Seventeen Shan Serafin 2005-10-06 "The ultimatum: Show me a reason to live or I kill myself in seven days. When seventeen-year-old Sophia dares life to prove to her she should stay alive, her suffering is at its climax, her predicament at its worst, and her adolescence at its crescendo. Sophia is taking summer courses at a New York City college between her junior and senior years of high school, lured to the program by Shauna, her best friend from California. Constantly reminded of her own perceived lack of beauty and brains, haunted by pangs of worthlessness, and noticed only by her lanky friend J.P., Sophia begs life for a single decent reason to stick around. Days slip by and she continues her silent countdown until...the greatest hope she can find becomes the deepest threat imaginable. As she makes her final attempt to confront life among adults, this bold adolescent and feisty storyteller shreds the hypocrisy and inequities of the adult world she yearns to inhabit."

Dixie Diva Blues Virginia Brown 2011-11-01 Trinket and the Gang Will Stop At Nothing To Clear A Diva's Husband of Murder Charges. "You'd think a midnight prowler would have sense enough to get out after being discovered by a group of middle-aged women armed with flower vases. Or at least stop what he was doing. Not this one. Despite our menacing appearance, he kept opening cabinet doors and drawers. "Our intruder

wore what looked like a black Ninja outfit. It did not flatter. He was a bit chunky and not much taller than me. Nor did he move very fast as Gaynelle and I bore down on him like a freight train. Instead of screaming in fear and fleeing out the front door-which stood wide open to help facilitate his escape-he turned away from the cabinet he had opened and threw something heavy. It was a Mason jar, and it hit poor Gaynelle right smack in the middle of the forehead. She dropped to the floor like a sack of flour. I looked down at her, then up at the masked intruder. Eyes glittered at me from the tiny eyeholes, and as he seemed to be unarmed-no more Mason jars at hand-I let out a bellow and charged him." VIRGINIA BROWN is the author of more than fifty novels in romance and mystery. Next up in her bestselling Dixie Divas Mysteries: Divas and Dead Rebels. And coming soon: the Blue Suede Memphis Mysteries and Virginia's mystery/drama saga, Dark River Road.

Solito: A Read with Jenna Pick Javier Zamora 2023-06-06 New York Times Bestseller • Read With Jenna Book Club Pick as seen on Today • Winner of the Los Angeles Times Christopher Isherwood Prize for Autobiography • Winner of the American Library Association Alex Award A young poet tells the inspiring story of his migration from El Salvador to the United States at the age of nine in this “gripping memoir” (NPR) of bravery, hope, and finding family. Finalist for the PEN/John Kenneth Galbraith Award for Nonfiction • One of the New York Public Library’s Ten Best Books of the Year Longlisted for the Andrew Carnegie Medal for Excellence and the PEN/Open Book Award “I read Solito with my heart in my throat and did not burst into tears until the last sentence. What a person, what a writer, what a book.”—Emma Straub “A riveting tale of perseverance and the lengths humans will go to help each other in times of struggle.”—Dave Eggers ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, NPR, The Washington Post, San Francisco Chronicle, Vulture, She Reads, Kirkus Reviews Trip. My parents started using that word about a year ago—“one day, you’ll take a trip to be with us. Like an adventure.” Javier Zamora’s adventure is a three-thousand-mile journey from his small town in El Salvador, through Guatemala and Mexico, and across the U.S. border. He will leave behind his beloved aunt and grandparents to reunite with a mother who left four years ago and a father he barely remembers. Traveling alone amid a group of strangers and a “coyote” hired to lead them to safety, Javier expects his trip to last two short weeks. At nine years old, all Javier can imagine is rushing into his parents’ arms, snuggling in bed between them, and living under the same roof again. He cannot foresee the perilous boat trips, relentless desert treks, pointed guns, arrests and deceptions that await him; nor can he know that those two weeks will expand into two life-altering months alongside fellow migrants who will come to encircle him like an unexpected family. A memoir as gripping as it is moving, Solito provides an immediate and intimate account not only of a treacherous and near-impossible journey, but also of the miraculous kindness and love delivered at the most unexpected moments. Solito is Javier Zamora’s story, but it’s also the story of millions of others who had no choice but to leave home.

Your Blues Ain't Like Mine Bebe Moore Campbell 1993-08-10 "Intriguing...A thoughtful, intelligent work...The novel traces the year from he '50s to the ate '80s, from Eisenhower to George Bush....She writes with simple eloquence about small-town life in the South, right after the start of the great social upheaval of he civil rights movement....Campbell has a strong creative voice." THE WASHINGTON POST BOOK WORLD Chicago-born Amrstrong Tood is fifteen, black, and unused to the ways of the segregated Deep South, when his mother sends him to spend the summer with relatives in rural Mississippi. For speaking a few innocuous words in French to a white woman, Armstrong is killed. Gettysburg Kent Gramm 2019-06-17 In Gettysburg: The Living and the Dead, writer Kent Gramm and photographer Chris Heisey tell the famous battle’s story through the eyes of those who lived and died there. Unlike histories that simply recount the three furious days in July 1863, this book transports readers onto the battlefield and into the event’s historical echoes, making for a delightful, immersive experience. Creative nonfiction, fiction, dramatic dialogue, and poetry combine with full-color photographs to convey the essential reality of the famous battlefield as a place both terrible and beautiful. The living and the dead contained here include Confederates and Yankees, soldiers and civilians, male and female, young and old. Visitors to the battlefield after 1863, both well known and obscure, provide the voices of the living. They include a female admiral in the U.S. Navy and a man from rural Virginia who visits the battlefield as a way of working through the death of his son in Iraq. The ghostly voices of the dead include actual participants in the battle, like a fiery colonel and a girl in Confederate uniform, as well as their representatives, such as a grieving widow who has come to seek her husband. Utilizing light as a central motif and fourscore and seven voices to evoke how Gettysburg continues to draw visitors and resound throughout history, alternately wounding and stitching the lives it touches, Gramm’s words and Heisey’s photographs meld for a historical experience unlike any other. Gettysburg: The Living and the Dead offers a panoramic view wherein the battle and battlefield of Gettysburg are seen through the eyes of those who lived through it and died on it as well as those who have sought meaning at the site ever since.

Terror Outside the Door Donald Craig Miller 2021-03-11 For first-century private detective, Jake Jezreel, it was the best of times. He had just wrapped up a scintillating investigation he called "The Case of Trailing the Bloody Footprints." Jake had met Jesus Christ in the midst of that investigation. He had surrendered his life to Christ. And Jake's life never would be the same again. But suddenly, in the afterglow of those joyous days after Jesus's resurrection, the world collapsed in on top of Jake. It abruptly became the worst of times. Religious persecution descended upon the Christian church in Jerusalem, led by the chief priests and zealous leaders, wreaking havoc upon all Christ's believers. In the midst of this persecution, a new and savage animal sprang up, whose

name was Saul of Tarsus. Saul attacked the Christian church with a vengeance, aiming to wipe the Christian "cult" from the face of the earth. Jake found himself and his faithful secretary, Hannah, caught in the onslaught and on the run. The persecution was crashing in all around them. Christians were being imprisoned. Some were being brutalized. Some were being killed. For the moment, Jake and Hannah stayed one jump ahead of the devouring enemy. But how long could they avoid the clutches of the vicious mob chasing after them? Wherever they hid, the terror prowled right outside the door. Could Jake and Hannah somehow dodge the relentless menace? If they were caught, what brutal tactics would the authorities savage upon them? Jake knew that in a crossfire, there is nowhere to hide. He also knew that time was running out and the walls were slowly closing in upon them.

Your Face in Mine Jess Row 2015-08-04 A widely praised young writer delivers a daring, ambitious novel about identity and race in the age of globalization. One afternoon, not long after Kelly Thorndike has moved back to his hometown of Baltimore, an African American man he doesn't recognize calls out to him. To Kelly's shock, the man identifies himself as Martin, who was one of Kelly's closest friends in high school—and, before his disappearance nearly twenty years before, white and Jewish. Martin then tells an astonishing story: after years of immersing himself in black culture, he's had a plastic surgeon perform "racial reassignment surgery": altering his hair, skin, and physiognomy to allow him to pass as African American. Unknown to his family or childhood friends, Martin has been living a new life ever since. Now, however, Martin feels he can no longer keep his identity a secret; he wants Kelly to help him ignite a controversy that will help sell racial reassignment surgery to the world. Inventive and thought-provoking, Your Face in Mine is a brilliant novel about cultural and racial alienation and the nature of belonging in a world where identity can be a stigma or a lucrative brand.

Roads of Destiny O. Henry 2021-05-07 Roads of Destiny (1909) is a collection of short stories by American writer O. Henry. Inspired by his experiences as a fugitive and in prison, these stories address themes of crime, poverty, and fate. "A Retrieved Reformation," perhaps the most notable of the collection's twenty-two stories, is semi-autobiographical in that it explores the life of a criminal and fugitive who maintains a moral identity while struggling to adjust to life outside of prison. "Roads of Destiny" is the story of a French poet and shepherd named David Mignot. After fighting with his lover Yvonne, he decides to leave his home village of Vernoy in search of fame and adventure. The dreamlike narrative follows him down three paths: one takes him to the home of a wealthy Marquis, where he falls in love with his young daughter; the next leads him to the halls of the king, where he is recruited to act as a body double

during a visit to the nearby cathedral; the final one finds him turning back toward home, where he struggles to balance a life of marriage with his poetic calling. In "A Retrieved Reformation," a safecracker named Jimmy Valentine attempts to lead a quiet life following his release from prison. Using an assumed identity, he settles in Arkansas, where he marries the beautiful daughter of a local banker. Despite his best efforts, however, his criminal past threatens to resurface at every turn. Roads of Destiny is a collection of stories exploring themes of fate and identity by an icon of American literature. With a beautifully designed cover and professionally typeset manuscript, this edition of O. Henry's Roads of Destiny is a classic of American literature reimagined for modern readers.

I'm Thinking of Ending Things Iain Reid 2016-06-14 Now a Netflix original movie, this deeply scary and intensely unnerving novel follows a couple in the midst of a twisted unraveling of the darkest unease. You will be scared. But you won't know why... I'm thinking of ending things. Once this thought arrives, it stays. It sticks. It lingers. It's always there. Always. Jake once said, "Sometimes a thought is closer to truth, to reality, than an action. You can say anything, you can do anything, but you can't fake a thought." And here's what I'm thinking: I don't want to be here. In this smart and intense literary suspense novel, Iain Reid explores the depths of the human psyche, questioning consciousness, free will, the value of relationships, fear, and the limitations of solitude. Reminiscent of Jose Saramago's early work, Michel Faber's cult classic Under the Skin, and Lionel Shriver's We Need to Talk about Kevin, "your dread and unease will mount with every passing page" (Entertainment Weekly) of this edgy, haunting debut. Tense, gripping, and atmospheric, I'm Thinking of Ending Things pulls you in from the very first page...and never lets you go.

Tuu Here Mary Barbee 2010-04 Moving to Africa in 1979, from rural, small town Mississippi was a leap of faith and a catalyst for great adventure. With graduation from college looming and looking for direction, a Peace Corps flier crosses Mary Duncan’s path. Mary volunteers to teach Cameroonians how to grow fish for food by building fish ponds in Cameroon. After four months of training, she is assigned to a very isolated post in Yoko. She must adapt to a French speaking, half Muslim world without electricity and plumbing. For the first year, the only other volunteers in the area are a 12 hour bush taxi ride away. Mary gains a unique view of what life is really like in Yoko, where the local tribe, the “Bavuté”, speaks their own patois (language) and are happy to share their opinions on a wide range of topics including homosexuality, polygamy, nuclear bomb programs and whether or not pygmies are indeed human. The first year Mary is occupied with work and survival: learning how to live without modern conveniences, communicate with the locals, and with very little to eat. During the second year, as the locals begin to know and trust her, she gets to look under the surface and discovers not everything is as innocent as it seems. On this journey to the third world, Mary learns as much about herself as she does of the people around her. Mary’s cross-cultural experience attests the commonalities of human beings on higher levels than the boundaries we build between us, and that many challenges that we face are universal: the need for shelter, friendship, and fish. For those thinking to joining the Peace Corps or those looking to travel abroad on a road less traveled, this book can give you honest insight into what you can expect on your own journey.

She loves waving the Haitian flag, sampling delicious foods, and cheering for the floats. And this year? She’ll get to hang with her stylish aunt, an influencer known for dabbling in Haitian Vodou. And maybe spot her dreamy crush, Kwame, in the crowd. But fate has other ideas. Before the parade, a rogue, mischievous spirit seems to take possession of Cicely's aunt during a spiritual reading. Cicely hardly knows anything about Vodou, or how to get someone un-possessed. But it’s up to her to set things right--and the clock is ticking. She'll have to enlist the help of her quick-thinking best friend, Renee, and, as luck would have it...Kwame. Cicely, her friends, and the reckless spirit who is now their charge set off on a thrilling scavenger hunt to gather the ceremonial items they need. And along the way, will Cicely discover surprising powers of her on? Bestselling author Debbie Rigaud infuses this novel with sparkling wit, romance, and nuance that will keep readers riveted and enchanted.

The Poetry Life Baron Wormser 2008-04-30 Baron Wormser brings to life the immense force poetry can have in people's lives. In stories funny, tender, sad, and edgy, the narrators register how poetry has changed how they see themselves, how they live, and what they care about. As it bends genres by adapting aspects of fiction, biography, essay and monologue, The Poetry Life shows how poetry can be lightning in the soul. "Baron Wormser has pulled off a miraculous feat--he has written a collection of stories that reveals the absolute necessity of poetry in our lives. His prose style is riveting, and his characters are as diverse as a phone book. Each voice conjures up a passionate portrait of inner life, telling us--through episodes both comic and tragic--that the world of the deceased poet remains eternally relevant to our own." --Clint McCown, author of The Weatherman: A Novel "'Poetry,' Baron Wormser writes, 'is about generosity.' So too are these ten stories you hold in your hands. They are about generosity. And mystery. And loneliness. And life. They are about how poetry helps us 'stay in our skins.' You will fall in love with these stories and with the ten poets who appear in them. What Baron Wormser says about William Carlos Williams, I say about him here, 'He nailed it.'" --Ann Hood, author of The Knitting Circle: A Novel "A book of stories not about poets but driven by the presence of poetry and the shadows of poets: madness undoubtedly. But the best kind of madness! With this book, Baron Wormser invites us to reconsider the connection between poetry and our lives, to remember that we really do live hungry for inner vision, for small insights that can save us from the slag heap of goofdom and pointlessness. It's a wonderful book. It's the kind of stuff that makes you want to stay in the world. " --Tim Seibles, author of Buffalo Head Solos

The Wolf in the Attic Paul Kearney 2016-05-05 1920s OXFORD: HOME TO C.S. LEWIS, J.R.R. TOLKIEN... AND ANNA FRANCIS, A YOUNG GREEK REFUGEE LOOKING TO ESCAPE THE GRIM REALITY OF HER NEW LIFE. THE NIGHT THEY CROSS PATHS, NONE SUSPECT THE FANTASTIC WORLD AT WORK AROUND THEM. Anna Francis lives in a tall old house with her father and her doll Penelope. She is a refugee, a piece of flotsam washed up in England by the tides of the Great War and the chaos that trailed in its wake. Once upon a time, she had a mother and a brother, and they all lived together in the most beautiful city in the world, by the shores of Homer’s wine-dark sea. But that is all gone now, and only to her doll does she ever speak of it, because her father cannot bear to hear. She sits in the shadows of the tall house and watches the rain on the windows, creating worlds for herself to fill out the loneliness. The house becomes her own little kingdom, an island full of dreams and half-forgotten memories. And then one winter day, she finds an interloper in the topmost, dustiest attic of the house. A boy named Luca with yellow eyes, who is as alone in the world as she is. That day, she'll lose everything in her life, and find the only real friend she may ever know.
