesus Mythicism: what it is and isn't; what biblical scholars are saying about it (and why); and examines our oldest "biographical" source for Jesus - the allegorical story we know as the Gospel of Mark.

**The Jesus Mysteries** Timothy Freke 2001-12-18 Drawing on the cutting edge of modern scholarship, this astonishing book completely undermines the traditional history of Christianity that has been perpetuated for centuries by the Church and presents overwhelming evidence that the Jesus of the New Testament is a mythical figure. "Whether

*Downloaded from  
[sp.athena-security.com](http://sp.athena-security.com) on  
2022-12-31 by guest*

you conclude that this book is the most alarming heresy of the millennium or the mother of all revelations, The Jesus Mysteries deserves to be read.” —Fort Worth Star-Telegram

Far from being eyewitness accounts, as is traditionally held, the Gospels are actually Jewish adaptations of ancient Pagan myths of the dying and resurrecting godman Osiris-Dionysus. The supernatural story of Jesus is not the history of a miraculous Messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery. A little more than a century ago, most people believed that the strange story of Adam and Eve was history; today it is understood to be a myth. Within a few decades, authors Timothy Freke and Peter Gandy argue, we will likewise be amazed that the fabulous story of God incarnate—who was born of a virgin, who turned water into wine, and who rose from the dead—could have been interpreted as anything but a profound

parable.

### **Two Shipwrecked Gospels**

Dennis R. MacDonald 2012

With characteristic boldness and a creative look at long-neglected evidence, MacDonald offers an alternative reconstruction of Q and an alternative solution to the Synoptic Problem: the Q+/Papias Hypothesis. To do so, he reconstructs and interprets two lost books about Jesus: the earliest Gospel, which was used as a source by the authors of Mark, Matthew, and Luke; and the earliest commentary on the Gospels, by Papias of Hierapolis, who apparently knew Mark, Matthew, and the lost Gospel, which he considered to be an alternative Greek translation of a Semitic Matthew. MacDonald also explores how these two texts, well known into the fourth century, vanished in the shipwrecks of canonization and errant eschatology.

**Sonichu #0** C. C. 2005-03-24  
Sonichu #0 is the first issue of Christian Weston Chandler's magnum opus. At this initial stage, the comic was almost entirely about Sonichu and Rosechu, although bits of Chris's life still managed to find their way in. The "hand-drawn premiere issue" is a special zero issue. In the comics industry, zero issues are used as either a sales-enhancing gimmick (Image Comics is a notable user of this) or a special preview of work that will not truly begin until issue #1. Given that it previews nothing, which one Chris was going for is probably the former, though given that it's not legally able to be sold, it fails even that. The comic consists of Sonichu's first three adventures. In "Sonichu's Origin", the core cast of the series is introduced as Sonichu and Rosechu are created. Then, in "Genesis of the Lovehogs", the two protagonists meet and immediately fall in love. Finally, in "Sonichu vs. Naitsirhc", our yellow hero does battle with his first real

villain, who but foreshadows the challenges awaiting the hedgehogs in the following issue. Bonus material in Sonichu #0 includes various advertisements for imaginary Sonichu products, "classic" Sonichu comic strips drawn outside of the narrative of the main comic book, and the first "Sub-Episode".

### Letter from Birmingham Jail

Martin Luther King 2025-01-14

A beautiful commemorative edition of Dr. Martin Luther King's essay "Letter from Birmingham Jail," part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1923, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergymen admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper smuggled into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues for the

moral responsibility to obey just laws while disobeying unjust ones. "Letter from Birmingham Jail" proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.

20 Answers Trent Horn 2015

Who Was Jesus? Nicholas Thomas Wright 1993-03-09

This provocative work examines the recent Jesus publications in the context of the many modern Jesus books, dominated by Albert Schweitzer's masterful portrait, *The Quest of the Historical Jesus* (1906). Wright shows that the modern "quest" displays many variations on the same themes, so that the latest portraits of Jesus are not nearly as novel as they are thought to be.

### **Myths America Lives By**

Richard T. Hughes 2018-09-05

Six myths lie at the heart of the American experience. Taken as aspirational, four of those myths remind us of our noblest ideals, challenging us to realize our nation's promise while galvanizing the sense of hope and unity we need to reach our goals. Misused, these myths allow for illusions of innocence that fly in the face of white supremacy, the primal American myth that stands at the heart of all the others.

### **The Christ Myth**

Arthur Drews 2023-10-23

Arthur Drews' *The Christ Myth* is a groundbreaking exploration of the origins of Christianity that challenges traditional beliefs. Drews boldly asserts that Jesus Christ is a mythical figure rather than a historical person, challenging centuries of religious doctrine. In this meticulously researched book, Drews dissects ancient texts and historical accounts to present a compelling argument for the mythical nature of Jesus Christ, shedding light on the evolution of Christian beliefs.
