Bewegung und Beharrung Christian Moser
2009 Wer sich der Erforschung des reformierten Protestantismus widmet, setzt sich mit einer komplexen Bewegung auseinander: Religiöse, theologische und kulturelle Traditionen werden kritisch reflektiert, bisweilen verworfen oder aber in neuer Interpretation weitergeführt. Politische und soziale Veränderungen zeitigen gravierende Konsequenzen für Einzelne wie für ganze Landschaften. Gewollt oder ungewollt bleiben dabei Veränderung und Beharrung eng ineinander verwoben. Historians recognize that the field of reformed Protestantism is multi-faceted: religious, theological and cultural traditions are critically reflected, occasionally revised and reinterpreted. Political and social changes can have a grave impact on individuals or landscapes. Traditions and change remain interwoven in this process, whether intentional or not. Aspects of Reforming Michael Parsons
2014-07-08 The book illustrates the fact that in reforming theology sixteenth century theologians also reformed practice or the imperatives of Christian living. Experts in reformation studies identify and elucidate areas of sixteenth century reforming activity in Martin Luther, John Calvin and other leading reformers to demonstrate the thoroughgoing nature of the reformation agenda. The interpretation of Scripture, the centrality of Jesus Christ, the Jewish question, freedom and pastoral insight form the contents of an important section on Luther. The use of feminine imagery for God, the Augsburg Confession, deification, education, and the gospel are treated in relation to Calvin. The

final section deals with Oecolampadius, the Son of Man texts in Matthew, justification, texts on difficult deaths and a Trinitarian exegesis of Scripture. By careful reading of both the historical situation and the primary texts this volume adds significantly to our understanding of the period.

They Knew They Were Pilgrims John G. Turner
2020-04-07 An ambitious new history of the Pilgrims and Plymouth Colony, published for the 400th anniversary of the Mayflower's landing In 1620, separatists from the Church of England set sail across the Atlantic aboard the Mayflower. Understanding themselves as spiritual pilgrims, they left to preserve their liberty to worship God in accordance with their understanding of the Bible. There exists, however, an alternative, more dispiriting version of their story. In it, the Pilgrims are religious zealots who persecuted dissenters and decimated the Native peoples through warfare and by stealing their land. The Pilgrims' definition of liberty was, in practice, very narrow. Drawing on original research using underutilized sources, John G. Turner moves beyond these familiar narratives in his sweeping and authoritative new history of Plymouth Colony. Instead of depicting the Pilgrims as otherworldly saints or extraordinary sinners, he tells how a variety of English settlers and Native peoples engaged in a contest for the meaning of American liberty.

A Reformation Debate John C. Olin 2009-08-25

In 1539, Cardinal Jacopo Sadoleto, Bishop of Carpentras, addressed a letter to the magistrates and citizens of Geneva, asking them to return to the Roman Catholic faith. John Calvin replied to Sadoleto, defending the adoption of the Protestant reforms. Sadoleto's letter and Calvin's reply constitute one of the most interesting exchanges of Roman Catholic/Protestant views during the Reformation and an excellent introduction to the great religious controversy of the sixteenth

century. These statements are not in vacuo of a Roman Catholic and Protestant position. They were drafted in the midst of the religious conflict that was then dividing Europe. And they reflect too the temperaments and personal histories of the men who wrote them. Sadoletto's letter has an irenic approach, an emphasis on the unity and peace of the Church, highly characteristic of the Christian Humanism he represented.

Calvin's reply is in part a personal defense, an apologia pro vita sua, that records his own religious experience. And its taut, comprehensive argument is characteristic of the disciplined and logical mind of the author of *The Institutes of the Christian Religion*.

The Christian Life John Calvin 2009-05-01 A leading expert on John Calvin brings together the reformer's most profound reflections on what it means to live a fully Christian life. *The Christian Life* includes excerpts from Calvin's impressive theological writings and illuminating sermons, as well as a selection of his stately prayers. Editor John H. Leith focuses on Calvin's spirituality, which arose out of the reformer's conviction that theology's primary importance is to encourage piety, to edify, and to transform human life and society. Calvin's writings have much to tell about the manner and style of Christian living. The writings gathered in *The Christian Life* draw upon Calvin's own heartfelt commitment to the ideals of life in Christ and to the responsibility to the community he served as pastor, preacher, teacher, and counselor. Here, then, is Calvin's own pattern for the conduct of the fully Christian life, which stresses that it is in Christian people living in Christian community and in society that we see most clearly the reality of faith. *The Christian Life* shares Calvin's thinking on such essential questions as the

nature of sin; the importance of self-denial and cross-bearing to the Christian life; maintaining the proper balance between the present life and the life to come; the role of grace; the concept of Christian freedom; the place of prayer; the centrality of community; ideas of the elect and predestination; and the deepest purposes of God for his people. He relates all issues to the fundamental question of piety and how Christians can best attune themselves to God's unfolding plans in everyday life. This compact volume makes available to readers as never before some of the most accessible and rewarding writings of this foremost figure in the history of Christian thought. The selections in *The Christian Life* will introduce the reader to an influential form of Christian piety; but above all, they provide a clue to how Christians today may live and cope with the problems of personal and public life in a highly pluralistic and secular culture, in which the traditional guides and support for Christian living seem to have lost vitality and vigor.

Practical Predestinarians in England, c.

15901640 Leif Dixon 2016-04-08 The belief that God eternally and unalterably decrees the election of one part of humankind and the reprobation of the rest has not aged well, but in the sixteenth and seventeenth centuries the doctrine of predestination was publicised and popularised to an extent unparalleled in the history of Christianity. Why was this? How successfully was the doctrine able to mix with other ideas, and to what effect? And did belief in predestination encourage confidence or despair? *Practical Predestinarians* is a study of the ways in which the doctrine of predestination was understood and communicated by churchmen in late Tudor and early Stuart England. It connects with debates about the 'popularity' of Protestantism during England's 'long reformation', as well as with the question of whether predestination tended toward inclusive or divisive, and conformist or subversive, applications. Intersecting with recent debates about the popular reception of Protestant preaching, this book focusses upon the pastoral message itself - it is therefore an investigation into the public face of English Calvinism.
Accepted and Renewed in Christ Cornelis P.

Venema 2007-09-11 Calvin betrachtet Rechtfertigung und Heiligung als Güter des dreieinigen Gottes, die dem Menschen durch das Heilswerk Christi über den Heiligen Geist zuteil werden, so die These dieser Studie. Die Lehre von der doppelten Gnade steht dabei in dem größeren Zusammenhang der Rede von Gott als dem Schöpfer und Erlöser. Diesen beleuchtet Cornelis P. Venema und verortet die Lehre von Rechtfertigung und Heiligung in Calvins Theologie. Darüber hinaus werden strittige Fragen der Calvinforschung erörtert, z.B. Calvins Verständnis von Gesetz und Evangelium und die Rolle guter Werke.

The Drama of Preaching Eric B. Watkins 2017-02-16 Preaching is dramatic. Through it, we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God. But where do the hearers of sermons fit into the drama? This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching. As God in Christ is the central character in the biblical drama of redemption, he also calls hearers to understand their role in creatively, yet faithfully living according to the biblical script. Thus, no sermon is complete until God's redemptive work is powerfully proclaimed, and his people are instructed in how they too are participating in the Missio Dei. In this work, Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people, but also through them. As postmodernism sets the stage of contemporary preaching, The Drama of Preaching interacts with some of the particular challenges preachers face in engaging postmodern listeners, that they might not only be hearers, but doers of the preached word.

CALVIN@500 Richard R. Topping 2011-05-12 Calvin@500 is an exercise in appreciative criticism and appropriation of the Reformer's work for church and society. The collection serves as an introduction to the life and thought of this sixteenth-century Reformer in his context. The book also traces Calvin's continuing legacy for political, economic, theological, spiritual, and inter-religious practices of our own time. The essays reflect the depth and breadth of Calvin

scholarship from the sixteenth century to the present. They also reflect Calvin's own wide-ranging ministry: the authors are pastors, teachers, social justice workers, and theologians. Calvin@500 arose from two Canadian conferences on the occasion of the 500th anniversary of Calvin's birth.

Reformation Letters Michael Parsons 2018-05-29 *Reformation Letters* is a detailed look at John Calvin's letters, which were mostly of a pastoral nature. These were letters that define the Reformation and demonstrate Calvin's concerns, his strengths, and his weaknesses, against the background of his own time and contemporaries. Here we find Calvin on his own calling and exile from Geneva; Calvin on marriage—his own and others'; Calvin's prefatory letter to Francis I of France; Calvin's letter to Sadoletto on the nature of the Reformation; Calvin on Servetus and the reasons for his trial and execution for heresy; and Calvin's letters to those facing death and persecution.

John Calvin T. H. L. Parker 2007-01-01 John Calvin was one of the most important leaders of the sixteenth-century Protestant Reformation. In this revision of his major biography, T. H. L. Parker explores Calvin's achievement against the backdrop of the turbulent times in which he lived. With clear and concise explanations of Calvin's theology, analyses of his major works,

and insights into his preaching, this definitive biography brings this crucially important reformer and his world to life for readers.

History of the Christian Church George Park Fisher 1910

Persuasion and Conversion Torrance Kirby 2013-08-22 The early modern 'public sphere' emerges out of a popular 'culture of persuasion' fostered by the Protestant Reformation. By 1600, religious identity could no longer be assumed as 'given' within the hierarchical institutions and elaborate apparatus of late-medieval 'sacramental culture'. Reformers insisted on a sharp demarcation between the inner, subjective space of the individual and the external, public space of institutional life. Gradual displacement of sacramental culture was achieved by means of argument, textual interpretation, exhortation, reasoned opinion, and moral advice exercised through both pulpit and press. This alternative culture of persuasion presupposes a radically distinct notion of mediation. The common focus of the essays collected here is the dynamic interaction of religion and politics which provided a crucible for the emerging modern 'public sphere'.

Calvin for the Third Millennium Hans Mol 2008-09-01 This work is a series of sermons produced by Emeritus Professor Hans Mol, and based on Biblical texts, the Commentaries of John Calvin on these texts, and on Calvin's Institutes of the Christian Religion. Mol is Australia's pre-eminent scholar in the sociology of religion, particularly in Australia. His 1971 volume, *Religion in Australia*, was the first attempt at statistical analysis of religion in Australia, which was also internationally significant. Parallel to Mol's interest in the sociology of religion has been his interest in Calvin. Indeed the theological basis of his life has been as a Calvinist. Here in this volume he brings both of these interests together. His sermons, preached over the years in Canberra, seek to apply the teachings of Calvin to a world-view in which the scientific study of religion, and indeed the wider study of sociology, are of central significance. In these sermons, he succeeds considerably in this. The volume is a substantial contribution to scholarship, in that the combination of these two factors has only rarely been attempted. Thus, the volume has

originality and will have enduring value. It is especially appropriate that it should be published at this time, in preparation for the 500th Anniversary of Calvin's birth (1509-2009).
Sydney's One Special Evangelist Baden P. Stace 2022-08-04 This landmark work is the first academic study of a figure who played a defining role in the Australian evangelical movement of the late twentieth century—the inimitable preacher, evangelist, and churchman John C. Chapman. The study situates Chapman's career within the secularizing Western cultures of the post-1960s—a period bringing momentous changes to the social and religious fabric of Western society. At the same time, global Evangelicalism was reviving, bringing vitality to large swathes in the Global South and a re-balancing in Western societies as conservative religious movements experienced growth and even renewal amidst wider secularizing trends. Against this backdrop the study explores the way in which, across a wide array of domestic and international fora, Chapman contended for the soteriological priority of the gospel in Christian life, mission, and thought. Accomplished via an absorbing blend of personal wit, impassioned oratory, innovative missiological strategy, and striking theological perception, the result was a stimulating history of public advocacy that sought a revival of confidence in Evangelicalism's message, and a constantly reforming vision of Evangelicalism's method. Such a legacy marks Chapman as a central figure within the generation of postwar leaders whose work has given Australian Evangelicalism its contemporary shape and dynamism.

The Knowledge of the Holy A. W. Tozer 2022-05-17 True religion confronts earth with heaven and brings eternity to bear upon time. The messenger of Christ, though he speaks from God, must also, as the Quakers used to say, "speak to the condition" of his hearers; otherwise he will speak a language known only to himself. His message must be not only timeless but timely. He must speak to his own generation. The message of this book does not grow out of these times but it is appropriate to them. It is called forth by a condition which has existed in the Church for some years and is steadily growing worse. I refer to the loss of the concept of majesty from the popular religious

mind. The Church has surrendered her once lofty concept of God and has substituted for it one so low, so ignoble, as to be utterly unworthy of thinking, worshipping men. This she has done not deliberately, but little by little and without her knowledge; and her very unawareness only makes her situation all the more tragic.

Christian Scholar's Review 2004

Brothers, We Are Not Professionals John Piper 2013-02-01 In this revised and expanded edition of *Brothers, We Are Not Professionals* that includes a new introduction and select all-new chapters, best-selling author John Piper pleads through a series of thoughtful essays with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry. "We pastors are being killed by the professionalizing of the pastoral ministry," he writes. "The mentality of the professional is not the mentality of the prophet. It is not the mentality of the slave of Christ. Professionalism has nothing to do with the essence and heart of the Christian ministry. The more professional we long to be, the more spiritual death we will leave in our wake. For there is no professional childlikeness, there is no professional tenderheartedness, there is no professional panting after God. "Brothers, we are not professionals. We are outcasts. We are aliens and exiles in the world. Our citizenship is in Heaven, and we wait with eager expectation for the Lord (Phil. 3:20). You cannot professionalize the love for His appearing without killing it. And it is being killed. "The world sets the agenda of the professional man; God sets the agenda of the spiritual man. The strong wine of Jesus Christ explodes the wine-skins of professionalism."

A Philosophical Commentary on These Words of the Gospel, Luke 14.23 Pierre Bayle 2005 "The topics of church and state, religious toleration, the legal enforcement of religious practices, and religiously motivated violence on the part of individuals, have once again become burning issues. Pierre Bayle's *Philosophical Commentary* was a major attempt to deal with very similar problems three centuries ago. His argument is that if the orthodox have the right and duty to persecute, then every sect will persecute since every sect considers itself orthodox. The result will be mutual slaughter, something God cannot

have intended." "Bayle has often been seen as a skeptic who blazed a philosophical path that Denis Diderot, David Hume, and other Enlightenment thinkers would follow. But his was a philosophical skepticism that did not exclude the possibility of religious faith, and Bayle himself was a Calvinist Christian." "Bayle's book was translated into English in 1708. The Liberty Fund edition reprints that translation, carefully checked against the French and corrected, with an introduction and annotations designed to make Bayle's arguments accessible to the twenty-first-century reader." --Book Jacket.

The Life of John Calvin Théodore de Bèze 1909 *Light for the City* Lester DeKoster 2004 "Light of the City" introduces readers to a unique view of John Calvin's life and thought, one that not only challenges past readings of Calvin but also seeks to reinvigorate the role of preaching as proclamation for modern civic life. According to Lester DeKoster, the doctrine of predestination as preached by Calvin makes building the kingdom of God, rather than evangelism, the sole and highest calling of Christians. Calvin's indifference to missions was rooted in his understanding that predestination leaves evangelism with nothing to give away; instead, daily labor on behalf of God's kingdom is the central act of divine worship. Calvin's preaching, his "Institutes of the Christian Religion," and his leadership of the church and civic government in Geneva were each, DeKoster maintains, directed toward establishing God's kingdom on earth. Furthermore, Western democracy as envisioned by Thomas Jefferson and others is a direct result of such Word-inspired civil government. Properly understanding Scripture as a dynamic creative Agent of the City means that faithfully preaching today, just as in Calvin's day, will continue to dramatically evoke the City as God's kingdom on earth. Lester DeKoster's style reminds me of Thomas Carlyle. He takes the English language and -- as only a master of prose can do -- transforms that language into something powerful and imposing. . . . This book will prove to be an enduring monument, not only in the field of Calvin studies but far beyond that. -- John Richard de Witt First Presbyterian Church, Columbia, South Carolina
