**Careers in Cosmetology** Institute For Institute For Career Research 2018-07-04

COSMETOLOGISTS ARE TRAINED TO

MAINTAIN and care for hair, skin, and nails.

Most are hair stylists, estheticians, nail technicians, or makeup artists. This is a very broad industry that offers numerous opportunities to specialize in very specific kinds of work. For example, a trained hair stylist might work only with wigs and hairpieces, or a makeup artist might work in live theater or for a local TV station. Most specializations are based on personal preference and experience, but some such as microderm abrasion or master coloring, require advanced training. There are more than 600,000 of these professionals working in the US. That number is expected to rise faster than the average for the foreseeable future. The demand for licensed cosmetologists is greatest in hair salons and barber shops, nail salons, and day spas. There are also many jobs being created in resort hotels and department stores, on cruise ships and film and television sets, and backstage at fashion shows and magazine photo shoots. There are even traveling cosmetologists who bring their services to people in their own homes, assisted living facilities, hospitals, or small towns that do not have a salon. If you are creative, good with people, and willing to keep learning more about your craft, this could be the right career choice for you. Cosmetology is a rock-solid profession that thrives even through economic downturns. Women and men always want to feel good about the way they look - almost more than anything else.

*Belli Beautiful* Annette Rubin 2012-04-10 Pregnant women are used to hearing the warnings from their ob-gyns about which foods and medications to avoid, but surprisingly no one informs them about which skin care ingredients could be potentially harmful to their unborn child through topical absorption. Many of the ingredients used in beauty products are normally safe, but when applied during pregnancy are actually linked to birth defects and miscarriage. Exposing the hidden pitfalls of

the products we use every day, expert Annette Rubin-- founder of Belli Skincare, the #1 beauty brand recommended by ob-gyns--and beauty writer Melissa Schweiger show moms how to detoxify their skincare regimens. They explain the ingredients to watch for on labels and identify the safest products across major brands. But pregnancy and motherhood doesn't have to mean a ban on beauty! Packed with essential guidance, Belli Beautiful helps moms take the best care of their babies while still looking as fabulous as ever.

*Junk Gypsy* Jolie Sikes 2016-10-04 New York Times bestseller In their first book, the Junk Gypsies—sisters and stars of the popular Texas-born brand and HGTV show—combine big

dreams, stories of roadside treasures found, and down-home design projects inspired by epic makeovers for friends like Miranda Lambert, Billie Joe Armstrong, and Sadie Robertson. Amie and Jolie Sikes, the Thelma and Louise of the design world, are the Junk Gypsies: a family with an addiction to flea markets, wanderlust, and Americana inspired design. In their world, cowgirls are heroes, road trips last forever, and junk is treasured. Beginning with a little bit of faith and a whole lot of heart and soul, the sisters travelled the back roads of America like gypsies, collecting roadside trinkets and tattered treasures while meeting kindred spirits and lively characters along the way. With a mix of hippie, rock n' roll, southern charm, and big dreams, these small-town Texas girls became restless wanderers and owners and operators of their dream business and bohemian brand, Junk Gypsy. Filled with stories from their unique journey as well as DIY projects and bohemian inspired designs, Junk Gypsy is a tribute to all the rowdy gypsies, crafty junkers, free-spirited romantics, and true-blue rebels who have ever dared to dream big.

**Tox-Sick** Suzanne Somers 2015 Suzanne interviews cutting-edge doctors in the fields of environmental medicine and integrative health, providing a clear identification of the core reasons we're so 'tox-sick' as well as a whole-life plan for detoxifying your body, home, and life for optimal health, weight, and living.

**ENVIRONMENTAL TOXICITY--A LOOMING HEALTH THREAT:** The air we breathe, food we eat, homes we live in, and work spaces we inhabit are filled with toxicity; chemicals and other substances that are wreaking havoc on every health system in the body. Our bodies filtering systems and protectors are stretched to the breaking point and rising levels of dysfunction in all major organ systems are the result. Suzanne interview pioneering physicians to address this overload and support the body in its crucial work of keeping us healthy.

*The Secret Life of the Lonely Doll* Jean Nathan 2013-05-17 A glamorous, haunted life unfolds in the mesmerizing biography of the woman behind a classic children's book In 1957, a children's book called *The Lonely Doll* was published. With its pink-and-white-checked cover and photographs featuring a wide-eyed doll, it

captured the imaginations of young girls and made the author, Dare Wright, a household name. Close to forty years after its publication, the book was out of print but not forgotten. When the cover image inexplicably came to journalist Jean Nathan one afternoon, she went in search of the book-and ultimately its author. Nathan found Dare Wright living out her last days in a decrepit public hospital in Queens, New York. Over the next five years, Nathan pieced together a glamorous life. Blond, beautiful Wright had begun her career as an actress and model and then turned to fashion photography before stumbling upon her role as bestselling author. But there was a dark side to the story: a brother lost in childhood, ill-fated marriage plans, a complicated, controlling mother. Edith Stevenson Wright, herself a successful portrait painter, played such a dominant role in her daughter's life that Dare was never able to find her way into the adult world. Only through her work could she speak for herself: in her books she created the happy family she'd always yearned for, while her self-portraits betrayed an unresolved tension between sexuality and innocence, a desire to belong and painful isolation. Illustrated with stunning photographs, *The Secret Life of the Lonely Doll* tells the unforgettable story of a woman who, imprisoned by her childhood, sought to set herself free through art.

*Social Change 2.0* David Gershon 2009 If "change" is the mantra of our moment in history, *Social Change 2.0* may be poised to become its bible. Drawing on his three decades in the trenches of large-scale societal transformation, David Gershon--founder and president of Empowerment Institute, and described by the United Nations as a "graceful revolutionary"--offers an original and comprehensive roadmap to bring about fundamental change in our world. His goal is to empower change agents to tackle pressing social problems or unmet social needs by providing them with strategies and tools to effect transformative change at any level of scale. From his initiation as architect of the United Nations-sponsored First Earth Run--a mythic passing of fire around the world symbolizing humanity's quest for peace on earth that drew tens of millions of participants, the planet's political leaders and, through the media, over a billion people at the height of the cold war--to his recent climate-change work helping citizens, cities, and entire states measurably reduce their carbon footprint (using his book *Low Carbon Diet*), Gershon offers readers strategies to evolve an effective new model for social change. These include: The first comprehensive social-change model with proven, practical strategies and tools to either launch a social change initiative or improve the efficacy of any existing change program. A "Practitioner's Guide" accompanying each chapter, to help readers apply this social change framework to

their initiative. The result is a riveting, enlightening, and inspiring book that will quickly find its way onto the desks--and into the hearts--of the tens of thousands of change agents engaged in the work of building a better world. Social Change 2.0 speaks to a wide range of practitioners across the spectrum of social change including social and environmental activists, social entrepreneurs, community organizers, and civic, government, and business leaders, as well as the vast number of baby boomers looking for a way to give back and the millennials just raring to go.
