Exalting Jesus in Proverbs Jonathan Akin
2017-05-01 Edited by David Platt, Daniel L. Akin,
and Tony Merida, this new commentary series,
projected to be 48 volumes, takes a Christ-
centered approach to expositing each book of
the Bible. Rather than a verse-by-verse
approach, the authors have crafted chapters that
explain and apply key passages in their assigned
Bible books. Readers will learn to see Christ in
all aspects of Scripture, and they will be
encouraged by the devotional nature of each
exposition. Projected contributors to the series
include notable authors such as Russell D.
Moore, Al Mohler, Matt Chandler, Francis Chan,

Mark Dever, and others.

Renovation of the Heart Dallas Willard
2014-02-27 As Christians, we know that we are
new creations in Jesus. So we try to act
differently, hoping this will make us more like
Him. But changing our outward behavior doesn't
change our hearts. Only by God's grace can we
be transformed internally. Renovation of the
Heart lays a biblical foundation for
understanding what best-selling author Dallas
Willard calls the "transformation of the spirit"—a
divine process that "brings every element in our
being, working from inside out, into harmony
with the will of God." This fresh approach to

spiritual growth explains the biblical reasons why Christians need to undergo change in six aspects of life: thought, feeling, will, body, social context, and soul. Willard also outlines a general pattern of transformation in each area, not as a sterile formula but as a practical process that you can follow without the guilt or perfectionism so many Christians wrestle with. Don't settle for complacency. Accept the challenge Renovation of the Heart offers to become an intentional apprentice of Jesus Christ, changing daily as you walk with Him.

From Social Media to Social Ministry Nona Jones 2020-06-23 This book outlines digital discipleship principles for building an online community and provides practical instruction for how to do it no matter how big or small a local church may be. There are more than 2.3 billion professing Christians in the world and more and more new churches launching globally, yet statistics show that in-person church attendance is declining or plateauing in every nation. Although social technology has been around for more than two decades, church leaders have long bristled at the idea of church online, ranking it as the last concern on their minds in Barna's 2020 state of the church report published February 3, 2020. And then, three weeks later, COVID-19 closed the doors of every church on earth and suddenly forced them entirely online. Nona Jones, a globally acclaimed thought leader on leveraging technology for ministry, had been leading a movement and

sounding the alarm for several years to make digital discipleship a central part of every church's ministry approach. In *From Social Media to Social Ministry*, she outlines her digital discipleship principles and provides practical instruction for how to do it no matter how big or small a local church may be. There are plenty of books to help churches build a social media strategy, but this is the first book of its kind that goes beyond digital marketing to digital ministry. Readers will leave this book with: Clarity on what discipleship truly is The data that underscores the urgency for digital discipleship Understanding of the resources required to do it well A step-by-step guide on how to implement digital discipleship into ministry plans Knowledge of the differences among and purposes of the most popular social platforms, as well as the tools best positioned for digital ministry

The Next Mormons Jana Riess 2019-02-01
American Millennials--the generation born in the 1980s and 1990s--have been leaving organized

religion in unprecedented numbers. For a long time, the Church of Jesus Christ of Latter-day Saints was an exception: nearly three-quarters of people who grew up Mormon stayed that way into adulthood. In *The Next Mormons*, Jana Riess demonstrates that things are starting to change. Drawing on a large-scale national study of four generations of current and former Mormons as well as dozens of in-depth personal interviews, Riess explores the religious beliefs and behaviors of young adult Mormons, finding that while their levels of belief remain strong, their institutional loyalties are less certain than their parents' and grandparents'. For a growing number of Millennials, the tensions between the Church's conservative ideals and their generation's commitment to individualism and pluralism prove too high, causing them to leave the faith--often experiencing deep personal anguish in the process. Those who remain within the fold are attempting to carefully balance the Church's strong emphasis on the traditional

family with their generation's more inclusive definition that celebrates same-sex couples and women's equality. Mormon families are changing too. More Mormons are remaining single, parents are having fewer children, and more women are working outside the home than a generation ago. The Next Mormons offers a portrait of a generation navigating between traditional religion and a rapidly changing culture.

Worship Through the Ages Vernon M. Whaley 2012-09-15 Through the Ages provides a practical, historical and philosophical study of the Great Spiritual Awakenings as related to the worship of evangelicals around the globe. This is

a fascinating story that reveals a unifying, unbroken thread of events whereby one can trace the development of worship practices through the ages. With each move of God came a change in the way people worshiped. New paradigms were created, debated, accepted and passed on to the next generation. Narrative for this study is energized by telling "the story" of engaging personalities, influencers and movers and shakers. Emphasis is given to changes in worship practices from the Early Church, Reformation, the Great Awakenings, revival movements, large evangelistic crusades of the 1940s and 1950s, Jesus Movement, and the Praise and Worship movement. A chart tracing the development of worship from Genesis 4 to the twenty-first century is included.

Pagan Christianity? Frank Viola 2012 "Have you ever wondered why we Christians do what we do for church every Sunday morning? Why do we "dress up" for church? Why does the pastor preach a sermon each week? Why do we have

pews, steeples, and choirs? This ground-breaking book, ... makes an unsettling proposal: most of what Christians do in present-day churches is rooted, not in the New Testament, but in pagan culture and rituals developed long after the death of the apostles. Coauthors Frank Viola and George Barna support their thesis with compelling historical evidence and extensive footnotes that document the origins of modern Christian church practices. In the process, the authors uncover the problems that emerge when the church functions more like a business organization than the living organism it was created to be. As you reconsider Christ's revolutionary plan for his church--to be the head of a fully functioning body in which all believers play an active role--you'll be challenged to decide whether you can ever do church the same way again"--Amazon.com, viewed March 2, 2012. Why Nobody Wants to Go to Church

Anymore Thom Schultz 2013-11-04 It's sad but true: The American church is shrinking...fast. God-loving people are leaving in droves, and everything that attracted them in the past simply doesn't work anymore. Is there anything the church can do to turn the tide? **Why Nobody Wants to Go to Church Anymore** reveals the truth about this steep decline, along with innovative ideas for changing the way people think about church. Through startling statistics, compelling stories, and a surprising Jesus-based approach, you'll be stretched to redefine the way you do church. It all begins by embracing four simple acts of love: Radical hospitality Fearless conversation Genuine humility Divine anticipation Far from theoretical musings, these practical acts show Jesus' love to people who

crave it. You'll see why they really work, how they're taking root in hundreds of communities around the country, and how you can help bring people back into a relationship with God. The time for changing the church is now. And the one who can change it is you.

Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible, ' which

provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a

resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." --Kirkus Reviews

Love Worth Finding (Pack Of 25) Adrian Rogers 1998-11-23 Psychologists have long known that every person has two great longings and inward needs. The first is to be loved, and the second is to love. But when pressures and heartaches come into our lives, many give up any hope of ever finding love. The tragedy is that we often look in the wrong places to fill this deep, deep need and longing. Some substitute lust for love. Others pursue material things or superficial relationships-all in the futile attempt to fill a God-shaped vacuum in the human heart. But there is good news! There is a love worth finding and a love worth sharing. The Bible says, "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in

Him should not perish, but have everlasting life" (John 3:16). On the cross of Christ, God's mighty love was revealed and offered unconditionally to all who would be saved. Do you long to know this mighty love? Then I need to ask you the most important question you'll ever be asked: Do you know beyond a shadow of a doubt that God loves you, that your sins are forgiven, and that you are saved and on your way to heaven? The great news is, you can know! Let me share with you how to discover the greatest love worth finding. Admit Your Sin. First, you must admit that you are a sinner. The Bible says, "There is none righteous, no, not one" (Romans 3:10). "For all have sinned, and come short of the glory of God" (Romans 3:23). It is our sin that separates us from God and from fulfilling our deepest needs and longings. Sin is an offense against God that carries a serious penalty. According to Romans 6:23, "The wages of sin is death [eternal separation from the love and mercy of God]." Abandon Your Efforts. Second, you must

abandon any efforts to save yourself. If we could save ourselves, Jesus' death would have been unnecessary! Even "getting religion" cannot get you to heaven. The Bible says it is "not by works of righteousness which we have done, but according to His [God's] mercy He saved us" (Titus 3:5). Salvation is by God's grace, "not of works, lest any man should boast" (Ephesians 2:8-9). Acknowledge Christ's Payment. What you cannot do for yourself, Jesus Christ has done for you! "But God commendeth His love toward us, in that, while we were yet sinners, Christ died for us" (Romans 5:8). He died on the cross for you, and then rose from the dead to prove that His payment was acceptable to God. But you must acknowledge and believe this fact. "Believe on the Lord Jesus Christ, and thou shalt be saved" (Acts 16:31). Accept Christ as Your Savior. Salvation is God's gift to you. "The gift of God is eternal life through Jesus Christ our Lord" (Romans 6:23). When someone offers you a priceless gift, the wisest thing you can do is

accept it! This very moment, you can receive Christ's gift of salvation by sincerely praying this simple prayer from your heart: Dear God, I know that I am a sinner. I know that You love me and want to save me. Jesus, I believe You are the Son of God, who died on the cross to pay for my sins. I believe God raised You from the dead. I now turn from my sin and, by faith, receive You as my personal Lord and Savior. Come into my heart, forgive my sins, and save me, Lord Jesus. In Your name I pray. Amen. Friend, if you have not yet made a decision for Christ, I urge you to receive Him today. You'll be eternally glad to know the love worth finding!
