Death 24x a Second Laura Mulvey 2006-03 A fascinating exploration of the role new media technologies play in our experience of film.

Mostly Dead Things Kristen Arnett 2020-04-21 The celebrated New York Times Bestseller A Best Book of the Year pick at the New York Times, NPR, The New Yorker, TIME, Washington Post, Oprahmag.com, Thrillist, Shelf Awareness, Good Housekeeping and more. What does it take to come back to life? For Jessa-Lynn Morton, the question is not an abstract one. In the wake of her father's suicide, Jessa has stepped up to manage his failing taxidermy business while the rest of the Morton family crumbles. Her mother starts sneaking into the taxidermy shop to make provocative animal art, while her brother, Milo, withdraws. And Brynn, Milo's wife—and the only

person Jessa's ever been in love with—walks out without a word. It's not until the Mortons reach a tipping point that a string of unexpected incidents begins to open up surprising possibilities and second chances. But will they be enough to salvage this family, to help them find their way back to one another? Kristen Arnett's breakout bestseller is a darkly funny family portrait; a peculiar, bighearted look at love and loss and the ways we live through them together.

Doing Time Together Megan Comfort 2009-05-15 By quadrupling the number of people behind bars in two decades, the United States has become the world leader in incarceration. Much has been written on the men who make up the vast majority of the nation's two million inmates. But what of the

women they leave behind? Doing Time Together vividly details the ways that prisons shape and infiltrate the lives of women with husbands, fiancés, and boyfriends on the inside. Megan Comfort spent years getting to know women visiting men at San Quentin State Prison, observing how their romantic relationships drew them into contact with the penitentiary. Tangling with the prison's intrusive scrutiny and rigid rules turns these women into "quasi-inmates," eroding the boundary between home and prison and altering their sense of intimacy, love, and justice. Yet Comfort also finds that with social welfare weakened, prisons are the most powerful public institutions available to women struggling to overcome untreated social ills and sustain relationships with marginalized men. As a result, they express great ambivalence about the prison and the control it exerts over their daily lives. An illuminating analysis of women caught in the shadow of America's massive prison system, Comfort's book will be

essential for anyone concerned with the consequences of our punitive culture.

When God Doesn't Fix It Laura Story
2015-09-15 Is it possible that good things can come out of our broken dreams? Worship leader and recording artist Laura Story's life took an unexpected turn when her husband, Martin, was diagnosed with a brain tumor. Their lives would never be the same. Yes, with God all things are possible. But the devastating news was that no cure existed to restore Martin's short-term memory, eyesight, and other complications. The fairy-tale life Laura had dreamed of was no longer possible. And yet in struggling with God about how to live with broken dreams, Laura has found joy and a deeper intimacy with Jesus. In *When God Doesn't Fix It*, Laura helps you understand that: We aren't the only ones whose lives have taken unexpected turns Even heroes of our faith experienced brokenness Despite our flaws and stories, God can use us in extraordinary ways God may not fix everything.

In fact, although your situation might not ever change or get better, with Jesus you can. Not because of your faith, but because of the faithfulness of God.

Chasing Shadows Lynn Austin 2021-06-08 For fans of bestselling WWII fiction comes a powerful novel from Lynn Austin about three women whose lives are instantly changed when the Nazis invade the neutral Netherlands, forcing each into a complicated dance of choice and consequence. Lena is a wife and mother who farms alongside her husband in the tranquil countryside. Her faith has always been her compass, but can she remain steadfast when the questions grow increasingly complex and the answers could mean the difference between life and death? Lena's daughter Ans has recently moved to the bustling city of Leiden, filled with romantic notions of a new job and a young Dutch

police officer. But when she is drawn into Resistance work, her idealism collides with the dangerous reality that comes with fighting the enemy. Miriam is a young Jewish violinist who immigrated for the safety she thought Holland would offer. She finds love in her new country, but as her family settles in Leiden, the events that follow will test them in ways she could never have imagined. The Nazi invasion propels these women onto paths that cross in unexpected, sometimes-heartbreaking ways. Yet the story that unfolds illuminates the surprising endurance of the human spirit and the power of faith and love to carry us through.

The Historical Archaeology of Shadow and Intimate Economies James A. Nyman

2019-06-03 Emphasizing the important social relationships that form among people who participate in small-scale economic transactions, contributors to this volume explore often-overlooked networks of intimate and shadow economies—terms used to describe trade that

takes place outside formal market systems. Case studies from a variety of historical contexts around the world reveal the ways such transactions created community and identity, subverted class and power relations, and helped people adapt to new social realities. In Maine, woven baskets sold by Native American artisans to Euroamerican consumers supported Native strategies for cultural survival and agency. Alcohol exchanged by Scandinavian merchants for furs and skins enabled their indigenous trading partners to expand social webs that contested colonialism. Moonshine production in Appalachia was an integral part of economic exchanges in isolated mountain communities. Caribbean and American plantations contain evidence of interactions, exchanges, and attachments between enslaved communities and poor whites that defied established racial boundaries. From brothel workers in Boston to seal hunters in Antarctica, the examples in this volume show how historical archaeologists can

use the concept of intimate economies to uncover deeply meaningful connections that exist beyond the traditional framework of global capitalism.

The Stranger Inside Laura Benedict 2019-02-05
A woman returns home to find a stranger living in her house in this "suspenseful and moving" psychological drama from an Edgar Award-nominated author (Meg Gardiner) -- perfect for readers of Shari Lapena and Liane Moriarty. There's a stranger living in Kimber Hannon's house. He tells the police that he has every right to be there, and he has the paperwork to prove it. But Kimber definitely didn't invite this man to move in. He tells her that he knows something about her, and he wants everyone else to know it, too. "I was there. I saw what you did." These words reveal a connection to Kimber's distant past, and dark secrets she'd long ago left buried. This trespasser isn't after anything as simple as her money or her charming Craftsman bungalow. He wants to move into her carefully

orchestrated life -- and destroy it.

Living Together Across Borders Assistant Professor Lynnette Arnold 2024-06-07 *Living Together Across Borders: Care Through Communication in Separated Salvadoran Families* tells the stories of extended families living stretched between a rural Salvadoran village and the urban locations in the United States where their migrant relatives live. Author Lynnette Arnold focuses on their cross-border conversations, demonstrating that this communication is a vital resource for enacting care-at-a-distance. She examines seemingly mundane interactions including greetings, remittance negotiations, and reminiscing together. Arnold demonstrates that while these practices are distributed in ways that reinforce boundaries between migrant and non-migrant relatives, families simultaneously use these same practices to build *convivencia* (living-together) despite ongoing separation.

Marked Laura Williams McCaffrey 2016-02-16

Sixteen-year-old Lyla lives in a bleak, controlling society where only the brightest and most favored students succeed. When she is caught buying cheats in an underground shadow market, she is tattooed—marked—as a criminal. Then she is offered redemption and she jumps at the chance . . . but it comes at a cost. Doing what is right means betraying the boy she has come to love, and, perhaps, losing even more than she thought possible. Graphic novel-style vignettes revealing the history of this world provide Lyla with guidance and clues to a possible way out of the double bind she finds herself in.

The Shadow Writer Eliza Maxwell 2019 Every writer has a story. Some are deadlier than others. Aspiring author Graye Templeton will do anything to escape the horrific childhood crime that haunts her. After a life lived in shadows, she's accepted a new job as protégé to Laura West, influential book blogger and wife of an acclaimed novelist. Laura's connections could

make Graye's publishing dreams a reality. But there's more to Laura than meets the eye. Behind the veneer of a charmed life, Laura's marriage is collapsing. Her once-lauded husband is descending into alcoholism and ruin and bringing Laura nearer to the edge. As the two women form a bond that seems meant to be, long-buried secrets claw their way into the present, and the line between friendship and obsession begins to blur, forcing each to decide where her loyalties lie. Running from the past is a dangerous game, and the loser could end up dead.

Tiger Lily Jodi Lynn Anderson 2012-07-03 In this stunning reimagining of J. M. Barrie's beloved classic Peter Pan, New York Times bestselling author Jodi Lynn Anderson expertly weaves a gripping tale of love, loss, and adventure. When fifteen-year-old Tiger Lily meets the alluring teenage Peter Pan deep in the forbidden woods of Neverland, the two form an unbreakable bond. As the leader of the Lost

Boys, the most fearsome of Neverland's inhabitants, Peter is an unthinkable match for Tiger Lily. And yet, she is willing to risk everything—her family, her future—to be with him. Then an English girl named Wendy Darling arrives on the island. With dangers tightening around them, Tiger Lily soon finds out how far she is willing to go to keep Peter with her in Neverland...and discovers that the deadliest enemies lurk inside even the most loyal and loving heart.

Living on the Edge Delfi I. Nieto-Isabel 2022-09-20 This volume addresses the widespread medieval phenomenon of transgression as both a result of and the cause for the exclusion and persecution of those who were considered different. It is widely accepted that the essence of a manuscript cannot be fully grasped without studying its marginalia. Glosses sit on the margins of the text and clarify it, adding a whole new dimension to it and becoming an inextricable part of its content.

Similarly, no society can be fully understood without knowledge of what lies on its margins, for the outliers of any given culture provide us with just as much information as its alleged foundational principles. In a time when the Western world ponders building walls up against perceived threats and frightening differences, this multidisciplinary collection of essays based on original and innovative pieces of research shows that it was mostly through tearing down walls that we learned our way forward.

The Light Between Us Laura Lynne Jackson
2015-10-27 NEW YORK TIMES BESTSELLER •
For readers of Proof of Heaven, the astonishing story of a woman with an extraordinary psychic gift—and a powerful message from the Other Side that can help us to live more beautifully in the here and now. Laura Lynne Jackson is a wife, a mother, a high school English teacher—and a psychic medium. Where most believe an

impenetrable wall divides the world between the living and the dead, Jackson sees brilliant cords of light. She has dedicated her life to exploring our connection to the Other Side, conversing with departed loved ones, and helping people come to terms with loss. In *The Light Between Us*, she writes with clarity and grace, addressing the eternal questions that vex us all: Why are we here? What happens when we die? How do we find our true path in this life? Laura Lynne Jackson's story offers a new understanding of the vast reach of our consciousness and enlarges our view of the human experience. Praise for *The Light Between Us* "A brilliant milestone marking our passage toward comprehending the deeper truths of our existence."—Eben Alexander, M.D., author of *Proof of Heaven* and *The Map of Heaven* "I read *The Light Between Us* with great joy, savoring the wonderful stories and messages of hope. It is a book filled with wisdom and love, exploring the deep bonds that keep us eternally connected to our soul

mates.”—Brian L. Weiss, M.D., author of *Many Lives, Many Masters* “A spiritual game-changer . . . For those suffering a terrible loss, you will find peace and comfort in her story. For those who question the afterlife, you will become a believer.”—Laura Schroff, co-author of *An Invisible Thread* “Straightforward, unassuming, and profoundly generous . . . Brave, honest, and beautiful, this book is a treasure.”—Mark Epstein, M.D., author of *Going to Pieces Without Falling Apart* “One of the most insightful and inspiring books about mediumship I have ever read.”—Gary E. Schwartz, author of *The Afterlife Experiments* and *The Sacred Promise Montana* 1926

Rifkind's Challenge Lynn Abbey 2006-08-22
Rifkind, a chieftains daughter, learned to wield a sword while all other women were bound by tribal custom to children and the cooking fire. But when her clan is massacred, she sets forth on a quest to savage lands ruled by magic and

the sword.

New York Magazine 1992-06-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Losing the Garden Laura Waterman 2006-06-01
In 1971, Laura and Guy Waterman decided to give up all the conveniences of life and live self-sufficiently for the land, in a cabin in the mountains of Vermont. For nearly three decades they created a deliberate life, eating food they grew themselves and using no running water or electricity. *Losing The Garden* is an honest account of their marriage, seen as idyllic but

riddled from within, as well as the event that would end it — the day Guy climbed a summit and sat down among the rocks to die. This is the memoir of a woman who was compelled to ask herself, "How could I support my husband's plan to commit suicide?" In her intimate examination, we explore the intricate and dark family histories of this couple, and reach a deep understanding of the marriage that tried to transcend them. At its heart, this is a love story and an affirmation of life after loss.

Luck in the Shadows Lynn Flewelling

2010-11-03 "A new star is rising in the fantasy firmament...teems with magic and spine-chilling amounts of skullduggery."-Dave Duncan, author of The Great Game When young Alec of Kerry is taken prisoner for a crime he didn't commit, he is certain that his life is at an end. But one thing he never expected was his cellmate. Spy, rogue, thief, and noble, Seregil of Rhiminee is many things-none of them predictable. And when he offers to take on Alec as his apprentice, things

may never be the same for either of them. Soon Alec is traveling roads he never knew existed, toward a war he never suspected was brewing. Before long he and Seregil are embroiled in a sinister plot that runs deeper than either can imagine, and that may cost them far more than their lives if they fail. But fortune is as unpredictable as Alec's new mentor, and this time there just might be...Luck in the Shadows. *Legacy of Mercy (Book #2)* Lynn Austin 2018-10-02 Having returned to Chicago, young socialite Anna Nicholson can't seem to focus on her upcoming marriage. The new information she's learned about her birth mother continues to pull at her, and she hires Pinkerton detectives to help her find the truth. But as she meets people who once knew her mother and hears stories about the past, Anna soon discovers that some secrets are better left hidden. At the same time, unflattering stories about Anna are leaked by someone who would love to see her disgraced and her engagement broken. And as Anna tries

to share her faith with her society friends, she understands that her choice to seek God's purpose for her life isn't as simple as she had hoped. When things are at their darkest, Anna knows she can turn to her grandmother, Geesje de Jonge, back in Holland, Michigan. Geesje's been helping new Dutch immigrants, including a teen with a haunted past, adjust to America. She only hopes that her wisdom can help all these young people through the turmoil they face. *With a Silken Thread and Other Stories* Eliza Lynn 1880

Shadows K. I. Lynn 2018-10-15 I'm dead. Literally. For years, I've been trapped in the home I died in. Three owners have been scared away by my angry outbursts. I don't know why I'm still here. My non-existent heart begins to beat.*** *Shadows* is a short Halloween themed romance***

A Light to My Path Lynn Austin 2004-11-01 "You don't have to go with Missy Claire. She can't make you go with her." Kitty, a house slave, has always obeyed Missy Claire and followed orders. But when word arrives that the Yankees are coming, Kitty is faced with a decision. Will she continue serving Missy Claire and her household? Or will she listen to Grady and embrace this chance for freedom? Even wise Delia says Kitty has to decide for herself--that nobody except the Lord can tell her which way to go. Kitty has always lived in a world where authority is not questioned. She never has learned to make up her own mind any more than she has learned to read or write. But now Kitty has a daunting choice: How does she want her story to end?

The Long Shadow of Small Ghosts Laura Tillman 2016-04-05 "A haunted, haunting examination of mental illness and murder in a more or less ordinary American city...Mature and thoughtful...A Helter Skelter for our time, though without a hint of sensationalism—unsettling in the extreme but written with confidence and deep empathy"

(Kirkus Reviews, starred review). On March 11, 2003, in Brownsville, Texas—one of America's poorest cities—John Allen Rubio and Angela Camacho murdered their three young children. The apartment building in which the brutal crimes took place was already run down, and in their aftermath a consensus developed in the community that it should be destroyed. In 2008, journalist Laura Tillman covered the story for The Brownsville Herald. The questions it raised haunted her and set her on a six-year inquiry into the larger significance of such acts, ones so difficult to imagine or explain that their perpetrators are often dismissed as monsters alien to humanity. Tillman spoke with the lawyers who tried the case, the family's neighbors and relatives and teachers, even one of the murderers: John Allen Rubio himself, whom she corresponded with for years and ultimately met in person. Her investigation is "a dogged attempt to understand what happened, a review of the psychological, sociological and

spiritual explanations for the crime...a meditation on the death penalty and on the city of Brownsville" Star Tribune (Minneapolis). The result is a brilliant exploration of some of our age's most important social issues and a beautiful, profound meditation on the truly human forces that drive them. "This thought-provoking...book exemplifies provocative long-form journalism that does not settle for easy answers" (Publishers Weekly, starred review). *The Other Laura* Sheryl Lynn 2011-07-15 She'd changed miraculously... A bullet wound had put Laura Hudson into a coma. Awakening with amnesia, she was told that the police still didn't know who'd shot her or why. Even worse, she was headed toward a slow recovery on a cattle ranch—with a husband and daughter who apparently hated her. To Ryder Hudson, Laura seemed like a brand-new woman. Even little Abby warmed to her. But Ryder had to stay on guard. Because he was falling in love with his wife again—even as he began to suspect that she

wasn't Laura at all...but a potentially dangerous stranger! What If You Sandi Lynn 2021-02-13 Fear is the common response to things we can't believe in or conceive in our minds. We fear the unknown. Things we can't understand. Everly I was different, and I lived my life as low key as possible. My childhood wasn't easy, and relationships never worked out, so I stopped trying. I accepted the fact that I would more than likely grow old alone, and I was okay with that. The more men got to know me, the faster they ran. Then I met Asher Remington under

unusual circumstances. For him, it was unusual, but for me, it was the norm. I was sent to New York to convince him not to go through with a merger that would end up destroying him and the company his father worked so hard to build. He thought I was crazy until he discovered the truth in what I had told him after he kicked me out of his hotel suite. My job was complete, and I needed to forget about him. But after spending one beautiful night together, it became impossible. The more time we spent together, the harder I fell. He was living in the shadow of a lie, only he didn't know it. If we were to have a chance together, he needed to know the truth, and he needed to put the past to rest. Asher Everly King was crazy. She was the craziest yet most beautiful woman I'd ever known. We met under very unusual circumstances. She saved me from making what would have been the most destructive decision of my life. I owed her. After spending one night with her, I craved more. Even though there were

things about her that frightened me, I didn't want to stop seeing her. Then I let my guard down and feelings emerged. I couldn't allow it, and I needed to stick by the decision I'd made several years ago after an incident determined the course of my life. I needed to forget about her and let her go. There was no "us," and there never would be. The problem was the fear I had inside was giving in and it tried to reason with me. It kept asking the same thing over and over: what if you... 18+

The Ghost of Eternal Polygamy: Haunting the Hearts and Heaven of Mormon Women and Men Carol Lynn Pearson 2016-07-12

"Polygamy?" says the mainstream Mormon Church. "We gave that up long ago." Not so, claims noted LDS poet and author Carol Lynn Pearson, who examines the issue as it has never been examined before. Any member of the LDS Church today who enters the practice of polygamy is immediately excommunicated. However, Pearson claims, polygamy itself has

never been excommunicated, but has an honored and protected place at the table. It has only been postponed, a fact confirmed by thousands of "eternal sealings" giving a man an assurance that he will claim as wives in heaven the two, three, or even more women he has sequentially married during his lifetime. No such opportunity is available to women. Through her own personal stories, those of her ancestors, and the thousands of stories that came to her through an Internet survey, Pearson shows the power of the Ghost of Eternal Polygamy as it not only waits on the other side to greet the most righteous in heaven, but also haunts the living-hiding in the recesses of the Mormon psyche, inflicting profound pain and fear, assuring women that they are still objects, harming or destroying marriages, bringing chaos to family relationships, leading many to lose faith in the church and in God. Mormon historian and author Dr. Gregory Prince says of The Ghost of Eternal Polygamy: "Carol Lynn Pearson has hit a home

run in her quest to illuminate both the damage that Mormonism's de facto practice of polygamy continues to inflict, and the route to a better, more humane place. Those who truly hope for eternal polygamy or who resent any call to institutional reform will be upset, but countless others will rejoice that she has shown 'a more excellent way.' "

We Live Next Door: An Utterly Gripping Psychological Thriller with a Jaw-dropping Twist

Laura Wolfe 2021-11-05 You think you know the people next door... What if they know you better? I always dreamed of moving back home to Ridgeview Pines, with its white fences and sloping lawns. I wish it had happened under different circumstances, but now I'm here I feel safe and ready for a fresh start with my little family. The first thing I do every morning is pick up my phone and check The Neighbor List-our local message board. Maybe the people next door know a little too much about where their neighbors are and what they're doing, but it's

safer that way, isn't it? And my husband-he wouldn't dare sneak behind my back with so many eyes watching. Just when I'm beginning to relax, a woman I've known since I was small is found dead on the white tiles of her bathroom floor. I watch messages of condolence flood my screen. No one else suspects a thing. But I know that among all these friendly people, watching out for one another, someone knows more than they're sharing. And I wonder-how far back do they remember, and who's next? An utterly gripping psychological thriller that will keep you up all night. Perfect for fans of *The Couple Next Door*, *The Woman in the Window* and *Behind Closed Doors*.

I Love Jesus, But I Want to Die Sarah J. Robinson
2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson

offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.
