**Lost Treasures of Cincinnati** Amy E. Brownlee 2022-10-01 Lost Treasures of Cincinnati traverses the Queen City's cultural and physical history, from museums to movie palaces, basketball teams to tea rooms, subways to supper clubs—from what always was to what might have been. A collection of archival photographs, artifacts, and anecdotes, Lost Treasures captures the stories and details of dearly departed local buildings, institutions, events, and attractions. Look for crosstown favorites like Cincinnati Gardens, the 50/50 Club, Tall Stacks, and Crosley Field—places and performances that brought Cincinnati together to spectate and celebrate. Explore destination shopping in downtown Cincinnati at long-shuttered department stores like Gidding-Jenny and Pogue's. And take in a show at the RKO Albee Theater. Menus and photos recall restaurants and eateries like the Virginia Bakery, Gourmet Room, and the Chili Company. And Lost Treasures looks back to unearth long-lost settings and hidden gems like The Highland House, Mrs.

Trollope's Bazaar, Kenner Toys, and an indoor ice rink at the Netherland Plaza Hotel. These items are more than the sum of their parts: Taken together, they represent a spectrum of experience in our recent and distant past that rings true for Cincinnatians young and old.

**Grocery Story** Jon Steinman 2019-05-07 Hungry for change? Put the power of food co-ops on your plate and grow your local food economy. Food has become ground-zero in our efforts to increase awareness of how our choices impact the world. Yet while we have begun to transform our communities and dinner plates, the most authoritative strand of the food web has received surprisingly little attention: the grocery store—the epicenter of our food-gathering ritual. Through penetrating analysis and inspiring stories and examples of American and Canadian food co-ops, Grocery Story makes a compelling case for the transformation of the grocery store aisles as the emerging frontier in the local and good food movements. Author Jon Steinman: Deconstructs the food retail sector and the shadows cast by corporate giants Makes the case for food co-ops as an alternative Shows how co-ops spur the creation of local food-based economies and enhance low-income food access. Grocery Story is for everyone who eats. Whether you strive to eat more local and sustainable food, or are in support of community economic development, Grocery Story will leave you hungry to join the food co-op movement in your own community.
