*The Boy Who Lost His Face* Louis Sachar 2013-07-26 CURSED! David was only trying to be cool when he helped some other boys steal an old lady's cane. But when the plan backfires, he is the one whom she 'curses'. Now David can't seem to do anything right. The cool kids taunt him and his only friends are weirdos. He even walks into Spanish class with his fly unzipped! And when he finally gets his nerve up to ask out a cute girl, his trousers fall down midway! But is this the curse at work or is David turning into a total loser? Another witty and very clever tale by the master storyteller Louis Sachar.

Lost Boy, Lost Girl John Bul Dau 2010 One of thousands of children who fled strife in southern Sudan, John Bul Dau survived hunger, exhaustion, and violence. His wife, Martha, endured similar hardships. In this memorable book, the two convey the best of African values while relating searing accounts of famine and war. There’s warmth as well, in their humorous tales of adapting to American life. For its importance as a primary source, for its inclusion of the rarely told female perspective of Sudan’s lost children, for its celebration of human resilience, this is the perfect story to inform and inspire young readers.

Lost Boy Found Kirsten Alexander 2020-03-10 Perfect for fans of the NYT bestseller Sold on a Monday, this Southern historical novel based on the true story of a boy's mysterious disappearance examines despair, loyalty, and the nature of truth. In 1913, on a summer's day at Half Moon Lake, Louisiana, four-year-old Sonny Davenport walks into the woods and never returns. The boy's mysterious disappearance from the family's lake house makes front-page news in their home town of Opelousas. John Henry and Mary Davenport are wealthy and influential, and will do anything to find their son. For two years, the Davenports search across the South, offer increasingly large rewards and struggle not to give in to despair. Then, at the moment when all hope seems lost, the boy is found in the company of a tramp. But is he truly Sonny Davenport? The circumstances of his discovery raise more questions than answers. And when Grace Mill, an unwed farm worker, travels from Alabama to lay claim to the child, newspapers, townsfolk, even the Davenports' own friends, take sides. As the tramp's kidnapping trial begins, and two desperate mothers fight for ownership of the boy, the people of Opelousas discover that truth is more complicated than they'd ever dreamed.

**Little Boy Lost** Ruhi Choudhary 2021-05-06 The clear sky burst into flames of peach and gold, illuminating the small body leaning against the rocks. He looked even smaller than he had in the photos, purple marks blemishing his neck. His eyes were open, staring ahead at the vastness of the still water. When three nine-year-old boys go missing on a field trip to Lakemore's annual spring festival, panic tears through the small town. Detective Mackenzie Price and her partner Nick Blackwood lead the search, but no trace of the boys is found-until one of them is found murdered, a note stuffed down his throat. "Find Johnny's killer, or they all die." Johnny was supposedly a victim of Jeremiah, a serial killer Nick helped put behind bars nearly a decade ago for the murder of ten young boys. But when Mack and Nick pay him a visit, he claims that he knows nothing-and that he remains innocent of Johnny's murder. Then a second boy is found, another clue left on his body, leaving just one left alive. Desperate to save the last boy's life, Mackenzie and Nick comb over Jeremiah's case, only to discover proof of a shocking cover-up-and a killer who will stop at nothing to right the wrongs of the past. **Lost and Found** Andrew Clements 2008-07-01 The Grayson twins are moving to a new town. Again. But on day one of sixth grade, Ray stays home sick, and Jay is on his own. No big deal. It's a pretty nice school, good kids, too. But Jay quickly discovers a major mistake: No one seems to know a thing about his brother. Ray's

not on the attendance lists, doesn't have a locker, doesn't even have a student folder. Jay almost tells the school -- almost -- but then decides that this lost information could be very...useful. And fun. As Ray and Jay exploit a clerical oversight, they each find new views on friendship, honesty, what it means to be a twin -- and what it means to be yourself. Entertaining, thought-provoking, and true-to-life, this clever novel is classic Andrew Clements times two: twins!
