Word--an easy and surprisingly powerful practice that will allow God to form your character at a deep, sustainable level with just one word. As you focus on your word, you position yourself for God to form your character at a deep, sustainable level. Join author Mike Ashcraft, who has led his congregation through the My One Word practice for more than five years, and Proverbs 31 Ministries author and speaker Rachel Olsen, who has lived the practice, as they share their insightful and good-humored approach to personal improvement. The stories of growth and change throughout My One Word will: Give you encouragement to discern one word to focus on Deepen your relationship with God Help you make changes that last Are you ready to embrace the life-

changing power of My One Word? Let Mike and Rachel be your guides along the way. Praise for My One Word: "You are only one decision away from a totally different life. One change in spiritual disciplines can open up new dimensions of grace and power. Use My One Word to stop repeating the past and start creating the future." --Mark Batterson, author of New York Times bestseller *The Circle Maker*; lead pastor of National Community Church "My One Word is a lens that can change every area of your life. This is more than a to-do list and more than a New Year's resolution--this can be a lifestyle with pretty dramatic results." --Kyle Idleman, author of *Not A Fan* and *When Your Way Isn't Working*; teaching pastor of Southeast Christian Church [The Entitlement Cure](#) John Townsend 2015-10-06 Do you have anyone in your life who can't seem to stick with a project, meet a deadline, or even clean up after themselves? All of us feel we deserve special treatment

sometimes. Some people live with this entitled attitude, such as: Professionals who wander from job to job looking for a boss who will see them as amazing as they consider themselves to be--whether they're productive or not Young adults who refuse to grow up and so go nowhere Spouses or dates who believe, "I'm special, and I deserve more than you're giving me" Leaders who expect special treatment because of their position, not because of their character If you have a difficult relationship with an entitled person, or if you have discovered entitlement in yourself, understand this: It doesn't have to stay this way. There is a cure. It's called the Hard Way and it works. In *The Entitlement Cure*, Dr. John Townsend explains that the Hard Way is a habit that focuses on doing whatever is needed even if it is difficult, uncomfortable, takes longer, and requires more energy. Dr. Townsend offers daily steps, such as risk-taking, to help you or those you love choose the Hard Way. Ultimately,

entitlement fails us. We don't develop the character abilities and relationships necessary to reach success and become the people God intended us to be. By contrast, Hard Way people have better relationships, reach their goals, have a clear job direction, enjoy rich spiritual growth, and are equipped to face and solve challenges. As Dr. Townsend writes, "Stand against entitlement in every form in which it manifests itself. Resolve your own tendencies toward the disease. Be a loving and firm force for helping those in its trap to find life and hope. And you will make the world a better place." Discover why the Hard Way is the best way in this practical guide to true success.

Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? *Seated with Christ* Heather Holleman 2015-09-22 As Christians find themselves trapped in the rhetoric of platform, influence, retweets, and fame, they need a ladder out of the fray. Many of us live in a prison of self-absorption. Shackled with pride and despair, we compare ourselves to others constantly in our

frantic, unending pursuit of perfection. Seated with Christ gets to the root of this behavior and charts a path to freedom. Scripture says that God's beloved are seated with Christ in the heavens (Eph. 2:6), treasured by Him and given a place at His table. Heather Holleman unveils what this means for us. It means we walk out on the fight for acceptance. We quit measuring ourselves to others. We leap free from cycles of shame. Securely-seated people can ask themselves hard questions about their lives; they can deal with sin, grieve their losses, and move forward in hope. From a position of security and self-forgetfulness they can joyfully do the good works prepared for them uniquely. They can even celebrate the successes of others. Seated with Christ is a deeply personal, liberating look at a glorious truth: that we have a place at God's eternal table.

**A Word With You: My Journal Through The Bible**

Al Lowry 2023-12-18 Have you ever wanted to read through the entire Bible? You can! Join Al Lowry as he reads through the Bible in a year using this Daily Bible Reading Guide.

Each daily reading is accompanied by a few words from Al to gently nudge you to do what he once thought was impossible—to read through the most important book ever written. FROM THE INTRODUCTION I began writing this journal 9 years ago when a friend told me of a “Guilt-Free” reading plan that went through the entire Bible. He explained that the principle was to just take time to read or listen to that day’s passage—and if you miss a few days, to skip ahead to the current day’s reading. He said people will read through more of the Bible this way than if they stop part way for lack of “keeping up.” Then they can read it again the next year and pick up the

passages they missed the first time around. I responded I just might be the poster child for quitting, as I would start well many a January, only to fall hopelessly away when tedious books like Numbers, Leviticus or Deuteronomy would sideline me in the first quarter. Then he challenged me in a very big way. He had one of the first online ministries called, “The Ranch,” at [theranch.org](http://theranch.org). I read about it in USA Today and through a set of rather unusual circumstances, we became connected as good friends. He suggested I invite readers to follow along with me, and that 1st day of the year, I introduced a Facebook page with that very purpose. He gave me an invitation to include my plan in one of his online sermons and put out an open invitation to whoever might be inclined to join me. About 450 people signed up, and that set me on course with a lot of accountability partners with whom I would share a devotional each day. At the end of that year, I could not believe I’d finally accomplished this

challenge of reading Genesis through Revelation. So what next—just be done with it? I decided to do it again the next year, and the next, and the next... I believe God has a sense of humor and turned me into the Forrest Gump of Bible reading. (Remember how he kept running back-and-forth across the country?) I mentioned we started with about 450 in our Facebook group the first year and now there are over 1500. This year, I decided to put the devotionals in book form so readers would have the option to join me online or by paperback. Regardless of your own motivation to read the Bible, I sure would be privileged to walk by your side. The goal is still the same as when we started—to grow in our faith by reading through as much of the Bible as we can. Hopefully, my light commentaries can give you that gentle nudge that helps you also do what I felt was impossible—to read the Bible in its entirety.

**Unsinkable Faith** Tracie Miles  
2017-04-01 For many

people, remaining optimistic and feeling positive about themselves and their lives is a constant battle—especially when circumstances are difficult and life is hard. For others, negativity is something that only sneaks up from time to time, yet still wreaks havoc in their hearts. Regardless of the root causes, once pessimistic thoughts permeate our minds, our feelings and emotions begin to control us instead of us controlling them. Eventually it doesn't seem possible to stay positive, happy, and full of joy, and negative thought patterns shake our faith, causing us to sink emotionally, mentally, and spiritually over time. But it doesn't have to be that way. Despite what storms roll in, hearts anchored in God don't sink. When we change the way we think, we can change the way we feel and live, even if our circumstances remain the same. Intentionally embracing the opportunity to experience a transformed heart and a renewed mind opens the door for a changed life, because a

positive mind will always lead to a more positive life. In *Unsinkable Faith*, author and Proverbs 31 Ministries speaker Tracie Miles offers hope for women who struggle with negativity. Each chapter explores Tracie's and other women's personal stories, showing how they rose above their circumstances by transforming and renewing their minds. *Unsinkable Faith* is a breath of fresh air for anyone longing for a heart full of joy, an unbreakable smile, and a new, more optimistic perspective on life. This book will equip you to: Replace pessimism with positive thinking by becoming the captain of your thoughts; Learn how true joy and happiness are based on choice, not circumstances; Overcome unhealthy habits of negative thinking by intentionally implementing three easy mind-renewing steps; Stop feeling hopeless and pitiful, and start feeling hope-filled and powerful instead; and Discover that when you change the way you think, you change the way

feel, and in turn you can change your life completely.

No More Faking Fine Esther Fleece Allen 2017-01-10

Scripture reveals a God who meets us where we are, not where we pretend to be. *No More Faking Fine* is your invitation to get honest with God through the life-giving language of lament. If you've

ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--the gut-level, honest prayer that God never ignores, never silences, and never

wastes. No More Faking Fine is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God. Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect; instead, he meets us where we are There is hope beyond your heartache, disappointment, and grief Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same.
